He was followed by several other gentlemen.

AN INVITATION has been extended to General Carey, of Cincinnati, to address our citizens in a series of lectures on the subject of a prohibitory liquor law. Gen. Carey has an extensive reputation as an orator, and will no doubt do much for the temperance cause in this city in his contemplated lectures.

Gen. Larimer wished to know what Washington county would do for this Railroad.

Mr. Ewing replied to some forcible remarks, by stating that without doubt the Monongahela Railroad would be built, and therefore, if the people of Allegheny county wish to secure the business and travel of Washington county, they must take an active part in the construction of the Chartiers Valley Railroad. The citizens of Washington county are anxious that this road shall be made, and will do their full share towards its construction.

Further remarks were made by Gen. Larimer, Gen. Calohan, Gen. Moorehead, and Messrs. Harper, Ewing, Watson, Bakewell, Bausman, and Houston.

The meeting was a very spirited one, and the best feeling prevailed throughout its deliberations.

On motion the Commissioners then adjourned to meet again at the Monongahela House, on Thursday, the 17th of March.

THE LONDON MONEY MARKET.—A London letter of the latest date says:—

"The slightly favorable reaction in the prices of the English Funds, which had commenced at the date of the last advices, has been quite maintained, and the whole of the decided increase of confidence is observable. The export of bullion to the continent seems for the present to have ceased, and the imports are on the same time more than sympathetically strengthened by a considerable recovery on the Paris Bourse, large shipments of coin, however, continue to be made to Australia, while the arrival of vessels with gold freights from the country is still delayed.

What—Throughout the country there is a considerable briskness in the trade, and we have to report a considerable extra rate ship at prices ranging from 45 to 50c, being quite 5@10 cents above the quotations of last evening. The movements at this time are of course of a speculative character, and the chances are in favor of a rise rather than a fall. Exporters, however, are realizing fine prices in advance of the maturity of the staple. The result of the movement is that the sales for city consumption were limited within the range of $5,12½@5,75 for common and extra brands. Rye flour and corn meal are dull, and prices nominal. Grain; nothing doing in wheat, prices have a downward tendency. Rye, no further sales. Corn dull, more offering; 63@63½ demanded for southern yellow, 60 for white. Provisions firmer, and in better demand.

NEW YORK, Feb. 18.—Sugar: sales 760 hhds Orleans at 5a5½; Muscovado 5¼6, steady. Molasses steady; sales 850 bags coffee, Rio, at 10½; Java 11¾, firm. Flour: sales 7,350 bbls State at $5; Ohio $5,31a5,43; Southern $5,50a5,56 The market opened heavy, but improved at the close; a small business has been doing during the week, purchasers demanding concessions not conceded. Grain: sales of 35,000 bushels corn, white, at 66; yellow 67, firm. Whiskey; sales 500 bbls prison 24½. Provisions: sales 400 bbls mess pork $17,06; prime $15,37a15,50, firmer: sales 200 bbls mess beef at unchanged prices, firm. Lard: sales 1000 bbls at 10¼@10½; keg lard 11¼, buoyant. Butter plenty at 13a15. Rice: sales 700 tierces at $3,62a4,25.

CINCINNATI, Feb. 18.—Evening.—Flour dull and prices nominal. Corn, sales 1600 bushels, in store, at 46. Whiskey, sales 700 barrels at 20; market steady. Cheese in better demand at 3¼@9. Lard in fair request at 9 for prime in barrels. Barrelled and bulk Pork dull and prices nominal. Coffee active, sales 1200 bags at 10¼@10¾, ordinary to fair Rio. Sugar firm, sales 29 hhds at 4¾@6¾, common to prime.—Cloversead sells more freely, 180 bbls sold to day at $5,20@$5,25 per bushel, principally at the latter rate. Dried Apples saleable at $1,25. Molasses dull at 29 to 30, with sales of only 500 bbls. The river is still falling; weather mild and cloudy indicating rain.
