In the cosmanian support of the state of the	rence sof opicion, andthat there is some reason to fear that these differences will not be healed without a breach in the party. Bot we deny that there is any less want of harmony among the Democracy, thar among the Whige. While the Whige are differing about principles and measures, they are quarraling about men, and if	WASHIBGTOR, April 24, 1852. STARTLING EXPOSURE OF NORTHERN AGGRESSIONS IN THE HOUSE. Mr. Smart, of Maine, a Barabarner Demo- crat, made a very elaborate and able speech in the House, on Friday, in defence of the North from the false and parto like ory of aggressions upon the South. His statements comprise the whole space of our national existence, beginning in fact somewhat in advance of the trans-	True 1791 to 1850: Whele amount of revenue, Expense of collection, * elare : * ela elare : * e	scier is now out. Certain partice now here have iscued proposals for taking the Sandwich islands. They are waiting to get large claims through Congress, with 'which they expect to supply the sinews of war. Whether they in- tend after taking the islands to set up a Barstaria, like the respectable Sands D
wards to be by ballot. Each of the slettion in the solert two delegates to a county convention, to be held at the Court Ilouse, on Monday, the 2nd of June following, at 10 o'clock, A. M., to nominate a thelet to be supported by the supported of the support of the super support of the super support of the super support of the super support of the super super support of the super super super super support of the super	or if they do not, they will find themselves in	taken together, form a most conclusive answer to an allegation utterly without foundation, it is	pays more than her share, and therefore in some	or to annex like Texas, I am not informed.
