PITTSBURGH GAZETTE.

THE ARMIES OF EUROPE.—A late London paper says:—"We have very good authority for stating that in 1851 there were no fewer than 2,773,833 men under arms in Europe as regular soldiers, and if to this number be added the various corps of volunteers, national guards, &c. the aggregate would swell on to 3,000,000—the population of Europe was then estimated at 227,403,000. According to the usual ratio of calculation, one person out of every twenty of the adult and able male population of Europe was at that time a soldier. Besides this immense army, there was an aggregate fleet of 2763 vessels carrying 14,100 guns, and manned by at least 150,000 seamen.—We cannot compare these figures with any previous statements, but we feel warranted in asserting that never since the commencement of the peace movement, did the face of Europe present so belligerant an appearance."

A new edition is just published in Boston of the book entitled "The Richest Men of Massachusetts." It gives the reputed wealth of about 2000 men in solid, who are worth $100,000 or more, with brief sketches of the lives of nearly 1500 of them. The aggregate property of the men is put down at $284,689,000. Of the rich men, 24 are worth $1,500,000 or upwards. The leading wealthy class appears to be the mercantile, 875 of whom have a place in this curious book. The next wealthy class is the farmers, of whom there are 140

While in Egypt, I had frequently heard mention of the curious effects produced by *Assheesh* a preparation made from the *cannabis indica*. It is used by the Turks to throw them into an ecstacy, similar to that caused by opium, but is milder and less dangerous in its effects. On reaching Siout I took occasion to buy some, for the purpose of testing it. It was a sort of paste, made of the leaves of the plant, mixed with sugar and spices. The taste is aromatic and slightly pungent, but by no means disagreeable. About sunset, I took what Achmet considered to be a large dose, and waited half an hour without feeling the slightest effect. I then repeated it, and drank a cup of hot tea immediately afterward. In about ten minutes I became conscious of the gentlest and balmiest feeling of rest stealing over me. The couch on which I sat grew soft and yielding as air; my flesh was purged from all gross quality, and became a gossamer flagree of exquisite nerves, every one tingling with a sensation which was too dim and soft to be pleasure, but which resembled nothing else so nearly. No sum could have tempted me to move a finger. The slightest shock seemed enough to crush a structure so frail and delicate as I had become. I felt like one of those wonderful sprays of brittle spar which hang for ages in the unstirred air of a cavern, but are shivered to pieces by the breath of the first explorer.

As this sensation, which lasted but a short time, was gradually fading away, I found myself infected with a tendency to view the most common objects in a ridiculous light. Achmet sitting on one of the provision chests, as was his custom of an evening. I thought: was there anything so absurd as to see him sitting on that chest? and laughed immoderately at the idea.—The turban worn by the captain next put on such a quizzical appearance that I chuckled over it for some time. Of all turbans in the world it was the most ludicrous in the world. Various other things affected me in like manner, and at last it seemed to me that my eyes were increasing in breadth. "Achmet," I called out, "how is this! my eyes are precisely like two onions." This was my crowning piece of absurdity. I laughed so loud and long at the singular comparison I had made, that when I ceased from sheer weariness the effect was over. But on the following morning my eyes were much better, and I was able to write, for the first time in a week.—*Bayard Taylor.*

Elizabeth S. Layne, Jas. Layne, Annie Talbot, (late Annie Layne,) Fanny Layne, dec. Layne, Virginia Layne, Jr. Layne, Thomas Layne, Jr. Layne, and John Layne, heirs of George W. Layne, deceased, vs.

Brave de Partitions Fair Division and Partition Docket.

Allegheny County, ss.:

THE Commonwealth of Pennsylvania, To the Sheriff of Allegheny County, Greeting:

Whereas, Elizabeth S. Layne, James Layne, Annie Talbot, (late Annie Layne,) Fanny Layne, Virginia Layne, Jr. Layne, Thomas Layne, Jr. Layne, and John Layne, heirs of George W. Layne, deceased, by Wm. Young, deceased, were summoned to appear before the Court of Common Pleas of said County, to be holden at Pittsburgh, on the 4th Monday of January, 1852, to answer James W. Buchanan in a plea of partition, wherein the said Plaintiff and the said defendants, together with the widow of the said George W. Layne, deceased, are tenants in common, as to the undivided fourth part of a certain lot of ground, situate in Pitt Township, Allegheny County, Pennsylvania, and numbered in the plan of the Borough of Pittsburgh as No. 3 in the plan connected with the Record of Partition by and among the heirs and legal representatives of Francis Wilson; deceased, dated the 3d day of August, A. D. 1840, and recorded in Deed Book, Vol. 66, page 89, containing six rods in front, and sixty-two perches. And it was by such manner proceeded in our said Court that on the 26th day of January, A. D. 1852, it was considered and adjudged by said Court, that partition should be made between the said parties according to their respective rights.

