The President submitted in answer to a resolution, the correspondence between Mr. Webster and the American Charge at Vienna, in reference to Mr. Hulseman's course in this country. The letter of the Secretary to Mr. McCurdy, Charge at Vienna, says: "It is obvious from the tenor of all his recent communications to the Department, that the Chevalier Hulseman's experience in the diplomantic service of his government, has not instructed him accurately in the nature and limits of his official functions, and that, notwithstanding his long residence in this country, he is quite uninformed as to the character of our institutions and responsibilities of the people of the United States for their acts or sentiments in a private capacity in regard to foreign powers."

The letter goes to mention various improprieties committed by the Chevalier in his farewell letter and concludes with giving Mr. M'Curdy liberty to read the dispatch to the Austrian minister of Foreign affairs.

Mr. Bayard of the Select Committee on census returns reported adversely to the printing of the census statistics of the different states, and characterizing the specimens for Maryland as incorrect, false, useless and unnecessary. The report was ordered to be printed.

The Senate went into executive session and then adjourned.

HOME MATTERS.

SUICIDE.—On Sunday afternoon at about four o'clock, Silas Mitchel, who has been for some time barkeeper to G. J. Garrard, tavern-keeper, nine miles out the Washington plank road, left the house. He had been unwell for some time, but nothing was thought of his absence until the supper hour arrived, and he did not make his appearance, search was then made for him, and his body was found between seven and eight o'clock, suspended by a cord, to one of the beams in the stable. Life was totally extinct, and the body was suffered to hang until the arrival of the coroner, when an inquest was held, and a verdict in accordance with the facts rendered. It is supposed that he being himself in a fit of delerium.

The deceased was between twenty seven and twenty eight years of age, and was to have been married shortly. The people, residing in South Fayette township, near the scene of this tragedy, refused to allow his body to be buried there, and the coroner was therefore obliged to bring it into the city for interment.

A stable attached to the tavern of Mr. Hartof Shaitpsburgh, was set on fire by some rascal on Sunday night, and was totally consumed. Three horses perished in the flames. A carpenter shop alongside, belonging to Mr. Butterield, of the same Borough, was likewise consumed with all its contents. Fortunately the wind was not high, or the conflagration would have been very extensive.

We learn that two men named Yeates and Rhodes, were arrested yesterday on a charge of having been concerned in the incendiarism and were, after an examination, held to bail.

BURGLARIES.—A number of burglaries were committed in Sharpsburgh on last Saturday night The rascals in no instance succeeded in obtaining anything of value.

THE MURDER CASES.—The cases of the Commonwealth vs. John Cauley, and the Commonwealth vs. Honora Cauley, indictment murder, will probably be taken up this afternoon.

PITTSBURGH TRUST AND SAVING FUND COMPANY.—A large number of shares in the Pittsburgh Trust and Saving Fund Company, were subscribed yesterday. The books will be opened again to-day at the office of Hays & Painter, Liberty street, where we advise our readers to call and secure the remaining shares.

MURDER.—A man named McCutcheon, who was recently pardoned out of the Western Penitentiary, where he had been imprisoned on a charge, we believe, of arson, was shot on Saturday in Bridgeport near Brownsville, by one of the boatmen attached to Young's hotel. It appears that the deceased, together with his brother, were approaching the house and threatening to throw stones at its inmates, because they were refused liquor there, when the hostler fired a pistol, the ball from which passed through McCutcheon's heart, and he died instantly. The hostler, whose name we have not learned, was at once arrested and committed to prison.

FAIR AT LAWRENCEVILLE.—We are pleased to learn that the ladies of Lawrenceville realized nine hundred and fifty dollars by the fair which they held on the 17th and 18th inst. This sum will be devoted to furnishing and paying the debt of the First Presbyterian Church of that borough.

COURT OF QUARTER SESSIONS.—Before the Hon. William B. McClure, President, and Wm Boggs and Patrick McKeons, Associate Judges.

MURDER CASE.—The trial of John and Honora Cauley, indictment murder, was postponed until this afternoon, or to-morrow morning.

Commonwealth vs. Edward Staith. Information Surety of the Peace, on oath of Isaac Mueller. The prosecutor testified that the defendant had come to his house in the Second Ward, and behaved in such a manner as to obliged him to entertain apprehensions for his personal safety. The defendant was sentenced to pay the costs.

