done all in their power for the accommodation of all, but the density of the crowd rendered their endeavors vain.

At half past ten o'clock, the Canvention was called to order by Mr. Lawis, of Ohlo, who arose to explain one or two matters which devolved upon him as Chairman of the Committee appointed to call a Coavention of the friends of firedom together, at some time and place which he might select, in order to nominate condicates for the Presidency and Vice Presidency of the United States. So far as the members of the Convention at Cleveland, by whom the Committee of which he was Chairman, had been appointed, and at far as the members of that Committee of which he was Chairman, had been appointed, and at far as the members of the Convention at Cleveland, by whom the Committee of which he was Chairman, had been appointed, and at far as the members of the Convention to a confidency of the United States.

The motion was withdrawn.

It was moved that the resolutions relative to the committee on resolutions when the duty of assigning seals to the several delogations of the Convention were soon comfortably seated.

A motion to adjourn was made and lost. It was moved that the resolution, relative to the committee or resolutions when the duty of assigning seals to the several delogations of the Convention were soon comfortably seated.

A motion to adjourn was made and lost. It was moved that the resolution, relative to the committee or resolutions should be taken up. L.) had furnished him with an abstract of all the prior proceedings, and under them the call had been issued in the form in which it was, providing for the time and place as established. He, (the speaker,) knew that it was never in-tended that the feelings of any anti slavery man tended that the feelings of any anti slavery man should be wounded by the call, or that the cold a shoulder should be turned to them. Circumstances which he could not now account for, had led to all the arrangements being made as they were at present, and he was glad, without occupying their time more than was necessary, to say that he saw here representatives of many bodies, who had been found in the thickest of the fight, and nover allowed the liberty standard to trail in the dust, (Cheers.) He saw there Dr. Lemoyre, of Pennsylvania, (applause;) the Hon. Mr. Dorkee, of Winconsin, was present, (cheers;) Mr. Giddlings, of Ohio, was there, (loud applause.) He saw the venerable form of Lewis Tappan, of New York, (spilause.) Among them was that great man, with a heart as big as all

planac.) He saw the venerable form of Lewis Tappan, of New York, (spilause.) Among them was that great man, with a heart as big as all creation, Garret Smith. (Applause.) There were hundreds and thousands of distinguished men present: but the time forbade him to mention their names. They would allow him as Chairman of the Committee, to say that the States were represented from Maine to Wisconsin.—They had deliegates in attendance from Slave States, who had assembled amid many difficulties and much inconvenience. He trastact that was that great man, with a heart as big as all creation, Garret Smith. (Applause) There were hundreds and thousands of distinguished men present: but the time forbade him to meation their names. They would allow him as Chairman of the Committee, to say that the States were represented from Maine to Wisconsin—
They had delegates in attendance from Slave States, who had nesembled amid many difficulties, and mpch inconvenience. He trusted that the explanation which he had given, would be satisfactory to all. The Convention at Cleveland had called this Convention, and all their measures had been adopted with a view of bringing into fraternization all the various subdivisious of the parties who had been in the habit of voting the ainti slavery ticket, throughout the United States. Vermont—M. M. Davis.
New York—Gerrit Smith.

APTERNOON SESSION.

Mr. Lawis nominated Judge Spaulding, of Ohio, as temporary chairman.

That gentleman was unanimously elected, and took his seat amid loud cheers.

Lawis took great pleasure in introducing to his fellow editices of the United States, Judge Spaulding, of Ohio, as frue a man to the principles of liberty as even lived.

Judge Spaulding, of Ohio, as frue a man to the principles of liberty as even lived.

Judge Spaulding in the Chair

The Convention was called to order.

A member of the committee of finance as a long through the station to which your kindness has called me, since I believe that any place assigned to an individual by a body of men assembled to conference on the great rights of man, will be found to be on the great rights of man, will be found to be.

a post, not only of duty, but of honor.
Mr. Вооти, of the Milwaukie, Wisconsin
True Democrat, was, on motion, elected tempo

from the throne of Divine Grace. He would call upon the Rev. Dr. Nevin to open the session with prayer, if there were no objections.

The chairman said that the suggestion was one of such manifest propriety that he would refrain from putting the question.

The Rev. Dr. Nevin then opened the meeting with pressions. The Ray. M. ...
with prayer.
On motion, it was
Resolved, That a committee composed of our member from each State be appointed to report a plan of permanent organization and report permanent officers.

of the proceedings a bane with

permanent officers.
At this stage of the proceedings a banner, baring the inscription—"No Communion with Starcholders or Doughfaces," was borne in by the Ohlo delegat

Materializer of Dissiplaced, was some in of the Ohlo delegation:

On, metion, it was
Resolved, That the delegates from each State should select a delegate on the above committee and hand his name in to the Chair.

