# PITTSBURGH GAZETTE.

SOME FEW WEEKS AGO, I strolled into a friend's counting room. As I being absent I commenced a chat with his clerk, when a good looking curly headed urchin entered, doffed his hat hastily and said:

"Mas' Bob, can you len' me a quarter till this A'ternoon, and I pay him when I come?"

Mas' Bob supplied his darkey to the best pocket but it made no sign. "I cannot."

"Well, Buck, you look tolerable honest, but as I don't know you, if you will give me security, I'll lend you the quarter."

His eye brightened as he asked——

"Mas' Bob will go my s'curity?"

"Yes," replied Bob.

I forked over. Some time afterwards Buck met the same way. As I was about to enter the office, the identical Buck stood before me.

"Buck wher's my quarter? You didn't pay me as you promised."

"No, sah! but I got you s'curity.

"Well, but I want you to pay me—I lent you the quarter."

"That's true, sah, but am' the custom down here to 'sault de s'curity fust."

I left.—*Spirit of the Times.*

SPIRIT RAPPINGS.—We learn by the Opal, published by the inmates of the State Lunatic Asylum, at Utica, New York, that there are in that refuge at present 14 persons, whose insanity is ascribed to this source.

**R. A. Fahnestock's Vermifuge.**

THE safest and most effective remedy for Worms, in Children and Adults, that has ever been discovered. The following testimony of its good effects is offered.—From R. R. W. Wilbrech, Druggist.
LAFAYETTE, Ind., Nov. 10, 1851.
MESSRS. R. A. FAHNESTOCK & CO., Gents:—I have been engaged in the Drug Business for a number of years, and have known your Vermifuge since I have been in the business, and in this vicinity it is very popular, and sales are yearly increasing. Of all the various articles of Vermifuge in the market, none has so good a reputation as yours, and none maintains the reputation so well. I have multiply instances of the good effects resulting from its use, but presume such would be unnecessary, as many of our most respectable physicians use it in their practice here, and recommend it as a good and safe article for the expulsion of Worms from the system.
Yours, &c.,

# MEDICAL.

*We daily hear of the most Astonishing Cures to be effected by that great and popular medicine,*

**H. G. Farrell's**

**ORLEBRATED ARABIAN LINIMEN**

THE greatest remedy ever discovered for either all complaints requiring an external applies by, either in man or beast, in the short length of time it has been introduced to the people of the United States; it has gained a reputation unequalled by any other medicine in the known world. Why is it? The answer is plain: because no medicine of the kind has ever been put before the public so universal, of the same purity, and so sculed; and it will continue to gain friends as long as it performs the most extraordinary cures of various descriptions that the doctors of the Middle Ages ever dreamed of. We do not only say that the genuine H. G. Farrell's Arabian Liniment is cure and took before cure, which we offer medicine, can do, but you have here certificates of what it is possible.

Thaddeus Smith, of Mudd Creek, Tazewell county, Ill., says: "I had lost the use of my arm for more than a year, by Palsy or Paralysis; the flesh had entirely withered away, leaving nothing but skin, muscle and bone. I tried all the best doctors, and all the remedies I could hear of, but they did no good. I then commenced the use of H. G. Farrell's Arabian Liniment, and a few bottles entirely cured me, and my arm is now as strong and flesh as the other. It is also first rate for burns, sprains and bruises.

The celebrated Dr. JAYNE, whose reputation as a benefactor to mankind is extended over the whole world, says that a lady or one of the first families in Philadelphia have been cured of Deafness by the use of his Liniment, and was cured by H. G. Farrell's Arabian Liniment. He also says: 'Your Liniment is going rapidly; send me a supply immediately.' Dr. JAYNE'S Agent.
JOHN ANSTEDT,
PHILADELPHIA.

My daughter, when six months old, was taken with a swelling in the tonsils, which grew larger and larger, till when six years old she had great difficulty in swallowing her food. Every night when she went to bed she would suffocate. The best doctors attended her, but could give no relief. I took her to the most celebrated doctor in the east, they said there was no help for her but to undergo the operation. I heard of H. G. Farrell's Liniment, and became so much worse that the doctors had to be called in again; they decided the tonsils must be cut off, as the only means of saving her life. I then turned to her, rubbed the tonsils and she determined to try your liniment, which I am happy to say proved applicable in her case, for she was entirely recovered. She is now 10 years old, and healthy as could be desired. Your liniment is the best in use for internal complaints. Yours respectfully,
GEORGE FORD.
PHILADELPHIA, March 20, 1849.

Mr. H. G. FARRELL: Your Arabian Liniment is the great est medicine for horse flesh in the world. I had a mare about to foal, when she became so helpless that she could not rise from the ground; she was in the way for several days, when, with seven others, I was engaged in raising her up, which was the only way it could be done, when I commenced the use of your liniment. I rubbed her well all over the loins, and, astonishing as it may appear, before I had got out of sight she got up on her feet. I rubbed her a second time, and she was able to get up and down without assistance. I would not take fifty dollars for her before, and many advised me to shoot her to get her out of misery; she is now one of my best mares, and I suppose it was a strain in the loins. G. W. HUNT.
PEORIA, Ill., July 1, 1849.

**B. A. Fahnestock's Vermifuge.**

THE safest and most effective remedy for Worms, in Children and Adults, that has ever been discovered. The following testimony of its good effects is offered.—From R. R. W. Wilbrech, Druggist.
LAFAYETTE, Ind., Nov. 10, 1851.
MESSRS. R. A. FAHNESTOCK & CO., Gents:—I have been engaged in the Drug Business for a number of years, and have known your Vermifuge since I have been in the business, and in this vicinity it is very popular, and sales are yearly increasing. Of all the various articles of Vermifuge in the market, none has so good a reputation as yours, and none maintains the reputation so well. I have multiply instances of the good effects resulting from its use, but presume such would be unnecessary, as many of our most respectable physicians use it in their practice here, and recommend it as a good and safe article for the expulsion of Worms from the system.
Yours, &c.,
R. R. W. WILBRECH.
