CONSOLATION.

There are moments when the spirit
Sinks, too faint for human aid;
When all hopes we may inherit,
Are in dust and ashes laid.
Voices dear to which we hearkened,
Into utter silence fall,
And the very sunshine darkened
Streams more faintly on the wall.

Happy they who then can borrow
Comfort from a higher life,
And from some distant sorrow,
Call a calmness to their strife;
Who can hear a voice from heaven,
Bidding all their anguish flee;
"Grace no earthly help is given,
Heavy-laden lean on me."

"Ye who labor, I have loved you,
As you toil for others' good;
By their baseness I have proved you,
By ingratitude withstood;
Once for man my tears fell faster,
Heaping scorn for my reward;
Ask discipline more than master,
Or the servant than his lord!"

To the Readers of the Pittsburgh Gazette

PUBLIC ATTENTION is respectfully invited to the following truths, set forth in relation to one of the most important remedies of modern times!

DETROIT, MICH., Nov. 1, 1852.—More than one year ago since the great remedy was brought before the public, by the name of Dr. Wm. Evans' Fever and Ague Pill, and ever since then, becomes fully appreciated in this community, and we allege that the longer it is tried the more certain will the virtues spread.

It is not the wish only of a day, got up for the sole purpose of making money by a medicine which cannot will continue to be used, when all other nostrums have been forgotten. The Petroleum is the Medicine of the age, and Dr. Evans' Pills are the only power and agency that laughs to scorn all human competition. This is our duty, when we write about a medicine, and we write the truth, and we say nothing calculated to deceive those who may trust our word or put confidence in our statements. Some sick are ever apt to catch at anything that promises relief from disease. A story can readily be told highly recommending the use of this or that drug or humbugging sense of them. Now, we do not desire to have any such connection with the truth in relation to our remedy should be told, in order to create for it a reputation far exceeding any single article in the materia medica. Simple vegetable remedies will continue to be used with us our city and neighborhood, bear ample testimony in favor of the Anti-Fever Pills.

Within the past two months, two of our own children, have been given up by the doctors, and pronounced in a final case of blindness, in the State of Ohio, have been cured. And, also, the case of a gentleman in Beaver county there are others in our own city, whose case is near home, and can be referred to by any persons who have doubts on the one subject. Those who were cured after they had been abandoned by physicians as hopeless. The Petroleum will cure when all other remedies fail. Rheumatism in the Diaphragm, Piles, Rheumatism, Gout, Neuralgia, Eruptions on the Skin Pimples on the face, Chronic Sore Eyes, Ringworm, Tetter Salt Rheum, and the Bones and joints of all sorts. Ulcers, Wens, Agua, Chronic Coughs, Asthma, Bronchitis, and all Pulmonary affections of the throat and lungs, leading to premature Consumption.

Burns and Scalds, diseases of the Bladder and Kidneys, Chapped Hands, Excoriated Nipples, Corns and Bunions—in fact, in almost every disease with which the past year will in the heads of the people, who will have a gesture in showing them to the afflicted or their friends.

Whatever others may say about their medicines, the Petroleum is the greatest Remedy of the age. Physicians of high standing are using it in their practice, and with it in their practice. Those who at first looked on with doubt and uncertainty, are writing in the end praise and consideration. The great remedy that will be compelled to acknowledge that the Petroleum is the great remedy for the afflicted. For sale by all druggists.

IMPORTANT TO THE AFFLICTED.

DR. ROSE'S CELEBRATED REMEDIES

—Dr. Jacob Rose, the discoverer and sole proprietor of these most popular and beneficial medicines, and sole the inventor of the celebrated instrument for inhaling the Extract, in the treatment of Chronic diseases, was a resident of that eminent physician. Doctor Physic, and is a graduate of the University of Pennsylvania, and for thirty years has been engaged in the investigation of old and the application of remedies thereto.

Through his researches, and in connection with his Anti-Prophylactic Syrup, and other of his remedies, he has gained an unparalleled reputation in curing those dreadful and fatal maladies: Tubercular Consumption, Cancers, Scrofula, Rheumatism, Asthma, Fever and Ague, Fevers of all kinds, Chronic Erysipelas, and all those obstinate diseases peculiar to females. Dr. Rose's remedies are used in the United States under the use of his remedies, to which humanity is indebted by the use of one compound only, for that it has been the means of saving the lives of thousands of his remedies, adapted to, and prescribed for, each peculiar form of disease.

Dr. Rose's Tonic Alterative Pills, when used, are invariably acknowledged to be superior to all others, as a purgative or liver pill, inasmuch as they leave the bowels perfectly free from constipation, as also their Golden pills are admitted, by the faculty, to possess peculiar properties, adapted to consumptives, and being satisfied that a bare trial is sufficient to establish what has been said, in the minds of the most skeptical.

The public are invited to call upon the agent, and procure (gratis) one of the Doctor's pamphlets, giving a detail of the manner of using his remedies.

Testimony from Tennessee in favor of S. A. Fahnestock's Vermifuge.

This is to certify that I call the attention of our readers to the certificate of Mr. John Merrill, in behalf of S. A. Fahnestock's Vermifuge. The gentleman is well known in Jackson county, and his statement is at least entitled to full credit.

Mr. S. A. Fahnestock & Co.—Gentlemen: For the benefit of others, I take pleasure in testifying to the valuable qualities of your Vermifuge. About two years ago my children were afflicted with worms, and I purchased a box of it in one of the Banks in Nashville, in which we gave it many days without any effect. Neither of the children were benefited with very satisfactory results. By his advice I took a vial of your Vermifuge, which convinced me that it was a very feeble and unsafe or frequent sickness. The Vermifuge expelled a great number of worms and the child is now in the enjoyment of good health. I have since frequently used it regularly in my family for most of the ailments of children, and generally with good success.

One remark, in the case, in the family of a near relation, I will mention. A child about three years old, about four years of age, had always been poorly, often attacked with severe pains, and worms were discovered, by some of the use of the Vermifuge. I recommended the use of your Vermifuge in the case, and let the half of a vial which I had used in my family be given to her. In a few hours afterwards that the child passed an enormous quantity of worms, dead and alive, some of which were in a short time, by the use of the Vermifuge, the size of a pea, and health began to improve, and the child is now in perfect health. This is a strong testimony in favor of the Vermifuge, the truth of which I will vouch for.

This route, from Cleveland to Chicago, is much the preferable one. The passengers are not subjected to be up to a first-class steamboat and taking the cars at Detroit in the night, but have the advantage of a good hour's ride through a pleasant country and over the best managed Railroad in the West. They also avoid the most tedious and disagreeable part of the journey, and must endure the fatigues of night riding upon the Cars, or the storms of the Upper Lakes.

For Freight, Cabin or Deck passage, or stake contracts for freight, will apply to A. A. PIERCE, Agent, Cleveland, (at the Office of the Cleveland and Erie Railroad Exchange,) or to JOHN A. CAUGHEY, Agent C. & P. R. Co., Monongahela House, Pittsburgh.
