HOME MATTERS.

SCOTT POLE RAISING.

The Scott men of Wilkinsburg, will raise a Scott pole, on Tuesday, October 26th, at 3 P. M., and afterwards will be addressed by Gen. Leslie Combs, of Ky. A Glee Club will attend.

ROBT. M'KNIGHT,
Chairman Scott Executive Com.

The friends of General Scott had a fine meeting in Allegheny last evening, and were addressed by Gen. Combs. Allegheny will be herself again on next Tuesday. She will give her old-fashioned Whig majority—only more of it.

HON. JOHN P. HALE delivered a very impressive and excellent lecture on National Morals, before the Young Men's Library Association, at Lafayette Hall, last evening. The audience was large, and at the close of the lecture passed a resolution of thanks to the distinguished gentleman they had listened to with so much profit.

ARRIVED.—We understand that the Rev. Mr. Vandoozer, the pastor of the new Episcopal church on Grant street, has arrived in this city. The church will soon be ready for divine service.

SUPREME COURT.—In the case of Boemp vs. Allegheny City, the Supreme Court has reversed the judgments of the Courts below, in these cases, and has rendered judgments in favor of Mr. Boemp.

RUMOR.—A report was in circulation yesterday to the effect that two men were run over on the Portage Railroad on Saturday. We have not heard any particulars.

WHIG MEETING IN ALLEGHENY.—The whigs of Allegheny City are not behind the Scott men of this city in enthusiasm. Last evening a very large meeting was held in the Market House, and was addressed by that most eloquent of orators, Hon. Leslie Combs. The Hon. George Darsie presided.

DISTRICT COURT.—Present, the Hon. Walter Forward and the Hon. H. Williams. The death of the Hon. Daniel Webster having been announced, in touching and appropriate terms by A. W. Loomis, Esq., it was, on motion, ordered, That as a token of respect to the memory of the distinguished Lawyer, Statesman and Patriot, this Court do now adjourn, and that this order be entered upon the minutes.

The Court then adjourned until to-morrow morning at ten o'clock, A. M.

ACTION FOR TRESPASS.—The plaintiff, Mr. Diehl, brought suit for trespass against John Kunzer, before Alderman Parkinson, under these circumstances: Kunzer alleges that his wife had purchased nine jars of candles from the plaintiff, and had left them with him for a few days. In a short time afterwards Kunzer, who was Diehl's landlord, warned him of the premises, he not having paid his rent; whereupon he took with him the jars, which the defendant by personal assault, endeavored to recover. Diehl denies having ever made the sale. The case was held over.

ASSAULT AND BATTERY.—Alderman Parkinson issued a warrant for Archibald Campbell, charged by Lee Lilthaiser with having assaulted him, on the occasion of a pole raising, at Sharpsburg.

PASSING COUNTERFEIT MONEY.—David Karr was brought before Alderman Parkinson, charged by Washington Bowman, one of his Wards men, with having passed a counterfeit five dollar bill on the Ohio State Stock Bank, on him. He charge him also with having passed counterfeit money upon other of his hands.

THE COURT OF QUARTER SESSIONS convened this morning at 10 o'clock, Hon. Judge McClure, and Judges McKenna and Boggs being present. After the organization of the Grand Jury the delivery of the Judge's charge, and the transaction of some unimportant business, Mr. Darragh moved the adjournment of the Court as a tribute of respect to the great Statesman, Daniel Webster, whose death occurred on Sunday morning.

The motion was seconded by Mr. Irwin, and Judge McClure delivered, in eloquent and glowing terms, a eulogium upon the talents and abilities of the great deceased. The motion passed unanimously and the Court adjourned.

The Chronicle announces the death of Rev. John Tamey, of Allegheny city.

DISORDERLY.—J. L. Clement and R. A. Williams were fined $3 each, by the Mayor, for disturbing the peace by yelling and knocking down the street boxes in their road, on the night previous. They paid their fines and were discharged.

VAGRANCY.—The following cases were disposed of:

James Bittenger, sent up by Alderman Parkinson, for ten days.

Frances Morris, 24 hours, for drunkenness; Paul Sacad, ten days, for disorderly conduct; Nancy Pearce, one day, for the same offence; Joseph Mall, vagrancy, ten days; Wm. Stansberry, vagrancy, five days, and Alexander Funston, for the same, for two days; were sent up by the Mayor.

LARCENY.—Susan Thomas was arrested and brought before the Mayor, charged with larceny, on each of Martha Deely. She was committed for further hearing.

ASSAULT AND SURETY OF THE PEACE.—Alderman Major yesterday committed William Taylor, on oath of John Gordon, charged with the offence. He is now confined on a charge of murder.

LARCENY.—The Mayor committed John Hay for further hearing, charged, on oath of G. Kelley, with larceny.

ACCIDENT.—We are indebted to the kindness of Capt. Van Swartzouw, of Adams & Co.'s Express, for the following description of a fearful accident which occurred on the Portage Railroad, on Sunday morning, on Plane No. 8. It appears that as Adams & Co.'s Express car was ascending the Plane, the chain by which it was being pulled up became loosened, having been improperly fastened, and the car dashed with tremendous velocity to the bottom of the Plane. The car was within ten yards of the top of the Plane when the chain gave way; immediately after it had started, Captain Van Swartzouw leaped out, and by that means saved his life. The car having reached the bottom, came in collision with the freight cars and passenger car, completely demolishing them. Warning had been given to the passengers, and consequently they all succeeded in getting out safely, except those in the third passenger car, who were mostly ladies. The engineer on the locomotive, which had pushed instead of pulling the cars, reversed his engines, and proceeded in the direction of Plane No. 9. Becoming alarmed, he jumped off, and the locomotive and passenger car dashed along the level to the descending Plane. The car providentially became unfastened, and the locomotive alone, few down the Plane, was dashed to pieces.

