UNION CONVENTION.

A large number of Ministers and elders, connected with the Associate, the Associate Reformed, and the Reformed Presbyterian bodies, met yesterday in the Seventh street Church.

The Rev. Dr. Pressly was called to the Chair, and the Rev. Mr. Banks appointed Secretary.

A roll of the members present having been made out, they began to speak according to its order, and we were really delighted to see the harmony which prevailed. *All* were in favor of adopting the basis of Union as reported at the late Synods, one held in this city, the other in Allegheny, which were reported by us at the time. It is true some gentlemen would have preferred trifling variations from it, but for the sake of union, it seemed to be determined that whatever was done, should be done in a spirit of unanimity, accordingly any minute alterations made, were acquiesced in by all present.

RIOTOUS CONDUCT.—The Mayor yesterday fined Luke Philips for rioting in the street, and committed him in default.

ATTEMPTED THEFT.—A man named Jno. Johnston, while in a state of intoxication, attempted to steal some fruit in the market yesterday. He was taken before the Mayor and committed for thirty days.

NOVEL SWING.—A number of young lads have erected a swing below the aqueduct, near the middle of the river. In swinging they pass over the water so far that if they fall there is more danger of their being drowned than of having their limbs broken.

CHARGE OF SECRETING PROPERTY.—Andrew McKelvy yesterday laid an information before Alderman Lewis, charging Michael Drennan with secreting his property in order, to defraud him of fifty eight dollars. The money was paid and the case settled.

NEW BRIDGE.—The new bridge between Herr's Island and the Allegheny shore, is nearly completed. The old one was swept away by the freshet this spring.

CHARGE OF MALICE.—P. C. Merrick yesterday laid on information before the Mayor against Wm McConner and Edward Watson, whom he accuses of maliciously driving a cart against his wagon. The defendants were arrested, and gave bail for their appearance at Court.

DIFFICULTY.—A man named James Mackerel yesterday lodged a complaint before Alderman Major against one of the Street Commissioners, the secretary, and the Committee. It appears that he had a quarrel with them as to how a curb stone should be placed on his property, and swears that they pushed and dragged him violently about. The defendants at once gave bail.

DEAD.—Two Pittsburghers on their way to California, named Michael Reinhart and James Graves died at Juan del Sud.

CHARGE OF BURGLARY.—Thomas Ellis and J. Cornelius were yesterday arrested by police officers Hague and McFarran, and taken before his honor, Mayor Guthrie, charged, on oath of Jane Moore with burglary. The swore that they, together with a number of other persons, entered her house on Tuesday night, beat her, and carried away a pocket book containing some money belonging to her. Cornelius gave bail for his appearance in the sum of one thousand dollars; Ellis was remanded.

THREATS.—William Reed was arrested and taken before Mayor Guthrie yesterday, charged, on oath of George Bracken, with chasing his wife, holding a pistol in his hand sue threatening to shoot her. The defendant was committed in default of bail.

SEVERE ACCIDENT.—Henry McLaughlin, of Allegheny, was on Monday driving a timber wagon, heavily loaded, along Rebecca street, when his horse took fright, and he was thrown under the vehicle, the wheels of which passed over him, breaking his right thigh, cutting one of his arms severely, and otherwise injuring him.—He is now out of danger and rapidly recovering.

BEATING HIS WIFE.—A man named Andrew Connor was arrested and taken before Alderman Major yesterday, charged with beating and abusing his wife, and behaving in a riotous manner. He was committed to prison in default of paying a fine of ten dollars.

RUN OFF.—Two horses attached to a furniture cart, ran off on Tuesday evening on Ohio street, Allegheny. The wagon was very much injured; the horses were stopped at Straub's brewry.

WATCH HOUSE.—Five persons were brought before the Mayor yesterday, charged with disorderly conduct and drunkenness. Four were committed to prison, and one discharged on paying his fine.

RIOTOUS CONDUCT.—Alderman Hays yesterday committed Alexander Murray to prison, charged, on oath of D. H. Montgomery, with disorderly and riotous behaviour.

ALLEGED MALICIOUS PROSECUTION.—Samuel Deme laid an information before the Mayor, yesterday, accusing John Wells, an Inkeeper, with having forcibly taken him before Alderman Major and accused him of larceny. Wells was held to bail in the sum of three hundred dollars.

GRAND PIC-NIC.—*The* pic-nic of the season will take place to-day at Swissvale, and it is expected that some thousands of visitors will be in attendance. The platform for dancing has been enlarged to half-a-dozen times its original dimensions, and everything done which can contribute to the convenience of the ladies and gentlemen who have been invited. For Sale.

