CAMPAIGN GAZETTE.

HURRAH FOR SCOTT AND GRAHAM!

To help on the good cause, of the election of SCOTT and GRAHAM, the publishers of the PITTSBURGH WEEKLY GAZETTE, a large and compactly filled sheet, offer it for the campaign, from any time in August, to th 15th of November, for the following low rates:

1	copy,	$ 37½
5	copies, to one address,	1 50
10	" "	2 75
20	" "	5 00
25	" "	6 00

Payment invariably in advance.

Having been, for a long series of years, the persevering advocates of the nomination of General WINFIELD SCOTT; and believing most earnestly that his elevation to the Presidency will prove a blessing, at this time, to the American People, we shall promote his election, through our columns, by all the power we can bring to bear, and by the use of every honorable means. We are induced to offer our paper at the above low rates to help a cause we have so much at heart, and which we most sincerely believe will be triumphant in November, if the friends of SCOTT and GRAHAM, put forth any effort to produce so desirable and glorious a result.

We call upon every Whig in Western Pennsylvania and Eastern Ohio, where the Gazette principally circulates, to endeavor to obtain a Club for his neighborhood. For a comparatively trifling sum, twenty-five copies of our large Weekly sheet can be circulated every week in every town, village, hamlet and neighborhood, and can be placed in the hands of every citizen, of whatever politics. Are there not zealous and active Whigs enough in every place, to club together to order on the papers? A little money spent in this way will do more good than in almost any other.

Besides laboring in the cause of Scott and Graham, the Gazette will contain all the interesting news of the day, Pittsburgh and distant markets, and the latest telegraphic intelligence.

Now send on the orders at once from every Post Office in all this region. Good current notes may be remitted.

MEDICAL.

The best Remedy ever known to Man.

Coughs, Asthma Colds, Croup, Bronchitis, Influenza, Sore throat of the Lungs, Difficulty of Breathing, Liver affections and weaknesses in the breast or side. First stages o Consumption, &c.

In short, this Balsam is peculiarly adapted to every disease of the Lungs and Liver, which is produced in our ever varying climates.

WILD CHERRY HAS LONG BEEN known to possess important medicinal properties. This fact is familiar to every matron in our land, and physicians often prescribe it in a variety of forms for different complaints. Tar, also has been equally noted for its virtues; and some physicians, whose names are familiar to the country, have gone so far as to declare the worst CONSUMPTION could be cured by that alone. In other hands, again, it was nearly valueless, owing no doubt, to their ignorance in preparing and administering it—a difficulty now entirely obviated by patient experiment and long experience.

The extraordinary and cbnal qualities of these two substances are now, for the Cline, combined and embodied in Dr. Wistar's Ba, Wild Cherry. By a nice chemical process, every ostelerious or useless matter is rejected, so that what remains is the most extraordinary and truly efficacious remedy all kinds of pulmonary and liver diseases ever known to man. To convince all who believe that our theory is really , we refer to a few cases of cures performed by this wonderful medicine.

ANOTHER ASTONISHING CURE.

E. Kalb, a highly respectable merchant of Rushville, Fairfield county, Ohio, sent us the following voluntary tribute to "Dr. Wistar's Balsam of Wild Cherry."

RUSHVILLE, Fairfield Co., Ohio, April 6, 1851.

Mr. J. D. Park—Dear Sir—I wish to state to you that my daughter, Amanda, aged sixteen years, was taken with a fever, which very soon settled in the form of measles, which rendered her very much, and left her with a very severe cough. She employed all of the physicians within our reach for the purpose of removing the cough, but without success. The cough seemed to be sinking into a decline, with every symptom of consumption.

She then tried "Dr. Rogers' Liverwort and Tar," but still more malignant character. I was now in despair, and almost gave her up. I was then advised to try your "Wistar's Balsam of Wild Cherry," which I did, and was with unspeakable fear that I from day to day, the progress of that dreadful disease, which was hurrying her to the grave. I purchased of my daughter's recovery. Now, when she has used but one bottle of your invaluable medicine, Sarah Jane, wascured of consumption by Wistar's Balsam of Wild Cherry. I feel that this circumstance is more than it might help my daughter, and I immediately commenced using it in the case of a son afflicted with a bad cough, and was improved from the first bottle; and by the use of two bottles of Wistar's Balsam of Wild Cherry, he was restored to perfect health, and is now as well as ever. I will say to all that are afflicted with any disease leading to consumption, do not despair, for Dr. Wistar's Balsam of Wild Cherry will cure you. I remain, yours, &c.,

E. KALB.

PLEASANT RIDGE, Hart county, O., Sept. 20, 1850.

J. D. Park—Dear Sir—I take the liberty of writing for the benefit of others, what has been derived from the use of Dr. Wistar's Balsam of Wild Cherry. My family was afflicted with the whooping cough, consumption, in May last. The attack was truly bewildering to me, as I had lost two children (brothers and sisters) had died of consumption. I was afflicted with heavy cough, and expectorated a great deal of blood, facial fever, aching pains in the side and chest, cold chills, alternating with flushes of heat and excessive perspiration.

I was under the care of a skilful physician, from the time I was taken sick, until about six weeks since, but received no help—I then, from necessity, and a want of confidence in physicians, or at least beyond our physicians skill, administered to myself, and family, Dr. Wistar's Balsam of Wild Cherry, my father procured it, and recommend admirably. In short, this Balsam is peculiarly adapted to every disease of the Lungs and Liver, which is produced in our ever varying climates. I am using my family medicine, and can recommend it confidently to the public.

JEREMIAH ISERIOD.

IMPORTANT TESTIMONY.

CURE OF THE LUNGS AFFLICTED WITH DISEASES OF THE LUNGS AND BREAST.

Will stimulate to new creation! More evidence of its surprising virtues.

TOWN PLAT, Jefferson Co., Ia., June 16, 1849.

John D. Park—Dear Sir—As I have a deep consciousness of the efficacy and virtue of Dr. Wistar's Balsam of Wild Cherry, and from the first week I commenced using it, which was about the middle of last winter, I was taken with a violent cough, which in a few months, at the end of which time, I was confined to my bed, and raised bowls of blood. Several of my friends recommended the Balsam to all those afflicted with diseases of the lungs. I commenced using it, and continued using it, not to be discouraged by the time I had used it, but I have no doubt but more than half of my lungs were destroyed, and I have no doubt but more than half of my lungs were destroyed, and I have no doubt but more than half of my lungs were destroyed, and
