HOME MATTERS.

We have now before us the September number of Sibbet's Western Review. This is the first number issued by the present publishers, Kennedy & Brother, Third street, Pittsburgh. It fully realizes the promises of the Proprietors, and will sustain the wide-spread reputation of the Review, as one of the best and most reliable counterfeit detectors of the West.

BEAUTIFUL PORTRAIT.—There is a portrait of Dr. Wright, of this city, now on exhibition in the window of Mr. Gillespie, framer and gilder, on Wood street, which is a really meritorious work of art. The likeness is perfect, and the execution admirable. It was painted by Mr. E. Forester, artist.

THE PROCESSION.—We refer our readers to another column for the route, &c., of the grand procession of the Sons of Temperance which will take place to-day. It will doubtless be a splendid affair.

AID DE CAMP.—Governor Bigler has appointed J. R. Johnston, of Allegheny, aid-de-camp, with the rank of Lieutenant Colonel.

SUDDEN DEATH.—Mr. William Gilmer, an old citizen of Pittsburgh, died very suddenly at his residence in the Seventh Ward, on Tuesday.

HABEAS CORPUS.—M. Christman, who has been confined in prison for some time past, on a charge of defamation of character, preferred against him by Louisa Coppe and Joseph Stanger and wife, of Ross Township, was yesterday brought before Judge Forward on a writ of habeas corpus.

Alderman Hays of Allegheny, demanded bail in the sum of 2000 dollars, but the learned Judge ordered him to be discharged on giving bail in the sum of four hundred. C. S. Eyster, Esq., appeared for the defendant, and Charles Hartman entered into recognizances for his appearance.

PAVING STONES.—The paving stones lying scattered in heaps here and there along Wylie street, are a great nuisance. The Street Commissioner should remove them to other places, where they are more needed.

RE-COMMITTED.—A man named Klinefelter, who was only pardoned out of the County Jail, where he had been imprisoned on a charge of larceny, some two or three days ago, was yesterday therefore recommitted by his honor, the Mayor, on a charge of attempting to defraud a market woman.

ACCIDENT.—A loaded stone wagon yesterday passed over one of the arms of Henry Freyvogel, a young man eighteen years of age, on Dinwiddie street, crushing it dreadfully. The poor fellow was taken to his residence on Pennsylvania Avenue.

ALLEGHENY GAS COMPANY.—The stockholders of the Allegheny Gas Company, will be required to pay the third instalment of five dollars per share, to the treasurer, R. H. DAVIS, Esq., on or before the 18th of September. The second instalment of 10 of October, and the fifth and last on the 8th of November, at which time, it is expected the works will be completed, and the whole amount of the subscribed capital stock paid in.

DOG STOLEN.—The Allegheny police yesterday arrested a young lad, known among his associates as Yankee Sullivan, on a charge of stealing a dog, valued at fifteen dollars, from Mr. Wm. Colenbaugh, first ward.

HABEAS CORPUS.—His honor, Judge Forward, yesterday directed that Daniel Snyder, imprisoned on a charge of adultery, should be discharged on bail.

PAVING.—Workmen are once more engaged in paving Beaver street, in our sister city.

ALLEGHENY BRIDGE.—The repairs on the toll house at the Pittsburgh end of the old Allegheny Bridge, are nearly completed, and are a great improvement on the old structure which stood there.

ATTEMPTING TO STAB.—Alderman Major yesterday committed Robert Smith to prison on a charge of drawing a knife, while intoxicated, and threatening to cut an umber of by-standers.

CURIOUS CASE.—Charles Bilhartz, proprietor of the Napoleon House, in the Diamond, yesterday lodged a complaint before Alderman Reinheart, against two young Germans, whom he accused of hiring a room, in which to hold a ball, from him, under false pretences. The ball was a failure, and they refused to pay the expenses. They were held to bail.

Scrofula.

IT is due to Kier's Petroleum to say that it has been known to completely eradicate every vestige of this dreadful disease in less time than any other remedy, and at last cost or inconvenience to the patient.

The thousands of certificates in the hands of the proprietor, many of which are from well known citizens of the city of Pittsburgh and its immediate vicinity, to show clearly and beyond all doubt, that KIER'S PETROLEUM is a medicine of no common value, not only as a local remedy in Paralysis, Rheumatism, Sore Eyes, Sore Sight, but as a valuable internal remedy, inviting the investigating physician, as well as the suffering patient, to become acquainted with its merits.

Those having a dread of using it can be assured that this medicine is purely natural, and is bottled as it flows from the bosom of the earth.

The following certificate is copied from a paper published at Syracuse, New York, and bears date August 2, 1852, to which is also appended the certificate of the celebrated D. Y. Foot, M. D., of Syracuse.

This may in truth certify, that I have been so badly afflicted with Scrofula for the last seven years, that most of the time I have been unable to attend to any kind of business, and much of the time confined to the house and to my bed, and have been treated nearly all the time by the best physicians our country affords; I occasionally got some relief, but no cure, and continued to grow worse, until Dr. Foot recommended me to try the Petroleum, or Rock Oil, as every thing else had failed. I did so without faith at first, but the effect was astonishing; it threw the poison to the surface at once, and I at once began to grow better, and with one seven bottles, I have got a cure worth thousands of dollars.

MRS. NANCY M. BARKER.

This may certify that I have been acquainted with Kier's Petroleum, or Rock Oil, for more than a year, and have repeatedly witnessed its beneficial effects in the cure of indolent ulcers, and other diseases for which it is recommended, and can with confidence recommend it to be a medicine worthy of attention, and can safely say that success has attended its use, where other medicine had failed.

Here was hope for the sick recorded long ago, and every year adds new proof to the assurance that these promises shall not fail.

As medical science discovers and diagnoses the remedies nature has given, one by one, the diseases that afflict our race yield to the control of art. Of all the maladies we suffer from, none has carried more victims to an untimely grave than consumption of the Lungs—unbridled by any remedy, probably, causing more than the expense of this.
