THE FAIR.—The Allegheny County Agricultural and Mechanical Fair was attended yesterday by thousands of our citizens. A fine band of music was present during the afternoon, and all the proceedings were of the most gratifying character. In the afternoon, William Martin, Esq'r., of Manchester, Vice President of the Society, introduced the Hon. Moses Hampton to the assembled multitude, in a few appropriate remarks.

Mr. Hampton then delivered an exceedingly able address to the Society, at the conclusion of which the premiums were announced. Robert McKnight, Esq., read the various numbers which had received premiums, the judges not having known the names of the exhibitors, which were kept in a separate book, and James K. Kennedy, Esq., announced the names of the successful competitors, corresponding to those numbers.

Between four and five o'clock the various exhibitors began to take their several articles off the ground, and the largest fair ever held in Western Pennsylvania, was closed, all parties appearing highly satisfied with the proceedings. We are unable to present a full report of the premiums to our readers to-day, but will publish the official papers in full to-morrow.

CASE DECIDED.—In the heavy case of the Greensburgh Turnpike Company, vs. the Messrs. Breidenthal, the Supreme Court have affirmed the decision of the Court below, thus deciding in favor of the Messrs. Breidenthal. We have before given a full report of the case, so that our readers will doubtless understand its merits.

ADJOURNED ARRANGEMENTS.—Mayor Fleming, of Allegheny, had a strong police force upon the grounds of the late Fair, and under his able superintendence the utmost degree of good order was preserved, not the slightest disturbance having occurred, nor a single article having been lost by any of the exhibitors.

IMPORTANT DECISION.—Having been engaged all day yesterday in attending the Allegheny County Agricultural Fair, we are compelled to extract the following brief abstract of the opinion of Chief Justice Black, in the case of Sheriff Curtiss vs. Allegheny County, from the Chronicle of yesterday:

"We do not see the principle on which this judgment can be reversed. The law was correctly, clearly and justly laid down, in the opinion of the Court below, and I do not propose to discuss it here, or to answer at length, the ingenious arguments by which the Plaintiff's Counsel have assailed it. The substance of our opinion is briefly stated in assuming the following principles:

"The Act of Assembly is intended to give all the people an equal and a common interest, in protecting private property from riots, by making the public treasury liable for its destruction. This liability, however, is not incurred by the public, unless the Sheriff is noticed of the danger. Being so notified, it becomes his duty to call upon the citizens to assist him in repressing it, and it is their duty to obey him.

If they refuse they expose themselves to the penalty of fine, imprisonment, and subject that public fund to which they contribute by their taxes to liability for the damage suffered. Thus they have all the same motive set before them for saving private property from lawless injury, which they would have, if the property attacked, was owned by the public.

If these motives are not sufficient to bring them out on a proper occasion, and after a proper call, then they must take the consequences and pay for the loss.

The Sheriff is not bound to offer reward or wages to the people or any portion of them for the performance of their duty. If he demands their assistance and they refuse it, he is blameless, and they must suffer for their own default.

If he does pay them for doing that which it is alike their duty and their interest to do without any reward for it, he is not entitled to to be re-imbursed by the county.

Judgment affirmed.

WARD MEETING.—At a meeting of the Whigs of the First ward, Allegheny, it was,

Resolved, That a committee of five be appointed, whose duty it shall be to make all necessary arrangements for the Torch Light Procession.

E. H. Wilcox, A. Woodhouse, James Long and W. C. Stockton, were appointed said committee.

Resolved, That one Chief Marshall and six assistant marshalls be appointed.

The following persons were then appointed: Chief Marshall—William C. Stockton.

Assistant Marshalls—W. Wolfendale, J. Ernest, D. Reese, E. Hill, W. Thompson, Samuel Murray, Jas. Caldwell.

Resolved, That the procession meet on Robinson street, in front of the residence of A. Woodhouse, at 7 o'clock.

The meeting then adjourned until Saturday evening.

DECISIONS.—The Chronicle of yesterday publishes the following report of decisions in the Supreme Court:

Riddle vs Tidball; Administrator McMurry vs Law, from Lawrence co., diminution of record. Suggested by Mr. McGeffin. Certiorari granted, and case continued.

In the following cases, viz: Hemphill vs Mon. Nav. Co., Dodds & Crozier vs Blackstock, McClure et al vs McClure, Collins vs Kimlick, Bartlett et al. vs H. Kingan & Co., Miller et al. vs Overton, Blackstock et al. vs Leidy, Baird & Cassilly, Blackstock et al. vs Levy, Duff & Co., Guardianship account of Poe—judgments affirmed. In the case of Hoey et al. vs Willis et al., judgment reversed and *venire de novo* awarded, in the case of Hampton vs Commonwealth for use, (the Hancock street matter) judgment reversed, and judgment on the case stated in favor of the defendant. Lentzenhiser vs Hunter, from Mercer co., judgment affirmed.

Justice Lowrie read and filed the following opinions: in the estate of H. Simonds, deceased, decree of Orphans' Court reversed. Steamboat Caroline vs steamboat Consignee, judgment affirmed. Burgess of Erie vs Tracy, from Erie co.; judgment reversed and procedendo awarded. Justice Woodward dissenting. Mellon vs Stanley, judgment affirmed.

Justice Lowrie read and filed the following opinions: Morsewodle vs Silverthorne; judgment affirmed. Jarvis vs Greer; judgment affirmed.

