

PITTSBURGH GAZETTE

Infidelity and Christianity.

In the year 1848, a minister of Jesus Christ, whom we shall call (for brevity)...

What do you know about another world? Have you been to see it? Do you know any one who has been there and returned?

I have read of some who have been there and returned. The Bible gives us an account of a few, and of one who came down from heaven to this world for the purpose of revealing life and immortality...

Well, can you tell the difference between your God of nature, by stems, drossing thousands, and their hard earnings in the ocean; by volcanoes burrying white cities in an ocean of fire...

Well, (rubbing his forehead,) well, I know there is a difference; it is this: Nature never, by words or signs, revelation or precept, assigns a reason for her destructions; but the Bible assigns reasons for commanding or permitting man to destroy another.

Yes, yes, but, as I said before, I do not believe that you would not have it for years. I do not keep it in my house. There is your Bible Noah's sonner had got out of the ark than he had got into it.

How do you know that Noah, Lot and David were such bad men? You have just said you would not have the Bible in your house; that is a book of lies. I shall not allow you to bring it here. I shall not allow you to bring it here.

Yes, I believe it is going to rain. I must leave you, I have to go and a half of hay out I will talk with you again.

It seems, then, that your God of nature is going to set the hay you have labored so hard to secure for the innocent cattle. But good afternoon, sir!

THE growth of grass is like the polishing of metals. There is first an opaque surface; and then a strong light; and then it ends back a perfect mirror of the sun that shines upon it.

EVIL THOUGHTS—Heard of evil thoughts. Of the mischief that they have done in the world. Had thoughts come first, bad words follow, and bad deeds bring up the close. Strive against them. Watch against them. They prepare the way for the enemy.

REFORM those things in yourself that you blame in others.