Therefore, we command you, as before we did, that taking with you twelve honest and lawful men of your bailiwick, by whom the truth of the matter may be known, in your proper persons you go to and upon the premises, and make partition and have by their oaths aforesaid, by you to be named—if upon being so warned, they will be present, the parties aforesaid, or their attornments aforesaid, with the appurtenances, and of the tenements aforesaid, with the appurtenances, and of the rents and profits of the said parties, that to each and to every one his undivided half part of said premises, and the rents and profits thereof, you cause to be assigned and delivered, to hold to the said parties, their heirs and assigns, forever, as their several purparts, to them belonging and pertaining, of the lands and tenements aforesaid, so that they, the said plaintiff and defendants, may have and enjoy their several purparts, to them belonging and pertaining, of the lands and tenements aforesaid, in severalty of their respective purparts, and that you make and certify to our said Court at Pittsburgh, on the 4th Monday of April next, how you shall have executed this our writ.

But, if upon said partition or valuation and appraisement aforesaid cannot be so parted and divided without great prejudice to the whole, then we command you that you cause the longest to make a just valuation of the said tenements and premises, and the same, so valued and appraised, upon your oaths and affirmations, you do make known and certify to us in the several parties in our said Court, to appear, if they shall think fit, at the time and place in the said writ mentioned, and that the partition or valuations and appraisement which you shall so make, you distinctly and openly under your hand and seal, and the hands and seals of those by whom you shall make the same, send to the Judges of our District Court, at Pittsburgh, on the sixth Monday of July next. That at further day the said proceedings may be had as to the laws and justice shall appertain, and have you there this writ.

Witness, the Hon. W. Forward, President Judge of our said Court, at Pittsburgh, the 11th day of June, A. D., 1852.

The parties named and interested in the above writ, are hereby notified that the said writ will be executed on the premises therein described, on Monday, the 26th day of July, 1852, at 10 o'clock, A. M., when and where they may attend, if they think proper.

B. A. Fahnestock's Vermifuge.

THE safest and most effective remedy for Worms, in Children and Adults, that has ever been discovered. The following testimony of its good effects is offered. From R. R. W. Wistach, Druggist,

LAFAYETTE, Ind., Nov. 10, 1851.

Messrs. B. A. Fahnestock & Co., Gentlemen:—I have been engaged in the Drug Business for a number of years, and have known your Vermifuge since I have been in the business. In this vicinity it is very popular, and the sales are yearly increasing. Of all the various articles of Vermifuge in the market, none has so good a reputation as yours, and some maintains its character so well. I could multiply instances of the good effects resulting from its use, but presume such would be unnecessary. Several of our most respectable physicians use it in their practice here, and recommend it as a good and safe article for the expulsion of Worms from the system.

Yours, &c., R. R. W. WISTACH.

MEDICAL.

We daily hear of the most Astonishing Cures effected by that great and popular medicine,

H. G. Farrell's

CELEBRATED ARABIAN LINIMEN

THE greatest remedy ever discovered for almost all complaints requiring an external application, either in man or beast. In the short length of time it has been introduced to the people of the United States, it has gained a reputation unequalled by any other medicine in the known world. Why is it? The answer is plain: because no medicine of the kind has ever been put before the public so deserving of the high encomiums it has received, and it will continue to gain friends as long as it performs the most extraordinary cures of various diseases that daily occur in the doctors and all other remedies had failed. We do not only say that the genuine H. G. Farrell's Arabian Liniment can and does perform cures when no other medicine can do, but you have here certificates of what it has done:

Thaddeus Smith, of Mudd Creek, Tazewell county, Ill., says: "I had lost the use of my arm for more than a year, by Palsy or Paralysis—the flesh had entirely withered away, leaving nothing but skin, muscle and bone. I tried all the best doctors, and all the remedies I could hear of, but they did no good. I then commenced the use of H. G. Farrell's Arabian Liniment, and a few bottles entirely cured me, and my arm is now as strong and lively as the other. It is also first rate for burns, sprains and bruises."

Jeremiah Smith, of Mudd Creek, Tazewell county, Ill., says: "I had lost the use of my arm for more than a year, by Palsy or Paralysis—the flesh had entirely withered away, leaving nothing but skin, muscle and bone. I tried all the best doctors, and all the remedies I could hear of, but they did no good. I then commenced the use of H. G. Farrell's Arabian Liniment, and a few bottles entirely cured me, and my arm is now as strong and lively as the other. It is also first rate for burns, sprains and bruises."

The celebrated Dr. JAYNE, whose reputation as a leading factor to mankind extends over the whole world, says of it in the very best modern style, having Gas Burners and Bells in all the principal rooms, and a hot, cold and bath room—it is now occupied by the Rev. Goeshorn, as a Dwelling and Ladies' Seminary. Enquire of

The first Vein of Coal lies so near the river as to render a railroad unnecessary. The Splint Coal Vein is but a short distance from the pit to the boat. The property presents a front on the river of nearly a quarter of a mile, and the water is good at all seasons. The tract contains about 70 acres, and 45 will be sold to the miners on favorable purchasers. The property will be sold divided, or in whole lots, and presents a rare opportunity for a safe investment. Capitalists and Coal Operators will find it to their interest to call and examine it. Elizabeth S. Layne, Jas. Layne, Annie Talbot, (late Annie Layne,) Fanny Layne, dec. Layne, Virginia Layne, Jr. Layne, Thomas Layne, Jr. Layne, and John Layne, heirs of George W. Layne, deceased, vs.

