ANOTHER ASTONISHING CURE

E. Kelly, a highly respectable merchant of Rushford, Fairfield county, Ohio, sent us the following voluntary testimony:

Rushford, Fairfield Co., Ohio, Dec. 1, 1851.

Dr. J. D. Park: Dear Sir—Feeling under obligations to you for the benefit I have received from your valuable medicine, I deem it my duty to make a statement of my case, which you are at liberty to publish, if you think proper. I was afflicted with a severe cough, and made use of a number of remedies, but found no relief. I was induced to try your Balsam of Wild Cherry, and found relief from the first dose I took. I continued to use it, and was restored to perfect health. I have also used your Pain Killer, and found it a sovereign remedy for the Rheumatism, especially my left arm, which was entirely useless. I was induced to use your Pain Killer by my friend, Mr. Jonathan Hunter, who was afflicted with a severe cough, and had used a number of remedies without relief, and was rapidly declining with consumption. He has used your Balsam of Wild Cherry, and from the first week I gave it to him, he commenced to recover, and has continued its use six months, at the end of which time, I am happy to say, he is restored to perfect health. I would cheerfully recommend the Balsam to all those afflicted with diseases of the lungs. I am well known in this community, and any statement you may make in relation to my case, you are at liberty to do so, and refer any person to me for further information.
