NEVER MIND THE SLANDEBERS. -- Some of an Whig friends are annoyed at the continued about and standars of the Post, and kindred prints, Gen. South and the Whig party. Never min this, Whig friends. The object of our unser this, Whig friends. The object of our unserrups loss cambes is, to turn a way our attention from the work of organization. These slanders can not burt Gen. Nott-they only react upon th heads of his imprincipled traducers. His nam and fame will live and be obscihoed in the heart. of his countrymen, when that of his slandere will not. We caution one Whig friends also against b

lioving the statements they see in the Post, the results of the election or any thing else he ing reference to the contest. They cannot truster. We make this statement because th paper daily tooms with gross untruth, made w a recklessness disgraceful to the editorial pr fession and to humanity.

.

PERSYLVANIA -- We give the official retur of this State, as we find them in the Phila phis Bullstin, of last Saturday afternoon. Th locofoco majorities are about 18,000,-som two or three thousand less than that claimed b

The following particulars of his last moments phis Builtin, of last Baurday afternoon. The locofoco majerities are shout 18,000,—some two or three thousand less than that claimed by the Foot of yesterday. This majority is notice prising or disheartening. We believe Pennsyl-vaals will vote for Sooti, and we are glad to know that our whig friends are trying to secure and a clairable result. JKW YORK—PERNEYLVANIA—OHIO. These three great states nominated General Soot. Without their firm, persistent doyolion for our joble candidate, he would not have re-ceived the nomination. They are found, there re-ceived the nomination. They are found, there iscient, Maryinad, North Corollas, Ker-ticky, Tennesses, and Louisians, and others, which performed Mr. Fillmore and the immerto the stousd failer promises the monitor farwell. After calling the rank all contrained, not they speciate the sound faeled and addressed them individually. the sound faeled and addressed them individually the sound and hearty preference for the dis-tinguished and worthy gontiemen they support. He stousy is to me sound what be unite with them in electing the samidate phood in nomination. Shall this call be tre-ponded to ? Will Kew York, Penneyrismia and built convertiol of Will they work will worke will be hown spit to present day. We believe they coll. We believe they coll ? Will Kew York, Penneyrismia and convertiol of will there notices the sound brilliant results, and they now call upon the stional Convertion. Shall this call be tre-ponded to ? Will Kew York, Penneyrismia and coll co if will We work will the states afor detail y work of the issues y it comes con." The second to ? Will Kew York, Penneyrismia and convertion of Whit preserved will we bare the state and secret of the first line of the elegy. The second to ? Will We York, Penneyrismia and convertion of Will be romines the condition as were read, states they call of Will Webster detection in the friands there are perfectly united, ardem tand convertion of the inthe condit

Triands there are perfectly united, ardent and scalons. The smalli Webster defection in the

faintness now cocurred which lid him to thin that Death was near; while in this condition som expressions fell from him, indicating that hi mind would remain with him to the last. Mr. Wetter spoke of the difficulty of dying when Dr. Jeffries repeated the verse:---"Thougi I walk through the valley of the shafedow of Death I walk through the valley of the shafedow of Death I will free no still for thom art with me; thy rod und thy staff, they comfort mu." Mr. Webster Said immediately, "the fact-the fact that I what I meant-thy rod-thy rod-thy staff-thy staff-" city is removed by his immented death, and the gallant Whige there who could not give up their ant to that great man while he lived, will introduction to insegree mass while be inved, while now feel that they cannot be thermanifest their devotion to his memory than by sustaining the candidate and principles of the party to which Mr. Webster was so devotedly attached, and by which he was so long trusted and honored. We have con-fidence, too, in the judgement of those Whigs of

staff—" The close was perfectly tranquil and easy.— Wrs. Websiter was unable to winness the last mo-usenis, and awaited the sad event in an adjoin-ing apartment. Mr. Websiter gave especial directions that he by buried in an unsolvaniations maaner. He will be interved in South Marshfield tomb; no day is yet fixed for the funeral. Large experience and informatics, who tell on unitedly, that New York will yote for Scorr, be-yond all doubt . General Scott has atways be popular there—he has the hearts of the masses large experi popular there—he has the hearts of the masses with him—all the prestiges are in his favor— and the opposition is made up of a patched-up and ill-assorted unlon, ready to fail to pieces at

