PITTSBURGH GAZETTE.

THE HOMESTEAD LAW OF ILLINOIS, which protected the head of every family in the possession of a homestead from execution, to the value of $1,000, was repealed by the called Legislature which has just adjourned.

N. H. Crist, convicted of murder at Mobile, has been sentenced to be hung on the 23 of September. His counsel, however, has applied for a new trial.

THE NOTED CALIFORNIA INDIAN CHIEF, BAPTISTE, while intoxicated at a feast, lately drew his sword and plunged it into the body of his wife, killing her instantly. Next day her body was burned upon a funeral pile, with all her effects, even to some gold dust she had collected the day before.

INCRUSTATIONS IN STEAM BOILERS.—A patent has been granted in England to T. Ashworth, of Bristol, for a compound whose object is to prevent incrustations in new boilers and to loosen them in old ones. It should be introduced in the boiler twice a week, in the proportion of a gallon for each thirty horse power. The compound is prepared by mixing intimately 32 gallons of coal tar, 21 gallons of linseed water, 6 lbs. of pulverized black lead, and 8 lbs. of Castile soap. Linseed water is prepared by boiling 14 lbs of seed in 21 gallons of water and removing the seed. The mixture is of a creamy consistence.

ROSIN.—Rosin, it is established, when mixed with its own bulk of spermaceti oil, will insure a saving of three-eighths of the quantity of the latter, and requires one-half less power to drive heavy machinery. The Lowell mills have fully tested it. Light machinery, however, requires more power when rosin and sperm oil are used instead of the pure sperm. This is an important discovery, and will tend, we hope, to reduce the present high price of oil.

R. A. Fahnestock's Vermifuge.

THE safest and most effective remedy for Worms, in Children and Adults, that has ever been discovered. The following testimony of its good effects is offered. From R. B. Whitsell, Proprietor,

LAFAYETTE, Ind., Nov. 10, 1851.

MESSRS. R. A. FAHNESTOCK & CO.—Dear Sirs—I have been engaged in the Drug Business for a number of years, and have known your Vermifuge since I have been in the business. In this vicinity it is very popular, and the sales are yearly increasing. Of all the various articles of mifuge in the market, none has so good a reputation as yours, and none substitute it in its place. In all the multifly instances of the good effects resulting from its use, but presume one will be unnecessary. Several of our most respectable physicians use it in their practice, and recommend it as a good and safe article for the expulsion of Worms from the system.

Yours, &c., R. B. WHITSELL.

MEDICAL.

We daily hear of the most Astonishing Cures be effected by that great and popular medicine,

H. G. Farrell's

CELEBRATED ARABIAN LINIMEN

THE greatest remedy ever discovered for almost all complaints requiring an external application, either in man or beast. In the short length of time it has been introduced to the people of the United States it has gained a reputation unequalled by any other medicine in the known world. Why is it? The answer is plain: because no medicine of the kind has ever been put before the public so deserving of the rich laurels it has acquired; and it will continue to gain friends as long as it performs the most extraordinary cures of various diseases, as the following certificates of Farrell's Arabian Liniment will prove.

Read what Big Swickley Creek, fifteen miles below Allegheny City, says:

Swickley Creek, Allegheny Co., Pa., June 15, 1852.

The Public are particularly cautioned against a base counterfeit, which has lately appeared in appearance and is called by the imposter a mixture of "Wm. Farrell's Arabian Liniment." This is a dangerous fraud and more liable to deceive from his bearing the name of Farrell. The public is particular never to call for it by the name "Farrell's Liniment," for no person can procure Farrell's Liniment but from Young sincere upon you for the genuine, but counterfeit, for H. G. Farrell's Arabian Liniment, and see that you get the genuine—always has the letters H. G. before Farrell's name. The genuine is also on the outside wrapper of the bottle, wrote blown in the glass bottle—H. G. Farrell's Arabian Liniment.

AGENTS wanted in every Town, Village and Hamlet in the United States where one is not established. Apply by letter to H. G. Farrell, Pittsburgh, Pa., or to any of the following Druggists, Storekeepers, &c., who are duly authorized to sell Farrell's Liniment, for the benefit of the afflicted:

Place—25 cents, 50 cents and one dollar per bottle. Directions for use accompanying each bottle, which, if carefully followed, will never fail to effect a cure.

Sold by JOHN SWEL,
Inventor and proprietor, and wholesale and retail druggist, corner of Liberty and Wayne sts., Pittsburgh.
Sold also by R. E. SELLERS, 75 Wood street.
jy29 No. 6 Wood street.

The best Remedy ever known to Man

Coughs, and the Colds, Croup, Bronchitis, Influenza, Wooping Cough of the Lungs, Spitting of Blood, Shortness, Liver complaint, Pain or weakness in the breast or side. First stages of Consumption, &c.

In short, the Balsam is peculiarly adapted to every disease of the Lungs and Liver, which is produced in our own climate.

