The "New Orleans" Meritus—Pursuant to call, a number of our most prominent citizens met at the State Court Room, at three o'clock yesterday afternoon.

On motion—

John M. Biddle, Mayor, was called to the Chair.

Rev. Messrs. Bryan and Black were appointed.

Mr. Biddle, in an appropriate speech, stated the object of the meeting to be the raising of a subscription for the use of the Howard Society, New Orleans, which had been established by sufferers by the prevailing epidemic in that city.

Mr. Wilson McDonald presented a preamble, and a resolution, which, after some discussion, was referred to a committee of five members of the Council.

The mail between Montgomery and Atlanta suffered from the prevailing epidemic in that city, so that the post office delayed the sending of the mail to the 20th July are received.

The news of so fierce return from West-
ern Texas gave large majority for the Whig party, and there is some probability of his election.

The mail between Montgomery and Atlanta, containing \$20,000, are said to have been abraded.

The citizens of Pittsburgh, Allegheny and the neighborhood, have assembled in town to devise measures for the relief of the suffering humanity, who are scattered in houses to which they have fled.

Animated by a sense of duty, and anxious to render material aid to a sister city, now prostrate with disease, we have sent \$10,000.

Received. That from our hearts we express to the people of New Orleans our deep sense of sorrow and suffering, and that we will extend to them all our sympathy and support in their efforts to alleviate the distresses of a stricken and individual calamity.

Received. That every christian and philanthropic organization in this city has adopted the best means to relieve the suffering people of New Orleans.

Received. That the Chairman appointed a committee of citizens for each ward in the cities of Pittsburgh and Allegheny, and the neighborhood, to collect money for the relief of the suffering, and as the same are collected, the same will be forwarded to the Howard Association.

On motion of Mr. Robinson, the resolutions were adopted.

Mr. Biddle stated he would fit the blank in the resolution, as follows: "For the morale of the people, and for the welfare of the public health."
