HOME MATTERS.

EXCURSION.—The members of the Eagle Fire Company design paying a visit to the Wellsburg fire company, on Friday, in order to celebrate with it, the anniversary on the 3d, the fourth coming on Sunday. We hope that this gallant company will spend their time pleasantly, and have no doubt of the hospitable reception with which they will meet from the citizens of Wellsburg.

A MISTAKE.—Instead of a name which appeared in our report of the Legislative candidates, nominated by the Democratic Convention, that of G. F. Gillmore should have appeared.

TEACHER'S ADDRESS.—We take pleasure in informing our readers that Mr. John Gregory will deliver an educational address to parents, teachers, and school directors, on this, Friday evening, at the 4th ward public school house.—We advise all to attend, since the address will be one of much interest.

THE MURDER TRIALS.—The trials of John and Honora Caulay, accused of murdering the three children of Mr. and Mrs. Cuthbert by administering poison to them, will be taken up on Monday. The morning session will probably be occupied in impannelling a jury, and the examination of witnesses commenced in the afternoon.

Messrs. G. L. B and N. P. Fetterman and F. C. Flanegin will appear for the Commonwealth; Messrs E. P. Jones and S. W. Black for John Caulay, and J. K. Kennedy and T. J. Fox Alden for Honora Cauley.

ALLEGHENY CITY INTEREST.—Jonathan Rush, Esq., Treasurer of Allegheny city, yesterday forwarded to the east the interest on the city bonds, which will come due on the 1st of July.

ATTEMPTED BURGLARY.—A series of burglaries were attempted in the upper portion of Allegheny city, on Wednesday night. The rascals endeavored to break into the dwelling of Mr. George R. Riddle, but the watch dog attacked them, upon which they fired and retreated. Next they went to the dwelling of Mr. Jonathan Rush, on Boyle street, which they entered, but Mrs. Rush hearing them, an alarm was raised, when they fled through the door, which they had left open They then proceeded to the dwelling of Mr. Morris, in the Second Ward, near the Public School House, into which they gained an entrance by picking the lock of the front door. Two of them went up stairs and entered the bed rooms, when Mr. Morris, was awakened by the light which they carried.—He rose, and they fled, upon which Mr. Morris discharged the contents of two pistols at them, without effect. The rogues were likewise armed, for, in return, they fired at Mr. Morris without injuring him. The police in Allegheny should be on the look out, and the Councils should increase the number by organizing a night patrol.

STRAWBERRY GATHERING.—We were pleased to find last night that the "Strawberry Gathering" at the Masonic Hall, was attended by a very large assemblage of ladies and gentlemen.—The ladies who prepared this festival, had every thing in order, and the supplies of strawberries, ice cream, cakes, &c., were of the best quality Our readers will learn with gratification that this festival will be continued this afternoon, and close in the evening.

This is a pleasant way of ministering to the relief of the suffering poor, and from what we witnessed last evening, we are persuaded that the Rev. Mr. Passavant will be enabled to go on rejoicing in his good works.

COURT OF QUARTER SESSIONS.—Before the Honorable William B. McClure President, and William Boggs and Patrick McKenna, Associate Judges.

The Court was occupied all day yesterday in the trial of the case of the Commonwealth vs John Kechler, indictment larceny.

The defendant is accused of stealing a large quantity of leather and shoes the property of Mr. Perry of Fourth street. It was proved that the articles in question belonged to Mr. P. and were found in Kechler's house. Kechler asserted that he had purchased them from William Conner, Mr. Perry's foreman, who is not now in Pittsburgh, and proved by several witnesses that he had purchased portions of the stolen property from a woman by the name they did not know. The indictment also contains a count for receiving stolen goods.

The case has not yet gone to the jury.

DISORDERLY CONDUCT.—Mayor Fleming yesterday committed a man named Donnelly to prison for thirty days on a charge of disorderly conduct.

ASSAULT AND BATTERY.—A man named Fritz Miller was yesterday committed by the Mayor, on a charge of assault and battery, brought against him by Mary Gassenhoover, of the 5th Ward, who accuses him of having committed an unprovoked attack on her on the 17th inst.

HELD TO BAIL.—James Donaldson, who is accused of assault and battery, alleged to have been committed on the 15th on William Shelley, porter at Brown's Hotel, was yesterday held to bail.

DISORDERLY CONDUCT.—Alderman Major yesterday committed Ellen Ross to jail, charged, on oath of her husband with disorderly conduct.

COSTS.—John, Frederick, Theodore and Catharine Hesse were yesterday committed for costs. They had pleaded guilty to a charge of riot, committed in Duquesne Borough.

ANOTHER.—Phillip Motts was yesterday committed, for costs, a bill for assault and battery against him having been ignored and he sentenced to pay the costs. He afterwards paid them, we believe, and was discharged.

LARCENY.—S. H. Fountain was yesterday held to bail by the Mayor, on a charge of having stolen the pocket book of Mr. Jones. The defendant asserts that he found it on Ross Street, with no money in it.