WILD CHERRY HAS LONG BEEN known to possess important medicinal properties. This fact is familiar to every person in the country, and physicians often prescribe it in a variety of forms for different complaints. Tar, also has been equally noted for its virtues, and some physicians have names are familiar to the country, have gone so far as to declare that with a red heart I returned home with her, when she became so much worse that the doctors had to be called in again; they did so, and gave it up. All cured he cut off, as there was no means of giving relief.

My daughter, when six months old, was taken with a swelling in the bowels, which soon grew larger and larger, till she was four years old she had great difficulty in swallowing her food. Every spring it would swell, and she was almost suffocated. The best doctors attended her, but could give her no relief. I took her to Cincinnati, thinking change of air might do her good, but they said there was no help for her but to outgrow it. With a sad heart I returned home with her, when she became so much worse that the doctors had to be called in again; they did so, and gave it up. All cured he cut off, as there was no means of giving relief.

My wife and myself determined to try your liniment, which I procured of Mr. Hanna, Druggist, Cincinnati, and after two applications, and by a continuance of it for a few days, she entirely recovered. She is now 10 years old, and never has had any return of the disease. Your liniment is the best in use for sprains, bruises, cuts, burns, headache, rheumatism, &c. I will recommend it wherever I go, as I know it to be a sure cure. It also cured caked udder in my cows in a few days.

GEORGE FORD.
INDIANA, March 20, 1849.

MR. H. G. FARRELL: Your Arabian Liniment is the great est medicine for horse flesh in the world. I had a mare about to foal, when one morning she was so helpless that she could not rise from the ground; she was in this way for several days, when, at last, I was induced to try your liniment, which did the only way it could be done, when I got her on her feet. By the use of your liniment she was well over the loins, and, astonishing as it may seem, in two days I was able to lead the colt by her side, she was able to put up and walk her self. I would not have given two cents for her before, and many advised me to shoot her, but I am not a man to give up a horse for dead, and I suppose it was a stubborn fit with her.

PENDLETON, Ill., July 1, 1850.

I had a mare about to foal, when one morning she was so helpless that she could not rise from the ground; she was in this way for several days, when, at last, I was induced to try your liniment, which did the only way it could be done, when I got her on her feet. By the use of your liniment she was well over the loins, and, astonishing as it may seem, in two days I was able to lead the colt by her side, she was able to put up and walk her self. I would not have given two cents for her before, and many advised me to shoot her, but I am not a man to give up a horse for dead, and I suppose it was a stubborn fit with her.

ANOTHER ASTONISHING CURE.

E. Rath, a highly respectable merchant of Rushville, Fairfield county, Ohio, sent us the following voluntary tribute to "Dr. Wistar's Balsam of Wild Cherry."

RUSHVILLE, Fairfield Co., Ohio, April 6, 1851.

MR. J. D. PARK—Dear Sir—I was induced to try your Wistar's Balsam of Wild Cherry, for a bad cough with which I was afflicted, after having tried many remedies, which proved entirely ineffectual. I am happy to say that I received all the physicians within our reach for the benefit of a remedy for my complaint, but without success. I was supposed to be sinking into a decline, with every symptom of consumption.

I then tried "Dr. Rogers' Liverwort and Tar." But still my cough continued, and I was reduced to a skeleton. I still more malignant character. I was confined to my bed, and was given up by my friends. I was told by a friend to try your Wistar's Balsam of Wild Cherry. I had no confidence in it, but providentially saw the certificate of some three or four persons who had been cured of consumption by the use of it. I procured a bottle, and before I had taken half of it I was able to sit up, and with the use of two bottles I was entirely restored to health, and can truly say that I am now in the enjoyment of better health than I have for years.

I would not have given two cents for a dozen bottles before I had taken it, but now I would not take a hundred dollars for the benefit I have received from it. I will say to all that are afflicted with any disease inducing to consumption, do not delay, but try Wistar's Balsam of Wild Cherry and cure you, if you will but try it.

E. RATH.

PLEASANT HILL, Ham. county, O., Sept. 20, 1850.

J. D. PARK—Dear Sir—I take the liberty of advising you of the wonderful cures this has been effected by my lady's Balsam of Wild Cherry. I was prostrated by the most violent consumption in May last. The attack was truly horrifying to me, for I had seen my father, brothers and sisters[illegible] had died of consumption. I was attended by the best doctors, and all the remedies I could hear of, but they did no good. I then commenced the use of H. G. Farrell's Arabian Liniment, and a few bottles entirely cured me, and I my arm is now as strong and fleshy as the other. It is also first rate for burns, sprains and bruises.

The celebrated Dr. JAYNE, whose reputation as a benefactor to mankind extends over the whole world, reports that a lady in Philadelphia, who for years past had been confined to her bed fourteen years with rheumatism and scrofula, and a cripple for life, was restored to perfect health and strength by the use of Dr. Jayne's Sanative. Any one who will purchase of Dr. Jayne's Sanative, and take it according to the directions, will be cured of Rheumatism, Scrofula, Erysipelas, Liver complaint, Dyspepsia, Salt Rheum, Fever and Ague, and all diseases arising from a disordered state of the stomach, blood or liver. Dr. Jayne's Sanative is a vegetable preparation, and contains no mercury or other mineral.
