B. A. Fahnestock's Vermifuge.

THE safest and most effective remedy for Worms, in Children and Adults, that has ever been discovered. The following testimony of its good effects is offered. From B. E. W. Wintsch, Druggist,
Lafayette, Ind., Nov. 10, 1851.
Messrs. B. A. Fahnestock & Co., Gents:—I have been engaged in the Drug Business for a number of years, and have known your Vermifuge since I have been in the business. In this vicinity it is very popular, and the sales are yearly increasing. Of all the various articles of Vermifuge in the market, none has so good a reputation in our county, and none maintains its character so uniformly. I positively instanced the cure of a child, which, from all appearance, must have died, but for the use of your Vermifuge. Other cases of equal importance could be mentioned, but I presume such would be unnecessary.
Your most respectable physicians use it in their practice, and recommend it to their friends, and add credit to the expulsion of Worms from the system.
Yours, &c., B. E. W. WINTSCH.
Prepared and sold by B. A. FAHNESTOCK & CO., corner Wood and First streets, Pittsburgh.

MEDICAL.

We daily hear of the most Astonishing Cures be effected by that great and popular medicine,

R. G. Farrell's

CELEBRATED ARABIAN LINIMEN

THE greatest remedy ever discovered for almost all complaints requiring an external application, either in man or beast. In the short length of time it has been introduced to the people of the United States, it has gained a reputation unequalled by any other medicine in the known world. Why is it? The answer is plain: because no medicine of the kind has ever been put before the public on account of its many salutaries it has acquired; and it will continue to gain friendship as long as perform'd. Its good qualities will impose the GREATEST witness upon you for the genuine, but attempt not to use R. G. Farrell's Arabian Liniment, and take no other, as the genuine always has the letters R. G. before Farrell's name blown in the glass bottle. Sold by J. KEATS, and by druggists generally, Pittsburgh.
Agents wanted in every Town, Village and Hamlet in the United States, in which one is not established. Apply by letter to R. G. Farrell, Peoria, Ill., and you will receive prompt attention, character, responsibility, &c.

Beware of Counterfeits.

TO GUARD AGAINST IMPOSITION, READ THE FOLLOWING CAREFULLY.

The Public are particularly cautioned against a fictitious article which has lately appeared, and is now called by the Impostor who makes it "W. F. Farrell's Arabian Liniment," which is a dangerous fraud and more liable to deceive from his having the name of R. G. Farrell in a similar manner to call for it by its name "Farrell's Liniment," for no druggist dealers will impose the GENUINE witness upon you for the genuine, but attempt not to use R. G. Farrell's Arabian Liniment, and take no other, as the genuine always has the letters R. G. before Farrell's name blown in the glass bottle. Sold by J. KEATS, and by druggists generally, Pittsburgh.

The best Remedy ever known to Man.

Coughs, Asthma Colds, Croup, Bronchitis, Influenza, Wooping Cough, Difficulty of Breathing, Pain in the Side, Affections, Pain or weakness in the breast or side, First stages of Consumption, &c.

Dr. Jayne, this physician is peculiarly adapted to every stage of the Lungs and Liver, which is produced in our ever varying climate.

WILD CHERRY HAS LONG BEEN known to possess important medicinal properties. This fact is familiar to almost all persons in our land, and physicians often prescribe it in a variety of forms for different complaints. Yet, alas has been equally noted for its virtues, and many physicians, whose names are familiar to the country, have gone so far as to declare that even CONSUMPTION could be cured by that alone. In the above bottle, which it was nearly valueless, owing no doubt, to their ignorance in the mode of administering it—a difficulty now entirely obviated by patient experiment and long experience.

The extraordinary and vital qualities of these two such stances are now, for the first time, combined and embodied in Dr. Wistar's Balsam of Wild Cherry. By a simple process, every ingredient is extracted, so that what remains is a pure, mild and truly efficacious remedy, all of which is combined in a manner that will preserve every thing known to be of any value in medicine, and reject every thing that is worthless. Hence it is that we prefer to a few cases of cures performed by this wonderful medicine.

ANOTHER ASTONISHING CURE.

E. Kalb, a highly respectable merchant of Rushville, Fairfield county, Ohio, sent us the following voluntary tribute to "Dr. Wistar's Balsam of Wild Cherry."