THIRD WARD MEETING.—The Whigs of the Third Ward, Allegheny assembled in the Ark, on Wednesday evening.

Mr. Barr, from Committee on Banners, reported that he had procured the material, and the making of the banners was under contract and progressing rapidly.

On motion of Mr. Lemon, a committee of fifteen were appointed to procure men to carry the banners of the Third Ward Delegation, on the night of the 11th inst. The chair appointed on that Commitee—H. P. Callow, H. J. Lemon, S. B. W. Gill, H. M. Boyle, A. G. Oakley, H. A. Parviance, John Benson, W. H. Alexander, Jas. Ray, John Alexander, George Balf, D. L. Smith, John G. McMillan, James G. Murry and John Danver.

On motion, a Committee of Finance was appointed, consisting of H. J. Lemon, John Danver, and D. L. Smith, which committee was, on motion, instructed to procure music for the procession.

Mr. A. C. Alexander was unanimously appointed by the meeting to act as Marshall, on the night of the procession.

On motion, the meeting adjourned to meet in the Market House on Saturday evening.

STABBING CASE.—A man named Wm. Barret, on Wednesday night stabbed a Mrs. Kirkadoll, on Prospect street, in the breast, with a dirk knife, severely wounding her. He at once fled, and was pursued by police officer McCoy, who overtook him, upon which Barret threatened to kill him. McCoy drew a pistol, upon which he surrendered, and was taken to Alderman Major's office, who committed him in default of giving bail in the sum of one thousand dollars for his appearance.

PASSING COUNTERFEIT MONEY.—Ald. Parkinson committed John Waters to prison, charged, on oath of Joseph Smith, with passing a counterfeit five dollar note, on the State Bank of Ohio; him. Augustus Smith, a tavern keeper, also accused him of attempting to pass a note on him. The accused was a soldier in the Mexican war, in which he was wounded, and draws a pension. He has of late been a canal boatman, and has borne a good character.

The counterfeits on the State Bank of Ohio are very numerous, and admirably executed.

GRAND MASS MEETING.

A mass meeting of the Scott men of Pittsburgh will be held at Broadhurst's Yard, in the rear of the American Hotel, Penn street, on Saturday evening, the 9th inst., at 7 o'clock. Several distinguished speakers are expected to be present among whom are Edgar Cowan, Esq., of Greensburg, and the witty and accomplished speaker, Seth T. Hurd, of the "Washington Commonwealth," and D. Ritchie, Esq., our candidate for Congress.

The Second Ward Glee Club will be present.

By order of the Executive Committee of the Young Men's Scott Club. H. CHIGNELL.

Gen. Thomas Jefferson Sutherland died at the Iowa mission, in Nebraska territory, on the 7th inst. The deceased was a practical printer, a fine scholar and at different periods a lawyer, politician, editor, reformer, lieutenant under General Simon Bolivar, in South America, and was in some of the hardest fought battles between the Spanish and republican armies, and was severely wounded. He had also travelled in Italy and Asia Minor—and was a leading spirit in the Canadian rebellion, during which he was taken prisoner and detained eighteen months.

Hon. G. A. Henry, of Tennessee, has declined the appointment of California Commissioner recently tendered to him by the President of the United States.

Silver change continues very scarce in New York as well as elsewhere. Small silver of all kinds commands about 2½ to 3 per cent premium. Shop-keepers are continually compelled to purchase small coins to make change in the ordinary run of their business.

There is said to be much excitement at Pottsville, Pa., growing out of the fact that Judge Higgins, of the District Court, has ordered the name of John C. Neville, Esq., a prominent lawyer, to be stricken from the rolls of the court, for an alleged contempt.

On the 25th ult., a negro man named Jerry, found guilty in August last by the County Court of Page county, Va., for an attempt to murder the little daughter of Col. Andrew Keyser, was executed in the presence of some ten or fifteen hundred persons. He acknowledged his guilt.

A curious law suit was lately going on in Barnstable county, Mass.: it being a claim for damages for an assault. The defendant, it appears, seized the hand of the plaintiff to shake it, and in so doing he grasped it so tightly as to crush the bones and thereby cripple it forever. The hand became ulcerated and many of the bones have been discharged from the wound. We have not heard the result of the trial.

The officers of the Commercial Bank of Albany, on opening the Bank on Saturday morning, were unable to open the "strong room" in which was kept all the Bank books, notes &c., as the door of the safe resisted all efforts to open it, the lock having become disarranged, and thus the whole day passed to the no small inconvenience of the Bank and those doing business at it.

BY TELEGRAPH.

CINCINNATI, Oct. 7.

Gen. Scott received visitors at the Burnet House until eleven o'clock, when he took a private carriage for the purpose of viewing the city. He was, however, soon recognised, and the carriage was surrounded almost instantly by an immense crowd of people.

An invitation having been tendered to him by the German wine dressers to visit their vineyards and the process of wine making, he drove out to the extensive vineyard of Dr. Rebfus, where he remained for some time, viewing the different processes of wine making. He also visited the extensive vineyard of Messrs. George and Peter Bogan, manufacturer of Catawba. The German citizens turned out in large numbers to welcome them. Gen. S. appeared to take much interest, and made inquiries into statistis connected with the business. On his return he was called upon in the evening by the Rt. Rev. J. B. Purcell, Catholic Arch bishop, who traveled with the General from Madison. He was also visited by the Catholic Bishop of Cleveland. Gen. S. leaves to-morrow at 10 o'clock on special trains for Hamilton and Dayton.
