the diead in the days of old, when hymn books were acareer flam now.

"French hope to kep flat praisions 57,
Froh venity to resulty."

Get. Combs concluded, after relating an interesting aneedote of one of his adventures at Fort Melgs, for which we have not room, by oxpressing his confidence in the election of Scott in November, by an overwhelming majority, and took his seat amidst tremendous applause.

The Chairman then introduced Judge Coursd, of the Chairman then introduced Judge Coursd, of the chastest aid most classical addresses to which we have listened for a long time, and for which we have listened for a long time, and for which we have listened for a long time, and for which we have listened for a long time, and for which we have listened for a long time, and for which we have listened for a long time, and for the chastest aid most classical addresses to which we have listened for a long time, and for the chastest aid most classical addresses to which we have listened for a long time, and for the chastest aid most classical addresses to which we have listened for a long time, and for the chastest aid most classical addresses to which we have listened for a long time, and for the chastest aid most classical addresses to which we have listened for a long time, and for the chastest aid most classical addresses to the chastest are chastest as the chastest and most classical addresses to the chastest aid most classical addresses to the chastest are chastest and child. Chastes the chastest are chastest and child. The

FROM WASHINGTON. ondence of the Pittaburgh Daily Gazette

WASHINGTON, Sept. 20, 1852. umor of Mr. Corwin's Resignation—Probabl untrue—The Seminole Indians—No Disturbanc of Peaceful Relations—Diplomatic Appois ments—Blanders upon Gen. Scott.

The town talk to-day is a report that Mr. Corin has resigned his place as Secretary of the researcy. Some knowing persons go so far as octors. They represents us various classes. A cleared colock, it was estimated that from the elevant places to treatly thousand peoply were assembled in the rest of the American labor, all of which were equally of the search of the American labor, all of which were equally of the theorem of the American labor, all of which were equally on the theorem of the American labor, all of which were equally on the search of the possible. For himself, he belonged to that the rest of the American labor, all of which were one of Eden, he and consume the state of the possible. For himself, he belonged to the state of the possible in the country in the state of the possible. For himself, he belonged to the state of the possible in the country in the country in the country i

will no doubt enstain his brilliant reputation, and leave no spot upon his character, upon which even detraction will dare breaths. Repeated interviews have been had between the President, Gen. Jessup, and the Indian commissioner, on the side of the Government, and four young children.

he Seminole Chiefs, Billy Bowelegs, Junipe ud others, assisted by Abraham, the negro is terpreter. No definite result has yet been arri ved at, but it is believed that the poor defence-itse Indians will consent to the exile which they annot longer procrastinate, and leave the homes

less Indians will concern to the calle which they cannot longer proorsatinate, and leave the homes of their infancy and the graves of their fathers to the strong race, which is now crowding upon them. At any rate there is no danger of an Indian war on account of the engeroess of one party to rush in or the reluciance of the other to leave the delectable swamps, which, if not now a coupled by the Indians, would be quietly reliance of the other to leave the delectable swamps, which, if not now a coupled by the Whites to the Alligators.
