The English journals are graphling at the want of respect shown to the inemory of the lise. We are informed from excellent authori-ty that an arrangement had Just been concludraply to the Post.

In regard to exorbitant bail, the Dispatch Wisconsin. tyl that an arrangement had Just been concluded between the Oblo and Pennsylvania Lines to the name Express train through from Philadelphia to Cincinnati, making the time from Philadelphia to Pittsburghin eighteen hours. The Lessees of the State Road had approved of the arrangement and serious or persons being held to ball in \$5000, and meat, and had concluded verbally to alter their hours so as to suit the wishes of the other Lines. If we understand the Post, one man is held to ball in \$10,000, on two charges, one in \$7000, on the charges, one in \$7000. It this is not excibitant, then we are mistaken, that great Duke.

The amount collected on the day of the Presidential election at twenty-two places (all that have yet been heard from.) in aid of the Washington Monument Fund amounts to \$6,034.71. If collections had been made in the same ratio in all parts of the United States, the aggregate amount would have been sufficient to finish the Monument. come into the arrangement, and assign as a reason, that the Hotel Proprietors in Philadelphia is all. Incoments of the Late Election.—The district of St. Mary's, in Elk county, Pa., gave 173 votes for President, and all for Pierce and King. The New York Express eays it is some consolation to know that the whigs got 42 majority in "Jerusalem," and 1 majority in "Helliown," two preciones in Virginia. The district of "Nowhere," in Georgis, voted 49 for Fillmore, 1 for Webster, 2 Southern Rights, and none for either Scott or Pierce. not exorbitant, then we are mistaken, that The Louisville Democrathes the following start and on the route are opposed to it.
