to do with its enactment?" it asks. It is atmost about to argue against such stuff as this: but as the religious test was in existence before den. Pierce was born, we shall clear him of all agency in its "enactment," as the Past terms it. The Post nays he has labored "to have the fout stain wiped out." If this be so, his influence must have been feeble indeed, when he could, with the sid of "the lamented Woodbury," induce less than 10,000 voters to sid him in his efforts. Buch a story is too ridiculous to excits any thing but mirth. But the Post says the first stain "read, from Toledo to Godago, pills mas shortening that route 12 miles.