THE subscriber offers for sale his Farm, in Spith township, Washington county, within one mile of Candor and adjoining the village of Bigger, consisting of 203 acres. The land is of the best quality, handsomely situated, well fenced, timbered and watered, abounding in stone coal, of easy access and of the best sort, and Limestone is also at hand. There is plenty of meadow ground on the farm, and two Dwelling Houses, a large orchard, and a first rate bank Barn, of large size, put up last year. The Railroad beginning to be made from Pittsburgh to Steubenville, will pass through the farm, cutting it into two parts, consisting of about 120 acres on the one side and 83 on the other, which would form two farms, with a dwelling house on each, and the farm left on the larger division, each having enough of timber, timber and water, and a sufficiency of cleared land. By the Railway, the farm will be within ½ of an hour's ride of Pittsburgh.

If the above be not previously sold by private bargain, it will be offered for public sale on the 25th day of August next, at 1 o'clock, P. M., and either as one farm, or as divided as may suit purchasers. Possession will be given by the first of April next, and a clear deed, with terms accommodating.

M. & D. Johnston Carter, who lives on the farm, or Dr. Wm. Downey, of Burgettstown, or Dr. Jos. Keenan, of Hickory will show the premises to intending purchasers.

CONGRESSIONAL.

WASHINGTON, Aug. 17.

SENATE.—(Concluded.)—The bill for a Ship Canal around the Falls of St. Mary was taken up and debated in Committee, and after ineffectual attempts to attach the Homestead Bill to it and the bill distributing the Public Lands among the States, by way of amendment, the bill was reported to the Senate, and the amendment increasing the amount of land granted to 750,000 acres, was agreed to, and the bill ordered to be engrossed. The River and Harbor bill was taken up, and shortly after the Senate adjourned.

WASHINGTON, Aug. 18

SENATE.—The bill granting land for the Indigent Insane was received from the House and referred.

The bill for the construction of a Ship Canal around the Falls of St. Mary was passed.

The River and Harbor Bill was then taken up and an amendment made to the appropriation for a ship channel from the Mississippi River to the Gulf of Mexico, which was under consideration.

Mr. Cass advocated the Bill as it stood; he was opposed to any amendments; it was a moderate one, and additions would endanger its passage.

Without coming to a vote on the River and Harbor Bill, the Senate adjourned.

HOUSE.—The bill declaring the Wheeling Bridge a legal structure and Post Route—Mr. Curtiss deprecated and Mr. Newton advocated the passage of the Bill.

Mr. Stuart, to test the sense of the House, moved the previous question, which was seconded.

Pending some remarks by Mr. Olds, the morning hour expired, and the House went into Committee on the Navy appropriation bill. Several amendments were made, among them one that no appointment of midshipman to the Naval school shall be made, unless recommended by a member of Congress from the district where the applicant resides.

The Committee then rose and the House adjourned.

FOR A CONSUMPTIVE COUGH.

PITTSBURGH, Pa., Feb. 23, 1851

Dear Sir:—For three years I have been afflicted with a cough, or rather a cold, that I frequently despaired of recovery; much of the time I was obliged to sit up all night in my chair, as my cough would not permit me when I lay down. Having as many remedies, without much relief, as I had trials, I was induced to try CHERRY PECTORAL, which, under Providence has cured me altogether.

I am, with gratitude, yours,
JAMES M'CANDLESS.

This is one of the numerous Cures of Asthma which have been accredited to Cherry Pectoral.

ASHBY, N. Y., April 17, 1849.

Dr. Ayer, Lowell—Dear Sir:—I have for years been afflicted with Asthma to a degree that for the last two years I have been obliged to sleep in my chair for a larger portion of the time, being unable to breath on my back. I tried a great many medicines, to no purpose, until my physician prescribed, as an experiment, your CHERRY PECTORAL. After it seemed to make me worse, but in four days a week I began to experience the most gratifying relief from its use, and in four weeks I threw away my chair entirely removed. I can sleep on my bed with comfort, and enjoy a state of health which I had almost despaired of enjoying.

GEORGE S. PARANT.

Dominicus and Resident Practising Merchant.

From the President of Amherst College,

EDWARD HITCHCOCK, M. D., LL. D., &c.

J. C. Ayer, Sir:—I have used your CHERRY PECTORAL in my own case—it does a good deal more than you promise from its name. In short, it is a complete remedy for the cough, influenza, and other diseases of the throat and lungs, and I think a most valuable compound for the relief of other and more dangerous affections of the pulmonary organs. I have recommended it in my practice, and in my own family, and in every case it has done all that could be expected, and in many cases it has done more than could be expected. I am, Sir, very truly yours,

EDWARD HITCHCOCK.