the state for Gen. Scott is for these 40,000 neg. There will do no, we do not for one moment doubt We heatiste not to may, that as far as Wester Fermyly values is sconcerned, it will redeem itself from the diagran of the defast of October. The While is all this region are fairly aroused. The from the diagran of the defast of October. The while all this region are fairly aroused. The from the diagran of the Locoloco crators and it Derived the Scotter of October. The while belowed excluding, have completely around them from their simplers. We can no this default was also sent a little later to Darimouth. All is animation, extrements, and was the rest, the accessity of observing a most rigorour feeling is too internes for the ordinary out-burgs our determination mainfested in every quarter. while borde the most brilliant results. Detake or their barres for the ordinary out-burgs our determination mainfested in every quarter. while borde the most brilliant results. Detake or the Democratic tildet is 0 cober, who will his charse are thousands of persons. The barres defines and cover, but fill defast of discusse of the barry will a state and the serve deal later in this grant fact, this charse are thousands of persons. The barry was a Friedpal of most profound belief in this great fact, which, to state a for the serve deal ways of dorm reading is to for the the fill was also cover deal and was deal the sho defast of discusses of the barry will a state a sar to cived, they show in the state for the the fill a state of the defast is bort the state of the west who will have the sort and Graham. The state for the state of the twill be the overline that the Bankery Bistor is port and the sort west. We have the have the sort and Graham. The state for the state of the west will a state area of the state of the state and the state of discoper of the barry who the full whale work will give a factor of the state and the state of the state and the state of the state and the state of the stat

At the election last year the Democrats car-At the election last year the Democrats car-ried the State by some 20,000 majority. Now their majority is and down to a little over 5,0007 One any one doubt that General Scott will over-ense this small majority in a State giving so large a wein. Beiddes, our Ohio friends, one and all, are combined of violary. They have energy due the State, they know their ground, and the dealars, with the most theorem. and they declars, with the most cheerfal could. It dense, that all is well-that General Scott will have the alcotaral rote of Ohio 1 With such cheeting prospects before us, White Disads, shall we not dilignify labor to descre-the ristory we have such giseloss prospects of whether any White who censer short of dary whether has been the cheeres of the trimman and they declare, with the most ahe new, will lose half the pleasure of the tri when the day of rejcicing comer.

Webster's has been a lofty though not a

district are of the most cheering character, and drawn with an imparial hand. We consider the state as entirely cortain to vote for Boyit and Graham. In Pennsylexnis we have the strong-hold of puriousl stinchment to Gen. Scott. The people scot and the state as entirely cortain to vote in England, which migrated to this country very puriousl stinchment to Gen. Scott. The people scot and the scot of the strong-hold of in England, which migrated to this country very puriousl stinchment to Gen. Scott. The people scot and the scot of the store state of the state of the store in England, which migrated to this country very puriously stinchment to Gen. Scott. The people scot and the store state of the store state the state of high military reputation, and she asru-redly will not do so now, when the graatest living the store for her suffrages. Our ensmise find great consolation in the is-sults of the late election. We see nothing in those results to discourage the friends of Gen. Scott. What are the facts? The Locofoce state title is used phase as and, worken disk features, black hair, & on state the peace of 1763, s grant of land in Salis (and state for an or 30,000 votes less than Gen. Taylor! Candid Democrats admit they wimber than in October. They had their full to cot in Ortober. They had their fall they will be comes to is polls, and their fall with a state for Gen. Scott is for these 40,000 angle in the subject in New England. The log hourse the state for Gen. Scott is for these 40,000 angle in the subject in New England. The log hourse with the farm remains in the family, and the will do so, we do not for one mement doubt will do so, we do not for one mement doubt will do so, we do not for one mement doubt will down we do do not one mement doubt will down we do do not one mement doubt will down we do do the one was born; with the farm remains in the family, and the well wence the grant of down we have the subject in New England. The log hourse wenne the down has menered

On the

On the 7th day of March, 1650, while t Country and Courses were both agiast at questions connected with the organisation of i Territories recently acquired from Maxico at the proposed interdiction of Slavery thereif Mr. Webster made his memorable speech, taki ground in favor of a compromiso respecting i Territorics, and against any act or proviso 1 Congress aiming to exclude Slavery thereifor the argued that such an out was wholly uncall for that the 'law of God' had interdicted Bl viso and all kindred measures thenceforth, t on the sudden death of Gen. Taylor, (July 850,) he was called by Mr. Fill more the next place in the Usbinst, which he island to the last. Chay-Calboun-Webster-the mighty t who for forty years have filled so large a pp in the eye and in the heart of the Nation-the all departed. It seems but yesterday that all departed it seems but yesterday that all departed. It seems but yesterday that all departed the seems but yesterday the seems they have passed from among us foren when shall our country look upon their li again?

age. Either Mr. Webstar's own squeamishness ast of the editors of the successive edition is speeches, have done injustice to his abil "The illness under which Mr. Webster h his spectars, nave user answers to an advance by suppressing sense of the sobier formanic affor-of his carry manhood. We have a clear recoiled tion of reading a Fourth of Jaly Orstion of his-we think when he was but 21 or at most 22 years of age-which, for ability of statement, breadt of the maturest mind. But it was a Federa to the maturest mind. But it was a Federa wisdom and consumate genius w from us in the ordinary course o There is now, howers, reason pose, and the invigorating bre land at Marahfield, will restore great Secretary, and send blan to his post in Washington, to c language, w Bat it wi look for it is If Mr.

