HOME MATTERS.

IMPORTANT ARREST.—Information was despatched to Officer Hague a day or two ago, that a stranger had left a carpet bag in a saddlery store in Brownsville, Fayette county, and not calling for it, it had been opened, when $1100 in counterfeit money was found inside. Search was instituted for him, but he had left town.—Hague accordingly posted himself at the Brownsville landing, above the bridge, yesterday, and as the boat rounded to, he noticed a suspicious looking man, whom he immediately resolved to arrest. The man came on shore, where he was met by an acquaintance, and while in the act of shaking hands with each other Hague, stepped up and arrested both, and conveyed them to the Mayor's Office. A carpet bag in the possession of one of them was opened, and about $800 in good money, and $3000 in counterfeit money were discovered. The counterfeits were well executed, and were of the denomination of $2 on the Bank of the Empire State at Butter, New York.

The prisoners called themselves Perry Randolph and Wm. Little, and stated they were from Detroit, Michigan. They were examined yesterday afternoon by Mayor Biddle, and Little discharged, and Randolph held to bail for trial.

PITTSBURGH, July 26th, 1853.

An adjourned meeting of the "Pittsburgh Building and Loan Association" was held this evening, at Cargo's Hall. The meeting came to order by calling Dr. Robt. Wray to the Chair; Geo. R. M'Lain, acting as Secretary.

Mr. M'Lain, chairman of the committee to prepare a Constitution, presented their report, which was read by the Secretary.

On motion, it was resolved, that the Constitution be read by sections and acted on by the meeting.

After about one half the Constitution had been read by the Chairman of the Committee, and considerable remarks had been made by those present, and various alterations in the Constitution having been made, the Constitution was, on motion, adopted as amended.

A motion was made by Mr. M'Lain, that the Association proceed to the election of officers for the ensuing year; previous to which the subscription book was opened for signatures. The election resulted in the choice of the following named persons:

President—Dr. ROBERT WRAY.
Treasurer.—A. Wilkins.
Secretary.—George E. M'Lain.
Directors.—B. M'Lain, R. Reis, John S. Shaffer, Jasper E. Brady, Thomas M. Little and H. T. C. Morgan.

On motion, the thanks of the Association were tendered to Mr. Cargo for having kindly given the use of his Hall for the meeting gratuitously.

On motion, all the city papers friendly to the Association were requested to publish the proceedings of this meeting.

On motion, the Secretary was ordered to open the books for additional subscriptions at B. M'Lain's office, No. 21, Fifth street, and give notice thereof through the daily papers.

On motion, adjourned to meet again at the call of the Board

ROBERT WRAY, President.
GEORGE E. M'LAIN, Secretary.

COUNTERFEIT MONEY.—During the past few weeks, a very large amount of counterfeit money has been put in circulation in this region.—On the Western end of the Ohio and Pennsylvania Railroad, counterfeits of different denominations on the State Stock Bank of Ohio, Pickaway County Bank of Circleville, Miama Valley Bank of Dayton, Merchants' and Mechanics' Bank, Buffalo City Bank, Westfield Bank, Oneida Valley Bank, Hartford Bank, and Lancaster Bank, have been passed in large quantities. As the counterfeits are very well executed, in the way of business they are passed of without any difficulty. Our readers should be on their guard for them.

NEW FREIGHT TRACK.—The new freight track entering the depot of the O. & P. R. R., on Federal street, Allegheny, which we noticed some days ago, has been completed in a substantial manner. Over two hundred feet of the track is supported on very strong bridge work. The platform, fronting on Federal street, is being raised from the end of the depot to the height of the car, and will be extended the whole length of the freight track, until the latter joins the main road.

FALSE PRETENCES.—Leopold Tuteur, of the firm of L. Tuteur & Brothers, instituted suit yesterday against Thomas Bailey, before Alderman Bingham, on a charge of obtaining $86 69 in goods from them under false representations, and with intent to defraud, on the 11th August, 1852. Bailey was arrested and held to bail.

FIRE FEARS.—Our old friend, Mr. John Murdock, has laid upon our table some pears of most delicious flavor, of the Bloodgood, Early Crawford, and Madeline varieties. Mr. Murdock always has the best of fruit, and as a horticulturalist and Nursery man, is among the best in this region.

ASSAULT AND BATTERY.—Abraham Rudolph was arrested yesterday at the suit of his brother, George, charged with assault and battery and robbery, before Alderman Harjie. The prosecutor contended that during the fight his pocket book slipped out of his pocket, when his brother took possession of it. It contained ten dollars. On his brother promising to refund the ten dollars, the charge of robbery was withdrawn, and the assault and battery suit compromised.

TEMPERANCE MEETING.—An open meeting of the Sons of Temperance was held on Tuesday night in Allegheny, at which WM. NICHOLSON, Esq., G. S. made an eloquent address.

A Maine Law meeting was held last night in the Market House, Allegheny city, at which Messrs. Nicholson, and Jackson (the State Agent) delivered addresses.

GOOD MOVE.—As there is no provision made by the Allegheny Councils to keep the streets of that city free from dust and dirt, the citizens living in Robinson street, between Federal and Sandusky streets have clubbed together and engaged persons to attend to that duty on that street.

SURETY OF THE PEACE.—MRS. WILCOX, a notorious woman was committed yesterday in default of bail, by Alderman Hays, of Alleghany, on two informations for Surety of the Peace.

SETTLED.—Andrew Bumgaertner, A. Schenck and Frederick Drescher were arrested on Tuesday and taken before Alderman Hays, of Allegheny City, charged on oath of John Nock with Assault and Battery and Surety of the Peace. The cases was finally compromised.

