The Honorable Judge Irwin then spoke as fol- cd Business, Mr. Brown, of Philadelphia, re-The Honorabic dunge armitten speak as not lows:

I feel that the tribute of respect to the memory of the Ismented Judge Gibson, which has just been spaid by the distilifusible gentlemen, is a very just one, and that no man deserved it better. The people of this State for forty years have been acquainted with his judical shillites, and it is due to them that this Court should comply with the suggestion which has been made. I know of no man who held a higher place in the respect and in the hearts of the people Union. the respect and in the hearts of the people Union. than the deceased, and I sympathize deeply in

minutes of the Court, and it will stand adjourn-ed until alon o'clock to-morrow morning.

On motion, referred to Committee

DISTRICT COURT. Immediately after the jury and retired in the Superintendents of the Lake Eric Telegraph line egates to attend the Printers' Ball and Banquet of the Mouse Telegraph line, officing the free for this (Wednesday) evening. death of Judge Gibson, late Chief Justice of the On motion, the thanks of the Union were us

nananca remarked that though the purpose of the National Union in pub-ness was pressing, yet the death of so eminent, a juriet seemed to require this customary mark of respect at their hands. He spake for Judge Williams, his Associate, as well as for himself, when he assured the gentlemen of the Bar, that the contract of the National Union in public the proceedings of the National Union in public proceedings of th Gibson produced emotions of heart-felt grief, their per centage.

After some discussion, Mr. M'Counner, of After some discussion, Mr. M'Counner, of

upon such an occasion as the present, to refer them. They recommend to the members early briefly to some of the leading facts connected action on whatever business they may have for with his heilliant Judioial careor. When quite a with his brilliant Judicial careor. When quite a the committee presented some amendments side at Beaver, Pa., and there commenced the practice of the law. From this he was called to facers. That each subordinate Union be required, precure of the law. From this no was called to the position of President Jadge of Common Pleas for one of the interior district, whence he was appointed, on the 27th of June, 1816, a Justice of the Supreme Court, in the place of the Hon.

A position of the Supreme Court, in the place of the Hon. of the Supreme Court, in the place of the Hon.

Hugh H. Brackenridge, who died June 26th of
that year. This rapid advancement for one so
young, was the reward of capabilities of a high young, was no reward of capacities of a night order and an incentive to still greater exertions. When he took his seat upon the beach of the Supreme Court, he found himself placed alongside that admirable jurist and pure-minded gentleman, Hon. William Tilghman, the Chief Justice; and he had for his associate another eminent gentleman, an ornament to the beach, namely, the Hon. Leave Yesles. Lared Lorseal was former true, the usual mode of counting com-

Maten term, 1621, for the Lancaster District, Gibson took his seat as Chief Justice. He was appointed on the 18th of May, 1827. His associates were Thomas Dunean Molton C. Ropers, Charlie Huston and Duncan, Molton C. Rogers, Charles Huston and John Todd-the last named, however, was appointed seven days after the Chief Justice received his commission. He continued to occupy his position of Chief Justice until the Judges were elected by the people, when in accordance cent. on the revenue of subordinate Unions he with legislative enactment, and by the operations of chance, the Hon, Jeremiah S. Black drow the tice, whilst Gibson became an Associate. Thus it will be seen that for nearly thirty-seven years,

the deceased sat upon the bench of the Supreme Court of this Commonwealth. During this long period, what vast interests page-word, to be used by printers in good standwere announced, and what conflicting points and sophistical arguments were obliged to pass the grave and searching review of his comprehensive intellect! His opinions are scattered port constitutions for subordinate Unions, emover and run through about sixty-six volumes of bracing general laws only, the Unions themhensive intenses. An opinions are scattered over and run through about sixty six volumes of our Reports. Of what Judgo in this country, or elsewhere, can so much be said?

He materially assisted in laying the founda-tions and in building up the superstructure of our jurisprudence. Some of his legal opinions our jurisprudence. come or us steal opinions are masterplaces, which have justly won admiration seem in the courts of Westminster Hall, and which will remain lasting memorials of his secolution in regard to a pass-word was retion seem in the courts of Westminster Hall, and which will remain lasting memorials of his Sitth, Forster, Whitcomb, Falls and Hubbard. Mr. Jeffers offered a resolution, authorizing and which will remain lasting memoriate of his skill and genius. It would be unnecessary to diste upon the fitness of his style, or the purity of his diction. These are familiar things to the genium of the bar, and are worthy of imitation. These are familiar things to the genium of the bar, and are worthy of imitation. His name will properly rank is point of the committee on Subordinate on Sub