ALLEGED ASSAULT.—Alderman Major yesterday held James Braddock to bail, on a charge of having committed an assault, on Wednesday, on Wm. Hannan.

LARCENY.—The Mayor yesterday lodged a commitment against John Daugherty charging him with larceny alleged to have been committed in selling a raft at Wheeling entrusted to his care to take on to Cincinnati. It appears that what is termed here, "obtaining money under false pretences," comes under the Virginia statute of larceny.

ANOTHER AND ANOTHER.—Emily Miller also charged the same defendant with surety of the peace, and he was fined two dollars by the Mayor for profanity. Bartholomew Guth lodged an information of assault and battery against him, on all which charges he was committed.

UNCLAIMED.—Two pieces of cloth are now to be seen at the Mayor's office. They are supposed to have been stolen.

DROWNED.—Abraham Simpson, colored, a passenger on the Allegheny-Belle, No. 2, was drowned on Monday near Freeport. He was sleeping on the upper deck, but rolled off and fell on the lower and from thence into the water. Owing to the darkness of the night, all attempts made to rescue him, proved ineffectual.

WATCH HOUSE RAVORY.—Nine persons made their appearance at the morning watch return on charges of drunkenness and vagrancy. Two accused of vagrancy, were committed for thirty days each, the remainder for various lesser periods.

DISCHARGED.—Ten persons were discharged from prison yesterday, their several terms of imprisonment having expired.

CONGRESSIONAL

WASHINGTON, June 24.

HOUSE.—The House proceeded to the consideration of Bennett's bill, appropriating land to all the States for Railroads and educational purposes.

Mr Gorman desired to be heard in behalf of the western States, as the bill proposed to appropriate sixty millions of acres. He was not gratified, however, and the question on the passage of the bill was fought off until the expiration of the morning hour.

The House then proceeded to consider the Pennsylvania contested election case. H. B Wright contested the seat of Henry M. Fuller. The report of the Committee on Elections concluded with a resolution that the election at Danville precinct in the 11th Congressional district was illegal and irregularly conducted and that the seat of the members be vacant, and that the Speaker inform the Governor of that State of the decision of the House that a new election may be had.

Mr. Ash made a speech in support of the action of the Committee.

Mr. Fuller obtained the floor, when at his request, the subject was passed over until to-morrow.

The House went into Committee on the Senate amendments to the Deficiency Bill.

Mr. Horseford made a speech in advocacy of establishing an agricultural bureau.

The Committe rose and the House adjourned.

SENATE.—The Senate took up a resolution to amend the rules by allowing an amendment to a bill or resolution, and an amendment to an amendment, to be laid on the table, without carrying with it the original bill, which were debated up to the hour of adjournment, and then lost by a tie vote.

To Rail Road Contractors.

PROPOSALS will be received until the 24th of July next, inclusive at the Engineer offices of the North Western Virginia Rail Road, in Parkersburg, West Virginia, and Clarksburg, for the Graduation and Masonry of 50 or 60 miles (or about one mile each) of that Road—embracing all the heaviest parts of the work, and containing a number of tunnels, deep cuttings and embankments, as well as a considerable share of bridge and culvert masonry. The line extends from the Baltimore and Ohio Rail Road, at the mouth of Three Forks Creek, two miles east of Fetterman, to Parkersburg, on the Ohio River, and is about 107 miles in length.

Specifications will be ready at the offices named, and also at Fetterman, on and after the 5th July, persons and engineers will be upon the line to afford information.

The country through which the road passes is healthy, fertile and cultivated, and abundant supplies may be had along its route, and from either end of it—terminus of the Baltimore and Ohio Railroad, the Northern Turnpike, and other good roads, and by the Ohio river. The facilities for cheap execution of the work are unsurpassed. Hands can be obtained in numbers, and the Baltimore & Ohio Railroad is advanced 74 miles of its completion and offering a large amount of labor. Bidders must bring the best recommendations, and will state what other work they have on hand. By order of the President and Board of Directors.

To Glass Manufacturers.

THE subscriber takes pleasure in informing his friends in the trade, Business that he has made some improvement in his machinery, and selected a good supply of raw material of the very best quality, he is enabled to REDUCE THE PRICE of his Fire Clay to $17.50 per ton.

A large manufacturing firm in Philadelphia who have tried this Clay, offer $17.50 per ton for it, which is the price of German Clay in that city; but owing to the extra cost of freight it cannot be delivered there at that price, however, it is cheaper than German Clay, from $10 to $15 per ton.

This Clay is found in the form of a finely rock of extraordinary fine texture. It is one of the most infusible substances known. After being carefully cleansed from all earthy matter, it is ground again and again until it is perfectly smooth as No 24 sifter. It is then barrelled up for market. In using it, two thirds of this Clay is mixed with one third of German Clay; or one third of this, one third of Fire sand, and one third of German Clay. Stourbridge Clay, from $10 to $15 per ton.