Commonwealth vs. Samuel Allen. Information, Surety of the Peace, oath of M. Jones. From the evidence, it appeared that the prosecutor's wife and the defendant's sister had quarrelled. Mr. Allen was making a statement to Jones, when the latter called him a liar, upon which Allen said that he would free him of the law, he would thrash him. This Jones refused to do, and started off for a constable to arrest the defendant on the present charge. Since that time the prosecutor had borrowed money from the defendant. His honor, Judge McClure, sentenced the prosecutor to pay the costs, and to stand committed in default.

The case of the Commonwealth vs. Robert Morris and Isaac Hull, and the Commonwealth vs. Samuel Wylie, was actions of assault and battery with intent to kill, were taken up

From the evidence it appeared that Morris and Hull are watchmen, and that on the evening of the 3d of June, Wylie was going home intoxicated. When near his residence, in the Seventh Ward, he kept a loud yelling, and was pursued by the watchmen. He picked up a large stone and turned round, declaring that they should not take him. The watchmen and Wylie differ as to whether or not the latter threw the stone, Wylie maintaining that it was, the other that it was not. One of the watchmen ordered the other to shoot, upon which he fired a pistol loaded with shot and slugs, at Wylie, three of which took effect in his arm, and two in his side. He was then knocked on the head with a mace and beaten, but was so severely injured that he was allowed to go home, and Dr. McCandless was sent for to dress the wounds.—The shot which lodged in the arm were after-wards extracted, but those which struck his side remained there.

After having thus shot and beaten Wylie, the watchmen at an early hour next morning lodged an information for assault and battery with intent to kill against him; committed, we suppose, in throwing the stone.—Wilson McCandless, Esq., appeared for the watchmen, Messrs. J. T. Buchran and T. M. Marshall., Esqs., for Wylie. The case will go to the jury this morning.

CHARGE OF ROBBERY.—Samuel Baker was yesterday arrested, and after an examination before Alderman Denniston, committed to prison, on charge of having in company with a number of others, robbed Hirram Baker of McKeesport on Wednesday last of a trunk and its contents.—Mr. Baker testified that the trunk contained wearing apparel of the value of twenty five dollars, one one hundred dollar note on the Bank of Virginia, eighty five dollars in fives and tens on the Merchants and Mechanics bank of Wheeling and the State branches of Ohio and Indiana and twenty seven dollars and fifty cents in silver. We did not ascertain the nature of the evidence brought against the accused.

DISTRICT COURT.—The District Court was in session yesterday, but no business of importance was transacted.

SURRENDERED.—The bail of Elizabeth Rippeth who is accused of larceny, surrendered her on Sunday, and she was committed by Alderman Goff, of McKeesport.

LARCENY.—Richard Delliford, who was recently arrested in Wheeling on a charge of larceny, was yesterday committed to prison by the Mayor for further hearing.

HABEAS CORPUS.—Samuel R. Smith, on Friday aued out a writ of habeas corpus against the Sheriff and Jailor of Allegheny county, demanding to be released from an imprisonment to which he had been sentenced by the Mayor, for a violation of the act of 1851, commonly known as the Sunday law. John Mellon Esq., for the Relator. He contended

First—That the act of 1851 was unconstitutional, because it invested justices of the peace and Aldermen to fine defendants fifty dollars, and to commit for thirty days in default, without a trial by jury.

Second—That the Mayor had no jurisdiction; the act being penal, must be construed strictly, and Aldermen and justices of the peace, being the only persons named in the act, who could take cognizance of the offence, the Mayor had no power in the premises. Although the act of 1850 conferred the same powers on the Mayor as an Alderman of the city in criminal cases, still the fact of his not being named in this act would exclude him.

Several minor points relative to informalities in the conviction were raised, but Mr. Mellon relied principally upon the above two points.—The Court held their opinion over until yesterday, when they declined giving any opinion upon the constitutionality of the question but ordered the prisoner to be discharged on the ground of want of jurisdiction.

PAVING.—The Allegheny Street Commissioner is proceeding rapidly in the paving of Rebecca street.

ASSAULT AND BATTERY.—Eliza Graham yesterday laid an information before Alderman Parkinson against Edward Murphy, whom she accuses of assault and battery. He was committed in default of bail.

BRIDGE.—A new railroad bridge will soon be erected by the Ohio and Pennsylvania Railroad Company over the track opposite Mashall street, in Allegheny city, a short distance below the bridge over Ohio street.

DISORDERLY CONDUCT.—Wm Briggs was yesterday committed to prison by Mayor Fleming, charged, on oath of Elizabeth Rabe, with creating a disturbance.

James Anderson was committed to prison for ten days, yesterday, by Alderman Thompson, charged with being drunk and disorderly on the Sabbath. His wife, on a similar charge, was committed for two days.
