is totally impracticable. Ile is more of a Whig | WINES, &c-Persons wishing to pur-Correspondence of the Daily Pittsburgh Gazett WASHINGTON, Feb., 12, 1858.

Mr. Hale addressed the Senats to day on the Tchuantepec grant. He expected it at every point, and though it may not have been killed by his blows, and those of Seward and other ab-conclusively dead. Mr. Brecks, of Miasissippi, will irrigate the question, but all attempts to rescentiate it will be vain. Foor Maxico will, not be done to death by a railroad company, though it is likely enough that the day of her destiny, draws nigh. WHAT'S BECOME OF ALL THE REVOLU-TIONS! Some gentiemen who seem to think the Aay traum of 1849 a whole century removed from Feb. 1863, have been asking the above question Frouentify of Jac. Perhaps in the following series of a structure and the same series of the second second series of the second second second series of the second se the fast setsolon, amandatory of the existing laws regulating the colorage of the half dollar, quar-ter dollar, dime, and half dime, and providing just one majority. A miss is as good as a mile, point the very nearness to success makes defeat but the very nearness to success makes defeat Dill received no amendment in the House, and doubly annoying. Mr. Badger's care was post-olitonists, as its friends complain, yet it is quito poned until after March Sdl, which is the Greek esseate general interest, we insert the provis-ions of the bill at tength, as follows: Sen 1.