Brave de Partitions Fair Division and Partition Docket.

Allegheny County, ss.:

THE Commonwealth of Pennsylvania, To the Sheriff of Allegheny County, Greeting:

Whereas, Elizabeth S. Layne, James Layne, Annie Talbot, (late Annie Layne,) Fanny Layne, Virginia Layne, Jr. Layne, Thomas Layne, Jr. Layne, and John Layne, heirs of George W. Layne, deceased, by Wm. Young, deceased, were summoned to appear before the Court of Common Pleas of said County, to be holden at Pittsburgh, on the 4th Monday of January, 1852, to answer James W. Buchanan in a plea of partition, wherein the said Plaintiff and the said defendants, together with the widow of the said George W. Layne, deceased, are tenants in common, as to the undivided fourth part of a certain lot of ground, situate in Pitt Township, Allegheny County, Pennsylvania, and numbered in the plan of the Borough of Pittsburgh as No. 3 in the plan connected with the Record of Partition by and among the heirs and legal representatives of Francis Wilson; deceased, dated the 3d day of August, A. D. 1840, and recorded in Deed Book, Vol. 66, page 89, containing six rods in front, and sixty-two perches. And it was by such manner proceeded in our said Court that on the 26th day of January, A. D. 1852, it was considered and adjudged by said Court, that partition should be made between the said parties according to their respective rights.

Therefore, we command you, as before we did, that taking with you twelve honest and lawful men of your bailiwick, by whom the truth of the matter may be known, in your proper persons you go to and upon the premises, and make partition and have by their oaths aforesaid, by you to be named—if upon being so warned, they will be present, the parties aforesaid, or their attornments aforesaid, with the appurtenances, and of the tenements aforesaid, with the appurtenances, and of the rents and profits of the said parties, that to each and to every one his undivided half part of said premises, and the rents and profits thereof, you cause to be assigned and delivered, to hold to the said parties, their heirs and assigns, forever, as their several purparts, to them belonging and pertaining, of the lands and tenements aforesaid, so that they, the said plaintiff and defendants, may have and enjoy their several purparts, to them belonging and pertaining, of the lands and tenements aforesaid, in severalty of their respective purparts, and that you make and certify to our said Court at Pittsburgh, on the 4th Monday of April next, how you shall have executed this our writ.

But, if upon said partition or valuation and appraisement aforesaid cannot be so parted and divided without great prejudice to the whole, then we command you that you cause the longest to make a just valuation of the said tenements and premises, and the same, so valued and appraised, upon your oaths and affirmations, you do make known and certify to us in the several parties in our said Court, to appear, if they shall think fit, at the time and place in the said writ mentioned, and that the partition or valuations and appraisement which you shall so make, you distinctly and openly under your hand and seal, and the hands and seals of those by whom you shall make the same, send to the Judges of our District Court, at Pittsburgh, on the sixth Monday of July next. That at further day the said proceedings may be had as to the laws and justice shall appertain, and have you there this writ.

Witness, the Hon. W. Forward, President Judge of our said Court, at Pittsburgh, the 11th day of June, A. D., 1852.

The parties named and interested in the above writ, are hereby notified that the said writ will be executed on the premises therein described, on Monday, the 26th day of July, 1852, at 10 o'clock, A. M., when and where they may attend, if they think proper.

B. A. Fahnestock's Vermifuge.

THE safest and most effective remedy for Worms, in Children and Adults, that has ever been discovered. The following testimony of its good effects is offered. From R. R. W. Wistach, Druggist,

LAFAYETTE, Ind., Nov. 10, 1851.

Messrs. B. A. Fahnestock & Co., Gentlemen:—I have been engaged in the Drug Business for a number of years, and have known your Vermifuge since I have been in the business. In this vicinity it is very popular, and the sales are yearly increasing. Of all the various articles of Vermifuge in the market, none has so good a reputation as yours, and some maintains its character so well. I could multiply instances of the good effects resulting from its use, but presume such would be unnecessary. Several of our most respectable physicians use it in their practice here, and recommend it as a good and safe article for the expulsion of Worms from the system.

Yours, &c., R. R. W. WILSTACH.

MEDICAL.

We daily hear of the most Astonishing Cures effected by that great and popular medicine,

H. G. Farrell's

CELEBRATED ARABIAN LINIMEN

THE greatest remedy ever discovered for almost all complaints requiring an external application, either in man or beast. In the short length of time it has been introduced to the people of the United States, it has gained a reputation unequalled by any other medicine in the known world. Why is it? The answer is plain: because no medicine of the kind has ever been put before the public so deserving of the high encomiums it has received, and it will continue to gain friends as long as it performs the most extraordinary cures of various diseases that daily occur in the doctors and all other remedies