Rushville, Fairfield Co., Ohio, April 6, 1851.
Mr. J. D. Park—Dear Sir—I feel it my duty to say that my daughter, Amanda, aged sixteen years, had been for a year sick, a very great part of the time confined to her bed, for very nearly and left her with a hacking cough. She had employed the physicians within our reach for the purpose of removing her cough, but they had entirely failed to relieve her from the distressing pain in the side, with every symptom of consumption.
I then tried "Dr. Rogers' Liverwort and Tar." But that also proved to be entirely useless. Her symptoms were still more malignant character. She was now most seriously alarmed, and I was then induced to try "Wistar's Balsam of Wild Cherry." I procured a bottle and gave it to her, and to day, was the progress of that insatiable disease, consumption, I should have considered decidedly in recovery. But I providentially saw the certificate of Mr. Hoover, of Somerset, Perry county, and Jane, executor of consumption, by Wistar's Balsam of Wild Cherry. I procured a bottle of that it might help my daughter, and I immediately commenced using it, and I almost instantly found relief, her breath was improved from the first bottle, and by the use of three bottles she was entirely relieved. I am sorry she was restored to perfect health, and she is not now troubled with a cough.
I will say to all that are afflicted with any disease tending to consumption, that they should give "Wistar's Balsam of Wild Cherry will cure you. If you will try it.
E. KALB.

Pleasant Hill, Ham. county, O., May 20, 1850.
J. D. Park—Dear Sir—I take the liberty of advising you of the benefit I have derived from the use of Dr. Wistar's Balsam of Wild Cherry.
I had a violent cough, which settled on my lungs. The attack was truly horrifying to me. My friends (not knowing what my disease was) had died of consumption. I was confined with severe pain in my breast and lungs. I had a distressing cough, and expectorated a great deal of matter. I was induced to procure a bottle of your Balsam of Wild Cherry, which I took. I then commenced the use of R. G. Farrell's Arabian Liniment, and a few bottles entirely cured me, and my arm is now as strong and lively as the other. It is also first rate for burns, sprains and bruises.

The celebrated Dr. JAYNE, whose reputation as a benefactor to mankind extends over the whole world, reports that a lady of one of the first families in Philadelphia had been troubled with a cough fourteen years with rheumatism, and was cured by H. G. Farrell's Arabian Liniment. He also says my dear friend, your liniment is going rapidly; send me a supply immediately by Leedy's fast line.

My daughter, when six months old, was taken with a swelling in the knuckle, which grew larger and larger, till when six years old she had a large lump. She was lame, and feeble and healthy as could be desired. Your liniment is the best in use for sprains, bruises, cuts, burns, headache, &c., and it will remove the most severe pain in a few minutes. It also cured caked udder in my cow in a few days. GEORGE FORD.
Peoria, March 30, 1849.

Mr. H. G. FARRELL: Your Arabian Liniment is the great est medicine for bone flesh in the world. I had a sore that about to foul, when she became so helpless that she could not rise from the ground; she was in this way for several days, when, with several others, I succeeded in getting her up, which was the only way it could be done, when I commenced the use of your liniment, and after using about a bottle over the joint, and, astonishing as it may appear, before a bottle was gone she could walk by herself. She is now as well and walk herself. I would not have given ten dollars for the sore, and I am satisfied I have saved one hundred dollars by using your liniment. I will say to all that are afflicted with any disease tending to consumption, that they should give "Wistar's Balsam of Wild Cherry will cure you. If you will try it.
E. KALB.

J. D. PARK—Dear Sir—I take the liberty of advising you of the benefit I have derived from the use of Dr. Wistar's Balsam of Wild Cherry.
I had a violent cough, which settled on my lungs. The attack was truly horrifying to me. My friends (not knowing what my disease was) had died of consumption. I was confined with severe pain in my breast and lungs. I had a distressing cough, and expectorated a great deal of matter. I was induced to procure a bottle of your Balsam of Wild Cherry, which I took. I then commenced the use of R. G. Farrell's Arabian Liniment, and a few bottles entirely cured me, and my arm is now as strong and lively as the other. It is also first rate for burns, sprains and bruises.
