26.TO ADVECTIBERS—Meither the Editorial Reomin nor Printing Establishment of the Dairy Garrers, are opened on Sunday. ADVERTIBERS who Gesire, their soutiess to appear in the Paper on Monday morning. will please hand them in before 5 o'clock, on Satoriay.

Wate Statz Convertor.—The Compiltee of Correspondence, composed of the delegates to the late Anti-Hemmit White Country Convention, are requested to met at the Court House, on States, the 10th inct., at 11 o'clock.

A. M. 10 appoint 7 designates to the State Convention at Laurester, each 24th of the present month, to nominate Canal Commissioners. Auditor General and Surveyor General.

Jonns Error, March 7, 1843.

Chairman.

THE MARIETTA BAILBOAD SUBSCRIPTION. pondent "D.", because we approve of the "largest liberty" in all discussions affecting the prosperity of this city. It is natural that men prosperity of this city. It is natural that men squally well disposed and equally single-minded, and anytonic to promote the public good, should widely differ on subjects of a purely-conomical and business character.

The france of overlands and business character.

The france of overlands and business character. and business character.
While giving "D." the free use of our colum

to urge his objections to the subscription to the and Central Railroad to oppose the right of way. Marietta Railroad, on the part of the Pennsyl-

the Cleveland and Pittaburgh Baylroad, '1 Harriaburgh, a day or two ago, and he informed us
that it was his design to place the whole line,
from Beaver to Bridgeport, under contract early
with that view. We hope he will be secondsel by Ilberal subscriptions on the part of
the clitrens of Pittaburgh. Those who invested
the all sompany heretofore, did we'l for themselves made money by it; and they have an
equally good opportunity now. They can make
selves made money by it; and they have an
equally good opportunity now. They can make
selves made mency by it; and they have an
equally good opportunity now. They can make
selves made mency by it; and they have an
equally good opportunity now. They can make
work of most decided importance to Pittaburgh.
Well, this line finished, the cars can run along
side the cars from Marietts, in the same depot,
the passengers cen cliange cars in two minutes,
and be half way to Pittaburgh, thouse we proportion
that it was his design to place the whole line,
the cattern banks and the store of the sudden decease of Hon. John Dickey was to can
be such that the loss will be
neartest regret that we are called upon to an
anounce the sudden decease of Hon. John Dickey.
We learn from one of our brokers that intellitree of the Eastern Sanks—Institutions, as we
see informed, established in Concettlent, and
anially owned in the city of New York. They
are the Eastern Bank, at West Killingly: the
selves made money by it; and they have an
equally good opportunity now. They can make
squally good opportunity now. They can make
work of most decided importance to Pittaburgh.
Well, this line finished, the cars can run along
side the cars from Marietts, in the same depot,
the passengers cen cliange cars in two minutes,
and be half way to Pittaburgh before they can be
transported, in carriagrage and omnibuses a milk
house set in order. He was a worthy man, a
kind friend, and universally respected. transported, in carriages and empineses a mile and a half, across the two bridges, to the Wheel. FOUNDRY PROPERTY.—A valuable Foundry ducements to passengers, at Bridgeport. By this means the Marietta Railroad will become a valuable feeder to the Ohio and Pennsylvania dailroad, and a most important business avenue

We have, second, the Steubenville Railroad, a shorter line to Bridgeport, and one which can be run in as short a time, from Bridgeport to

These are our facilities. Our attractions will be, first, a large manufacturing and business city; second, our un rivalled eastern Rallroad fa-cilities. We shall have three great Rallroad lines, extending to the three great eastern cities, and the canal. With attractions such as these, and with facilities so obvious, who can doubt that the Marietta Railroad, will prove a valuable bu-siness avenue to Pitteburgh; and that it ought to

beautiful and pleasant, and can be run so swifttolding, the route along the river will be so
beautiful and pleasant, and can be run so swifttolding.

A Good Charge for Invertment.—We direct
the attention of Pittsburgh capitalists to the advertisement of a Furnace in Somersot county.
When the Connelsville road is firshed, Somerset will not be inferior to any county in the state
for the supply of from. She possesses every revertisement of a Furnace in Somersot county.