1613 to 1610 inclusive. If Mr. Webster distances that questions still panding between our Gover-this medications and suppression of his earlier that questions still panding between our Gover-this the committed a grave mitsky if his edit mont and foreign countries. A few weeks long here have dense it of their over notion, they have passed in the midst of the beloved seems have passed unversationable line itse. They have which Mr. Wobster has for so many years of not estimated the fast, even from the most ignes. Ighted here withdraw from the carse of public a seement of the fast, even from the most ignes. Ighted here withdraw from the carse of public of the professional difference of the professional life, will it is earnestly hoped, o

campaign of 1840? His speeches on t tal which yould have p riff have always been magazines of arg committal which would have proved an act o micido. Mr. Webster remained in the Senate, advocs, ling the recharter of the second U.States Bank condemning the Veto by which that recharts was defeated—opposing the re-election of Gen Jackson, and supporting Mr. City in opposition to him—vigorously opposing Nullification when attempted to be put in protoion in 1833—oppo-ing the tariff compromise of that year—the removal of the depositis, &c., &c. He was j-candidate for Freedent in 1830, but received the therive votes of Manschusstite could be and the election of Gen. Harrison in 1860, will he was called thence to take the first place in Gen Harrison's Cabinet, which he continued to 67 after the unitiesly desite of that immend patty of the description of the the post of the sensed here election of Gen. Harrison in 1860, will he was called thence to take the first place in Gen Harrison's Cabinet, which he continued to 67 after the unitiesly desite of that lamented patty of until long after John Tyler's treachery to an perseculation of those who had elevated him to the post whence he accidentially reached the disty bleft, rendered it proper that he shoul have left the Siste Department and shaken of the dust from his foct. An exceeded the Ashber ton treaty whereby our long disputed North eastern Boundary was defailed yearted, and ru-murad to the Sensts on the dist of Marwh 1864 He there opposed the Austraham of the astronge of a streight opposed the annexision of Tarsa streight of Baites. He did aot, heyever, oppose the granting of supplies for the prosecution's the war. Mr. Webster was a caadidate for the Whig Tresidential nomination at Philadalphis I 1848, but very maggerig supported. Had he friends chosen to asset to his nomination for Wise President with Osen. Taylor, he might hat grantified his chesished aspiravin by dilling th micida. Mr. Webster remained in the Senate, adve o his friends and targets for the arrows of The two most remarkable passages in h e. however, were his controv TAY with salli ation in 1830, and his speech for the companies in 1850. The first is usually spoken of ebster's reply to Hayne. This is to belittle it ayne was but a subordinate actor in that gre rams. Webster stood forth in all the major ad power of his towering intellect to vindic he Constitution against the heresy of the tim s most dangerous one, it may be added, which ed the political integrity of the lion. And he crushed it forever Unical And Be crutated it forwar. That speech will fast as long as our American annals... He concluded with the memorable statiment "Lib-try and Jilion, nor and forwar, one and inne-parable." This append amothered the flame of dimunion, and disarmed the sulliferm. It showed

e way to pacification, in which Jackson and Jivingsto followed with aucous. Mr. Webster's political life may be considered of have closed with his relivement from the Sen-

s in 1850. He then took the ground, substant ially, that opposition to the extension of elevery as embodied in the Wilmot Proviso, was dauger ous to the Union. He contended in general that hat position must be abandoned, and that any sancession or compromise which the supportant of opposite principles at that time demanded must be yielded. As his speech of 1830 was unstionably the greatest ever delivered in the nate, so that of 1850 produced the most pro-Sound impression at the lime, and an influence found impression at the lime, and an influence upon passing events only second to that of the former. It decided that a Compromist much be made, and it destroyed the Wilmot Proviso, which friends chosen to assent to his nomination Vice Provident with Gen. Taylor, he might hi gratified his charlabed aspiration by filling a Providential Chair. He for a time stood off, altimately came into the support of Gen. 7 lor's nomination, though characterising it bich was a conventional name for the legisla or's nomination, though that the several vie me not fit to be made, and made several vie our speeches in its behalf. Gan. Taylor v aboren, but did not proffer any Executive p to the great New Englander, nor is it known i tire prohibilitan of clavery. By all man hall sections it is now conceded that in 1830 Webster stood forth the invincible and irresistable cham-

ion of the Union and the North, against statistics of both chiefly from the South. i any. 7th day of March, 1850, while In 1850 he was still for the Union, but a las proportion of his former supporters refused h the meedlof praise, because it appeared to the that he had sought to identify attachment to t Union with devotion to slavery. This his voic turned the coals between contending scollons, ocriain; and he left to other hands the excentio of that which he had shown much be done. After the 7th of Wards bareed

the 7th of March speech, a compromise not ver different from that which was consummated at the afterwards, was inevitable, and Webe Rohos averages, we tarned, and renow, as therefore been justly regarded as one of its shief artifecers. Since that date, with a portion of his countrymen Mr. Webster's name has been or a cloud. It may be that as his lame ! the deeds of previous years is now brilliant of the sun in the zenith, so when the passions of the

hour shall have cooled, and the mists of prejudice shall have cleared away, his course in this last drists of his sarver will stand vindicated by the judgment of postarity. It has been intimated, that with so many ele-1 The following editorial article, from the B
