Coppen Smalling.—The increasing yields of the Lake Superior Copper Missea are giving fresh impetus to copper smelling. The Detroit works of the Detroit and Waterbury Company have doubled their capacity for business, and besides the new furnace, a range of buildings are going up for the purpose of attracting the copper that is known to remain in the elap or refuse taken out of the smelling furnaces.

TRAINER CASE—LAW TRIUMPHANT.—Judge
BARGULO, yesterday morning, at the City Hal
to Brooklyn, gave his decision in this long-contested case. A very large and intensely intercisted and seems as in attendance.

He accompanied his decision with a written
opinion, which our readers will perceive, by reference to it, was replete with sound law, noble
