

the patriotic joy of placing in the White Ho the Nation's favorite, and of securing the suc The National Intelligencer doubts the truth of

the reports that Captain Marcy and his command of eighty men had been mussacred by the Camanohes. The Intelligencer thinks that the meagreness of the account, and its not giving the date, place, and other important particular ment. It likewise states that a large body of immigrants had joined Captain Marcy, for the of immigrants had joined Captain hisroy, for the chenefit of his protection, as far as his march should extend. They left Fort Smith on the 20th of April, while the news from New Orleans is dated the 26th July, and it would have taken Captain Marcy was attacked before the emigrating parties left him, their combined force would thinks, for any number of Camanche hows and arrows; and if afterwards; we doubt if there was time for the news of so distant an event to have made its way through the wilderness to For Smith. Upon these data, imperfect as they are

meet the files City pert week. The place has not been designated, but we presume it will be held in some of our largest halls. Many of the notabilities of the party are expected to be presented of the perty are expected to be presented in some of our largest halls. Many of the notabilities of the party are expected to be presented in the Messrs. Allen, of Mass., Durkee, of Witchnelling and Townseand, of Ohio, have eignified their intention to attend the Convention; and Summer, Hale, Chase, and other distinguished Free Soilers, are also expected. Typics delegates from the slave State of Kentucky have been already chosen, and several from Maryland. We expect the city will be crowled, and rooms at our hotels have already been secured in advance. Our citizens will reduce a catertain the Convention with kindness and hearty hospitality, atthough we intend to roll up a tremendous majority for old Chip We conversed yesterday with an active, intelligent, FMing of this city, just returned from Tenessees. He assures us that Pierce and King will certainly carry that State. Tennessee will not go for Scott. He also informs us that he saw Gov. Jones, and was informed by that genitiment that he would not take any part in the present campalgu.—Mixtural Democrat.

Paragraphs like the above are continually going the rounds among Democratic papers. But with the one just queeted. Look at the last clause in it. Gov. Jones and was informed by that genitiment of the party and the present campalgu.—Mixtural defease it shell rend-such is the case with the one just queeted. Look at the last clause in it. Gov. Jones and was informed by that genitiment of the party and the present campalgu.—Mixtural defease of their untrult defease their end—such is the case with the one just queeted. Look at the last clause in it. Gov. Jones and was informed by that genitiment of the party of the Ashburton treaty, which provides that criminals energing from either of the respective our for trial, according to the tenth article of the case with the one jus

Jones not support Scott? That the 'intelligent young Whig' was not at the Whig Baltimore Convention, nor at the New York Ratification and always are protected by the nation into whose territory they have escaped. On this Kaine's Steam dredge, soows, &c., for Lake Eric territory they have escaped. On this Kaine's Harbors, and steam dredge for Lake Ontario,

Mr. Rufus Porter, who is building an air ship The fibrous material for the float and saloon "The norous material for the float and saloon his been all varnished, and the evering and mailing up the float are now in progress, and we may have, it ready for inflation in two weeks.—
The frame work of the saloon and the longitudinal rods for the float are ready to be set up.—
The engine and boilers are only waiting for the branch."

Thomas Kaine, the prisoner is a native of Ireland, and is a resident but not a citizen of the
United States, he having been in this country
best designated, but we presume it will be held
in some of our largest halls. Many of the notabilities of the parts are expected to be presument of the parts are expected.

The Messra. Allen, of Mass., Darkee, of Witconsin; Giddings and Townsend, of Ohio, have
eignified their intention to attend the Convention; and Summer, Hale, Chase, and other distion; and Summer, Hale, Chase, and othe

seasily seen.

First.—The valuable Flouring Mill of Mr. W. do not deep that he committed the crime refer-C. Murray, of Tomlinson's Run, Hancock Co., red to in a preceeding peragraph, but they are local to getter with the contents. The origin of the fire is not known. The property was inspected. orgener with the contents. The origin of the a political offence, inasmuch as Kaine was at the fire is not known. The property was insured at time a member of a certain political club, form-the Branch "State Industal Insurance Co., in this City for \$2,000—which will but partially cover the loss.

As a member of this code to certain demand. As a member of this code to certain demand. r holders in Ireland, and compelling them to accept the first of the compelling them to accept the compelling them to accept to certain demands. As a member of this club, and by the direction of its members, he committed the crime with which he is charged.

Besides this they argue that the outrages on landholders, which were so frequent at that time land lidered are so, still, was a strictly political movement got up for the purpose pursoes of the maple revenues of the Government; for use the side of the sutherity of the landholf-ful and necessary objects of improvement clearing within the companion of the sutherity of the landholf-law within the companion of the fact, which were considerable water of money and the sutherity of the landholf-ful and necessary objects of improvement clearing the first own of the sutherity of the landholf-law within the companion of the fact, which were continuous or in psint of expedition and expense than that from that there is no charge for insurance on the Lake or the lines this side of the facts, may save and in taking proper notice of the facts, may save the form the first cook for the interior market.—North Mr. Rufus Porter, who is building an air ship by subscription in Washington, says in his last semi-monthly report to the stockholders:

Semi-monthly report to the stockholders:

\$1,550,590

movement got up for the suppose of the landhoffthrewing off the authority of the landhoffers.