NEW LODGE.—A Lodge of Odd Fellows was organized at Port Perry, in this county, on Tuesday evening last, by W. C. Gillespie, D. G. M. Master for Allegheny District. The new Lodge is entitled "St. Johns, No. 467."

DRUNKENNESS.—Alderman Harjie fined two persons yesterday, for drunkenness and disorderly conduct. They paid their fines and were discharged.

DISORDERLY CONDUCT.—A man named Young was arrested yesterday and taken before Mayor Riddle, for acting disorderly. A fine was imposed, which he paid.

ASSAULT AND BATTERY.—A woman named Kelly instituted a suit yesterday against her husband for brutal assault and battery upon her. Alderman Major, before whom the suit was entered, issued a warrant for the man's arrest.

DISCHARGED ON BAIL.—Hammer who was committed some days ago by Mayor Riddle on a charge of assault and battery with intent to kill, was discharged yesterday on $1000 bail.

DIED.—The Rev. J. J. Buchanan, a well known Minister, of Allegheny city, died on Tuesday, at his residence, after a lingering illness.

SINGULAR ACCIDENT.—On Sunday afternoon, a little boy about six years old, a son of Robert Shryock of Gay Alley, near the East Common, Allegheny, fell from a couple of steps, fracturing his arm.

PASSENGER TRAVEL.—During the week ending Monday last, there were 6,198 tickets sold at the different stations of the O. & P. Railroad.

Yours, respectfully,

WOLFE'S CELEBRATED SCHIEDAM AROMATIC SCHNAPPS—Deeming it necessary to remind any regular merchant of the Materia Medica possessor of the celebrated medicinal properties of pure Holland Gin in many diseases of a chronic nature, I respectfully invite your attention to a very superior article, manufactured by myself expressly for medicinal purposes, at Schiedam, in Holland, by a process practiced by no common distiller. It is flavored with a rich variety of the aromatic herbs, but by the choice botanical spices, Virginia extract distilled and rectified with its spirit, it is rendered mild, and thus becomes a concentrated tincture of the purest Juniper and aromatic, altogether transcending in its cordial and medicinal properties, to any Holland Gin here before known.

Amid the influx of inferior distillations with which the market is now flooded, physicians find no little difficulty in procuring a good and pure Gin, which they can prescribe with confidence in its healthful effects. A perfect knowledge of my business standing, in the city of New York, and possessing a matured experience in the manufacture of Schiedam Schnapps, I beg to submit to your notice which will enable you to realize your utmost expectations, and I shall be happy to furnish you a bottle of the same, free of charges, in answer to a letter intimating your readiness to receive it.

It is now scarcely one year since I have prepared and distributed my Schiedam Gin exclusively for medicinal purposes, yet visible that relief which it has received in numerous cases, both acute and chronic, warrants me in testifying to its really extraordinary virtues in diseases of the kidneys. Those which this country abounds, a pure Holland Gin is scarcely to be procured, and the public are hereby put on their guard against the impurities of any inferior or spurious Gin coming from, or shipped to this country, as the Wolfe's Schiedam Schnapps is commonly known as Potato Spirit, Fusel Oil, or Amills Alcohol, and other deleterious ingredients, will be subject to the penalties of the law.

Prepared at the Distillery, 82 Wall street, N. York.

Extracts from the New York Medical Gazette and Journal of Health, edited by M. Hawks, M. D., LL.D., 712 Broadway, October 1, 1852:

HOLLAND GIN AS A MEDICINE.

In our last number, we accompanied the publication of a circular on the subject, from our fellow citizen, Dr. Philip Wolfe, Esq., with a brief notice of the article from our own views. Since then we have been employing its use, and thus far with success. Indeed, it is so very much the subject of several communications on the subject from medical men, with whom it is a favorite, that we shall institute enquiries as to its origin, &c., &c.

Dr. Schmidt's Blood Purifier is very extensively in use, and is highly recommended by a physician in this city as a stimulating diuretic, to be eminently successful after other remedies with this have been tried in vain. In one of the cases thus reported, abdominal dropsy had been partially removed by the use of gravel, so called, of considerable size, which is ascribed to the use of gall and bladder stones.

Dr. Schmidt is the inventor of Mr. Wolfe in dispensing its preparation by the Holland Gin, and is justly meritorious as a chemist, for of his own initiating it in his advertisements, and in his circular of instructions, he says: "Dr. Schmidt, of Cincinnati, has discovered a process by which the bitter principle of the Gin is entirely removed, and the diuretic principle only retained." This is a mistake, as it is well known to the profession, that the bitter principle of Gin is its colour, and that the rectification of the spirit, upon which depends its purity and strength, removes the medicinal properties of every kind of gin usually spoken.

Accordingly, it has been found that the spirituous liquors are more or less impregnated, and which renders them unfit for medicinal purposes, a fact which renders the blood—which causes such injuries in the system, that the Holland Gin is justly meritorious as a diuretic, and is not used, and towed by regular Low-Dutch distillers, for delivery of Gripon, insurance and effected thereon.

Economy is the Road to Wealth.

NO FAMILY should be without KEATING'S GENUINE EXTRACT OF COFFEE, as one pound of this invaluable article goes as far as ten pounds of other Coffee. It clears coffee better than anything else, besides giving it richness and strength, suitable to the most fastidious taste. It is also more wholesome than Coffee, prepared in the usual way, and contains ingredients the most delicious, and invigorating to the system. Sold by J. W. F. KEATING, Pittsburgh, who is also the manufacturer for the United States, and to whom all orders, accompanied with the cash, will meet with prompt attention. Letters addressed to J. W. F. KEATING, U. S. Military Academy, [illegible] must be post paid.
