Antimasonic and Whig County Convention The Whige and Anti-Masons, of Alle-ear county, will meet on Saturday, the 20th of May at, at the usual place of holding primary meetings in it several election distinct.

rty, at the ensuing October election.

JOSIAH KING,
Chairman of Committe of Corresponde

JACOB HOFFMAN, OF BERES COUNTY: FOR PERSIDENTIAL ELECTORS.

company of instrumental solo performers, our piece of impertinence."

assisted by Alfred Jacki, who is said to excel all.

North. the Pisoist ever in this country, announce that they will shortly visit Pittsburgh, and give a Concert or two at Masonic Hall. The German preamble and recolutions were adopted, by the have given over five hundred Concerts, to the most fashionable and critical sudiences ever assembled in the States. They have just closed series of fourteen Concerts at Philadelphia, in which city they created an excitement never before equalled in that place. The Daily Pennsylvanian speaking of these Concerts, says: "As every Concert passes by, it is called the Concert of the season, but in our opinion, we have just had it for the first time, and those of our cities are not of the season, but in our opinion, we have just had it for the first time, and those of our cities considered the control of the season, but in our opinion, we have just had it for the first time, and those of our cities considered to the control of the season, but in our opinion, we have just had it for the first time, and those of our cities considered to the control of the season, but in our opinion, we have just had it for the first time, and those of our cities constructed an important only tend to deprive the country of a valuable means of intercourse between different portions of the union, but would infinite as minfortune upon a part of the good people of this State, who have a great expense constructed an important public work without any apprehension that timple deems of the performances of this charming company of musicians. What a gush of molody—what a valuance of the portion and control of the consideration winds to lead to music. The "Midrummer's Night to the power as mortal, and the "Bounds from Home" would have touched the heart of the wides."

Dream" was as lovely a dream as ever stole over a mortal, and the "Bounds from Home" would have touched the heart of the welds."

Dream' was as lovely a dream as ever stole over the other of the season of the party is cereally a dream as ever stole over the said court the following the fill the great date of the party is consideration. Which I the following the fill the great date of the party is consideration. Which I therefore the fill t Dream" was as lovely a dream as ever stole ov-er a mortal, and the "Sounds from Home" would have touched the heart of the widest

WHEELING BRIDGE CASE .- In the Virginia Concert or two at Masonic Hall. The German-House of Delegates, on Tuesday, the following las have been in this country four years, and preamble and resolutions were adopted, by the have given over five hundred Concerts, to the vote of 68 to 44:

WHIG MATIONAL CONVENTION.

monlism as a system of robbery and plunder, and adds.

"It is nothing but a mere humbug. I have found it so to my heart's sorrow. It would have been better for us not to have been born, than to have come here to be Moremore. They will take bettering, so long remaining under the wary of Dr. Francis, as a sealed book to the control bettering to use to five possible and the control bettering in likely soon to assume a coll from you."

The streamer City of Glargow and City of Manchester carry passengers from Philadelphis to Liverpool for \$90 in a single state room, \$65 in the double, and \$65 forward.

Surmura and Reine Rainson A public mesting of the subscription of Solitia, under the presidency of Glargow and City of Glargow and City of the first steamer which enters her waters for through the property of Solitia, under the presidency of Glargow and City of Glargow and City of the first steamer which enters her waters for through the control of Solitia, under the presidency of Glargow and City of the first steamer which enters her waters from the Atlantic, and givers to each emigrant from one to fifty aquare miles of arable more openious than any other Northern mesting githe proposed subscription and company, adopted resolutions appreving of the subscription.

PARAGUAY.—This important subdivision of South America, so long remaining under the sway of Dr. Francis, as leased book to the sounds support to more promines, to this personal attack.

Mr. Brooke will personal attack.

Mr. Margun deserves no little commendation of the same ming the tide now at its height, in the South octation for the summy ming the tide now at its height, in the South merchants of the connection of the tide now at its height, in the South merchants of the connection of the case of the great pairiot and soldier than the double, and \$55 forward.

Surmura and Ears Rainson A public of the stame which enters her waters of the sounds of the stame of the connection of the stame of the connection of the stame of the connection of the stame of the c

FROM - WASHINGTON ence of the Pitteburgh Dutly Canette.)

WARRINGTON, April 22. that place the rise was less and less as compared PLAIN WORDS WITH SOUTHERN WHIGS. with that flood. At Cincinnati, where it was was not unusually high. The Cincinnati, Garacter of Friday has the following short notice of The River.—At 11 o'clock last night the water was one foot above the base of the buildings along "Gaussage Ros," and rising at the rate of two inches an hour. As the river is falling fast above no apprehensions of, any sersous damages are entertained.

The late ators was from the east, and did not extend in full severity much beyond the wastern range of the mountains. East of the mountains, from Maine to North Carolina, we have accounts of great freshets—greater relatively than we had of great freshets—greater relatively than we had

We subjoin a summary of notices of the floods east of the mountains:

The Boonshoro (ddd Fellow says that Shafer's warehouse, three miles below Williamsport, was swept away, with several thousand harrels of flour. A number of fice boats, heavily laden with flour and other produce, were also carried with flour and other produce, were also carried sway.

The Charlestown (Va.) Free Press area it is speech and of the press, an abolition of the right of passes ble stremblings and artitle. The Sennte to

The company of the co

would it not repel the support of the Whigs of New York, Pennsylvanis, and Ohio! Beyond a doubt it would. Mr. Staaley pledges himself that General Scott not only is for all the compression of the Western of the greatest association. The most interesting of a superior of the greatest association. The most interesting of all was Siklos, a castle in whose dangeons King Sigimmond was immured in the year 1402.

Green Converted the week of the greatest of the greatest extent and value, and famous by a strength of the greatest extent and value, and famous hy a strength of the greatest extent and value, and famous hy a strength of the greatest extent and value, and famous hy a strength of the greatest extent and value, and famous hy a strength of the greatest extent and value, and famous hy a strength of the greatest extent and value, and famous hy a strength of the greatest extent and value, and famous hy a strength of the greatest for the greatest fo the fagitive act in particular. Well, if be does, then perhaps the prowess of Southern Whiga may achieve his election. All that I have to say is that the Whig party intend to elect Gen. South without pledge or protestations of any sort, whether the Southern Whiga sassist or not. The chance which the latter have of getting a pledged candidate may be estimated by the number of Northern Whiga who voted for Jackson's reserving the provided the greatest regret of the control of the cont
