

HOME MATTERS.

COURT OF COMMONS.—Before Judge McCorquie, President and Associate Adams and Boggs.
Commonwealth vs. Susan Gust. Indictment against her for the murder of Sarah Johnson. The defendant is a colored girl, aged 18, who was born in the 6th Ward. She was found dead in a room in a house on Westward, defying the efforts of the friends.

[SACRED DISPATCH.]

The fire-brake out in Stratford's story shop on Broad Street was completely gutted, lost \$2000, which did not cover the loss. The next building, two stores below, was also gutted. The two houses were burnt, less considerable.

The fire is still raging. It is feared it will burn the block on both sides of the street.

Commonwealth vs. David Rodger. Indictment, on oath of Thomas Williams, Esq., that the defendant was charged with publicly robbing dwelling houses of the prosecutor on the 2d of July, and the amount of his larceny therefrom \$10. It happened that two of the houses were never circulated in this city before, Mr. Williams having never been to either of them from the east. A broker testified that the defendant was one of the men to his office to be charged with larceny, when questionable cases came into his possession, at one time saying he had been engaged by gambling, and at another, he had labored for his living. He was found guilty, and remanded for sentence.

Commonwealth vs. John Kehatney, Jr. Indictment, on oath of the 6th Ward Birmingham. Guilty, and sentenced to 10 months' imprisonment.

Commonwealth vs. Ellen Donaghey. Indictment, on oath of Thomas McNamee. The defendant is accused of having stolen a \$20 gold piece from the pocket of a man who came into his pawnshop on Prospect-street. Not guilty, and pronounced not guilty.

Local Committee of the American Association for the Advancement of Education. A meeting of the members, P. M., in Fourth Ward Common School House, on the 1st of August, to consider the city in August next. A full report of the proceedings of the Committee.

Commonwealth vs. John Johnson. On the 1st of August, D. H. Clark, H. D. Bell, M. D. Bell, D. Howard, W. H. Fadock, F. K. French, W. H. Hale, L. Harper, Prof. James Thompson.

Gazette. A correspondent of the Chronicle who signs himself "A Member of the Eagle Fire Company," requests us to correct the statement in your paper that he was a member of the Eagle Fire Company. The fact is that he is the most young man of his age, he has no relatives or friends with whom he can be identified, and his case, happily, is not yet solved.

We will make the correction, though unable to give him justice, whatever he did or did not do.

Axeman.—An axeman was Sunday night the most dangerous criminal in the city. The Mayor's Police, however, set to work to apprehend him, and succeeded in arresting George Deane, John Deane, Neil McWayne, John Harpe, Andrew McWayne, and Connelly. A number of stolen articles were found in their possession. In details of hall the Mayor committed them to jail.

Incarceration.—Some evil disposed persons or persons in the combinatories in the vault attached to T. H. Clegg's safe, on the 1st street, on Tuesday morning about one o'clock, discovered the door was open, and the safe was open. The St. Clair Hotel was found to be on fire. The alarm was given before any damage was done. Doubtless the same person or persons guilty of the two crimes.

Fourth Grade.—Jacob Rodger, indicted for assault and battery with intent to commit murder, was found guilty yesterday. He was sentenced to 10 months' imprisonment in the Penitentiary, and at the same time ordered to give bail in \$1000 to keep the peace, his Honor holding that he was sorry he was not able to inflict a heavier penalty.
