New Coach Factory—Allegheny.
M. A. WHITE & CO. would respectfully inform the public that they have erected a Shop on the corner of Rebecca and Belmont streets. They are now making and are prepared to receive orders for every variety of Carriages, Coaches, Barouches, Buggies, Phaetons, &c. &c., which from their long experience in the manufacture of the above work, and the facilities they have, they feel confident they are able to do work in the most workmanlike manner, and on those wanting carriages in their line.
They have on hand a large selection of materials, and having none but competent workmen, they have no hesitation in warranting their work. We therefore ask the attention of the public to our establishment.