It was announced that the crowd being so great as to render the transaction of business impossible, the committee of arrangements would provide another hall to which the business delegates could adjourn, leaving the Massonic Hall to be occupied by the Mass Convention which then-filled it, where they could be addressed by the numerous distinguished speakers in attendance.

REASSMERLING OF THE CONVESTION.

The Convention adjourned to Lafayette Hall, at 11 o'clock. 18.

Judge Spaulding took the chair and called the Convention to order.

On motion it was resolved that a committee of arrangements be appointed, to consist of one delegate from each State, to attend to the proper location of delegates.

It was moved that this committee shall consist of the members of the committee on permanent of great and the committee on permanent of the committee on the committee of the committee on the committee of the committee of the committee on the committee of the committee on the committee of the committee on the committee of the committee of the committee of the committee on the committee of the committee on the committee of the committe

eady adopted.
Sir. W. moved a reconsideration and proceed Mr. W. moved a reconsideration and proceed ed to point out what he canceived to be the injustice of giving to Virginia or any other southern State the vote of her electoral college, when she was only represented by one delegate, and contained but a handful of Anti-Slavery men This would be repeating the ridioulton farce played by General Commander of South Carolian. Such a course of conduct had been scouted by tac whole country, yet it was seriously proposed to ro-enact it here.

The committee proceeded to fulfil their duties, and the members of the Convention were soon comfortably seated.

A motion to adjourn was made and lost. It was moved that the resolution, relative to the committee on resolutions should be taken up Carried.

A member hoped that the resolution, relative to the committee was proud to the committee on resolutions should be taken up Carried.

Mr. Hording, of Mass., opposed the amendance three delegates from each State would form a covention, and not a committee. He would advocant the recolution as it was originally offered a similar rule, and why should they strive to convention, and not a committee. He would advocant the recolution as it was originally offered a substitute; Torviding that Charles J. Adams, Garrett Smita, Joshua R. Giddings, Charles Darkee and Dr. Broodgrass, be a committee to prepare and reportfully protocted against the motion. He wanted froesoil men, liberty men, free democrats and free soil men, liberty men, free democrats and free soil men, liberty men, free democrats and free could not one; many Indiana delegates had not a carried, and the Convention was not pressed for time.

Dr. Young, of New York, had introduced the proposition for three, to represent distinct sentiments which prevailed—one of which me was the land reform, which must be represented if they wished white and black slavery about a confidence on from each State on the committee on the confidence on from each State on the committee on the resolution and a wanted each delegate from safe the resolution and the convention finally decided on a committee on from each State on the committee on the resolution and a she than the convention for three, to represented if they wished white and black slavery about a consideration of the resolution and sme they wished white and black slavery about a confidence of the convention finally decided on a committee on for form each State on the confidence of the reconsideration of the resolution resolution in the convention of the resolution and the c

initites They had, in a spirit of compounding agreed to the resolution which had been adopted, as the best thing they could do He would admit that the fair principle, after all, was that a State should have a number of votes, proportion of the they possess on the bearts of their boundary candidates. This was fair, but no one would suppose that they would adopt it.

A long discussion ensued, which soon became exceedingly dull and uninteresting Amenders ments, &c., were male, lut, on motion of Mr. Younghon, of Ohio, the whole subject was fainly referred to a committee of three, of which the Hon. Lewis Toppan was Chairman, or Ohio, and Hopkins, of Massachusetts, on said Ohio, and Hopkins, of Massachusetts, on beautiful of the properties of the control of the contr

he up acclumation, except for the candidates for the Presidency and Vice Presidency This motion was referred to the Committee on residence and program the Convention ad

FREE SOIL.

Air. Austin mored that a National Committee of one from each State, to be appointed by the delegates from each State, be appointed. The object of this motion was naked, and it was stated to be to call a future Convention, and transact other necessary business.

It being suggested that the committee on organization were prepared to report, the motion was withdrawn. PENNSYLVANIA STATE CONVENTION. ASSENDED AT MASSIC HALL. SECOND DAY. The State Convention met at eight a click yea-terday morning in Masonic Ilall, for the pur-pose of transacting unfinished business, the Pre-ident, Mr. Thomas, in the Chair was withdrawn.
It was announced that a mouster meeting would be held behind the American Hotel, on Peng, street, at half past seven o'clock, in the even-The committee on organization returned, and