Adams & Co.'s car contained a very valuable lot of freight, having two safes in it, containing a large amount of money. Four merino sheep were killed, which were valued at $1600 by the owner; and everything in and about the car more or less injured.

The baggage master succeeded in jumping off in time to escape the collision between the baggage and express car. Capt. Van Swartzouw is confined to his bed, the injuries he received being very severe. Dalyboe passenger was injured, his ankle having been broken.

SCOTT MEETINGS will be held in Collins town ship during this week, as follows: On Tuesday evening, at School House No. 1. On Wednesday evening, at School House No. 2. On Thursday evening, at School House No. 3. All at early candle light.

LARCENY.—On oath of Martha Deely, Susan Atcheson was arrested for larceny, and was committed by the Mayor for further hearing.

DISCHARGED.—Wm. Sloan, whose arrest for larceny, we noticed in yesterday's paper, was discharged, half having been entered into for his appearance at Court.

Isaac Steelman was likewise discharged, bail having been given for his appearance at Court His offence was assault and battery.

A SCOTT MEETING will be held in Ross township, at Jacob Colbaugh's Tavern, on the Perrysville Plank Road, four miles from Allegheny, on Wednesday evening, Oct. 27th, at 6½ o'clock. The meeting will be addressed by Hon. Geo Darsie, John H. Hampton, Esq., and others. The Third Ward Glee Club will be present.

By order of Committee.

E. MCKNIGHT, Chairman.

BAIL PIECE.—Robert Turley, charged with keeping a tippling house, was surrendered by his bail.

The beautiful Panorama of Bunyan's Pilgrim's Progress, will re-open to-night at Philo Hall, under more favorable auspices, and will no doubt have a profitable season, as it really deserves the patronage of the public.

DANGEROUS.—We hear frequent complaints about the practice, now quite common, of burning tar barrels in our streets, piled two or three high, the sparks of which often threaten the dry roofs of our buildings.

JOHN P. HALE delivered an address from the balcony of the St. Charles Hotel, to a large crowd which had assembled around the building, after the conclusion of his lecture, before the Young Men's Library Association, on last evening.

BUCHER'S ASSOCIATION.—We extract the following from the Chronicle of yesterday afternoon: "This Society held a meeting on Saturday night in their hall in the Diamond. After the usual opening exercises, the conference committee was called on and reported that the committee report that they have learned from the building committee, that the market house, both old and new, are at the disposal, and under the control of the City Councils. A petition to the Councils was drawn up and signed by the members of the Association; and Messrs. Graham and Danver appointed to present it. A communication was read from Livingston, proposing to sell or lease a lot suitable for a market house. Messrs. Graham and Flanigan were appointed to wait on Mr. Livingston for the purpose of learning the terms on which said lot could be procured.

"After the transaction of other business of minor importance, the society adjourned to meet on Saturday night."

The most favorable opportunity for profitable investment offered for many years, is that very desirable property in Birmingham, East Birmingham, and South Pittsburgh, has been selling by P. M. Davis, Auctr.

The sale will be concluded this afternoon at 2 o'clock, on the premises, when we would advise all those who wish to purchase real estate, either for residences, business purposes or rapid advance in value, to attend. Sales were effected yesterday at very low prices to the amount of $27,600.

Scrofula.

IT is due to Kier's Petroleum to say that it has been known to completely eradicate every vestige of this dreadful disease in less time than any other remedy, and at less cost or inconvenience to the patient.

The thousands of certificates in the hands of the proprietor, many of which are from well known citizens of the city of Pittsburgh and its vicinity, go to show clearly and beyond all doubt, that KIER'S PETROLEUM is a medicine of no common value, not only as a sure remedy in Paralysis, Rheumatism, Deafness, loss of sight, but as a valuable blood purifier, and, since investigating physicians, as well as the suffering patient, to become acquainted with its merits.

Those having a dread of mixtures are assured that this medicine is purely natural, and is bottled as it flows from the bosom of the earth.

The following certificate is copied from a paper published at Syracuse, New York, and bears date of June 2, 1852, to which is also appended the certificate of the celebrated Dr. D. P. Fox, M. D., of Syracuse:

This may in truth certify, that I have been so badly afflicted with Scrofula for the last seven years, that most of the time I have been unable to attend to any kind of business, and at the time unable to walk, and confined to my bed, and have been under the treatment of one of the best physicians our country affords; I occasionally got some relief, but no cure, and continued to grow worse, until Dr. Fox recommended me to try the Petroleum, or Rock Oil, as every thing else had failed: I did not have much faith at first, but the effect was astonishing; it threw the poison to the surface at once, and I at once began to grow better, and in seven bottles, I have got a cure worth thousands of dollars.

MRS. NANCY M. BARKER.

This may certify that I have been acquainted with Mrs. Petroleum, or Rock Oil, for more than a year, and have frequently witnessed its beneficial effects in the cure of Scrofula, blotches, and other diseases for which it is recommended, and can with confidence recommend it to be a medicine worthy of attention, and can safely say that it never has offended its use, where other medicine had failed.

Sales of the week reach over 1,000,000 lbs, at prices varying from 39 to 45 cts for fine and medium and American, but mostly 41½ to 42½ cts. Some of our dealers have made a thorough investigation of the amount of stock yet back in the country, from which we gather the following facts:—Illinois about 2,000,000 lbs; Ohio, some 30,000 lbs; Ohio about 200,000 lbs; Pennsylvania mostly in New York and to extend 150,000 lbs; Vermont merely nothing. Boston	1,000,000 "
Troy	450,000 "
Providence	240,000 "
Providence	100,000 "
Kinderhook	100,000 "
Total	4,850,000 "
