1867-THE only genuine soap, (it should be remembered) is prepared by P. S. Cleaver, the original interesting and the builted States, who are known and actually a submitted as such. It is important that public attention should be called to this fact, particularly when it is known in that the proprietor can with difficulty meet the great and increasing demands for the article, which circumstance is calculated to invite importance and devites the public. THE BETURE -Captalp William Stoops THE BETURN Captain William Stoofs in just getting ready for the trade, as fine a stern wheel boat, under the above/name, as we have seen for some time. The hult was built by Mc. Fall & Co., at California. It is 165 feet in length, with 23 feet beam and 51 feet hold. The cabin is by Mason & Bunting, and is to be similar to that of the Pittsburg.

Her engines are by Presson & Wagnor. She carries 3 boilen 24 feet loog by 36 inches in diameter. Her opinders are 165 inches with 41 feet stroke. The general strangement of the cabins is in the most improved style, and nothing seems left undone to rerder it a tip top boat of her class. She will enter the trade in a few days.