When the Connelsville road is firshed, Somerset will not be inferior to any county in the state
for the supply of from. She possesses every revertise and materials is abundanced in the part of the part of the properties of the county in the state
of the supply of from the possesses of the part of

with Scaliffication, will grow as substantial as sided the Assignation is added the Assignation is a substantial assignation of the Assignation of

Which it appears Philadelphia designs carrying out by her municipal subscription on the one hand to the Hempfield road, and on the other by

Central Company spent their millions on the faith of the spending would be firm in resisting the right of ways. Nothing about the "faith" in the back out. In the first article he speaks about "the violation of faith;" but he says nothing about this in the back out. In the first article, that editor says they have given the Hempfield Road "the right and the power to demand the strength of our hand."

The right and the power to demand, not to solicit, which tesp and the strength of their hand.

Nothing about this in the back-out. But we have placed the original and the back-out. But we have placed the original and the back-out before our readers, and they can compare them.

We will only add here, that our article was published on Wednesday last. On Saturday, there was an article in the Times of Saturday, there was an article in the Times of Saturday, there was an article, but containing to the saturday, there was an article in the Times of the saturday, there was an article, but containing to the saturday, there was an article, but containing to the saturday, there was an article, but containing to the saturday, there was an article, but containing to the saturday, there was an article in the Times in reply, or rather in reference, to our article, but containing the right and the following:

You should have the Hempfield cut-off completed, as precisely to secve a connection whatever is necessary to secve a connection what the Hempfield and Marietta line. Your should subscribe a connection whatever is necessary to secve a connection what the Hempfield and Marietta line. Your should subscribe and on the Hempfield and Marietta line. Your should subscribe and the strength whatever is necessary to secve a connection whether the demand the strength of the Hempfield and Marietta line. Your should subscribe and connection to the thempfield and Marietta line. Your should subscribe and subscribed whatever is necessary to secve a connection whether the thempfield and Marietta line. Your should subscribe and subscribed whate

Now, Mr. Editor, let me ask you, with what sort of face can any littleburgher countenance the application of the credit of the Penna. R. B. Co., in which our County holds a million, to this Wheeling and Marietta concern.

It would in fact, be offering a bonus for the

Wills giving "D." the free ure of our columns to urge his objections to the subscription to the Marietta Railroad, on the part of the Pennsyl-wanta Railroad to epose the right of way, was dollous and injurious, and then followed the our views, and to dissent; respectfully, from the Railroad corporations subscribing to the stock of other and independent corporations, there may be, and is great difference of opinion. It is would afferly that a hill had passed the lituse, and was pending in the Senate, for the Earltoad corporations subscribing to the stock of other and independent corporations, there may be, and is great difference of opinion. It is certainly questionable policy, and may lead to establish the subscription on a whitper is heard. We shall waive this, then, and speak of the Marietta price tailing and marietta concern.

We make this sistement for the information of the Marietta Railroad, to opportunity to state our other words and then followed the construction of the Humpfield Raad. The Wheelings and Marietta Construction of the Humpfield Raad. The Wheelings and the same, and the

quisite, and materials in abundance.

Assilable, the Homestrad of Henry Clay.—
A very fine cograving of the residence of the late great American statesman, Henry Clay, by Sartialn, from Dauguerrotype views, has been published, and is for sale in this city by Mr. J. N. Hudson. It is a fice spacimen of American art, and a beautiful picture, and when to these recommendations is added the cherished associations sorrounding it, it must be greatly sought after.

The Secretary of the Treasury gives official notice through the Washington papers that the U.S. five per cent. stock, created under the provisions of the arts of 3d March, 1843, will, in pursuance of the terms of its issue, be redeemed at the Treasury of the U.S. on the first day of the Mr. J. N. Hudson. It is a fice spacimen of American art, and a beautiful picture, and when to these recommendations is added the cherished associations sorrounding it, it must be greatly sought after.
