HOME MATTERS.

MEETING OF THE DUQUESNE GREYS.

DUQUESNE GREY'S ARMORY,
Pittsburgh, Aug. 23, 1853.

In pursuance of notice previously published, a meeting of the Duquesne Greys, and other retired volunteers, was held in the Armory of the Greys, on Tuesday Evening, August 23d.

The meeting was organized by the appointment of Capt. CAMPBELL as Chairman, and *W. G. Miller* as Secretary.

A Committee, consisting of Capt. John Herron, Capt. Alex. Hay, O. H. Rippey, Col. Robert Anderson, Captain H. W. Binder and J. L. Black, was appointed to report Resolutions expressive of the feelings of the meeting, in reference to the untimely and melancholy death of the late General JOHN BENNETT, of Philadelphia.

After a short absence, the Committee returned and submitted the following Resolutions, which were unanimously adopted:

Resolved, That we have heard of the sudden and untimely death of Gen. John Bennett, of Philadelphia—formerly Captain in the First Regiment of Pennsylvania Volunteers—with the most profound sorrow and regret.

Resolved, That in Gen. Bennett, while living, we recognize a man who endeared himself to all acquaintances, no less by his social than his martial qualities. That the high position he attained—political and military—by his courtesy and his efficiency, his urbanity and his integrity, is the most valued legacy he could have left to his friends; and that his career on the field of battle, on the toilsome march, and in the peaceful avocations of private life, now, in his death, furnish an example worthy of commendation and emulation.

Resolved, That in the death of this accomplished gentleman and gallant soldier, society looses one of its brightest ornaments—our State one of its best citizens, and our country one of its truest defenders.

Resolved, That in sympathizing cordially with his family in this afflicting dispensation, we tender them our sincere and heartfelt condolence, with the assurance that we shall never cease to cherish his memory, his friendship, and his services, with the warmest emotions of love and gratitude.

Resolved, That in respect to the memory of the deceased, we will wear crape on the left arm, and drape the ball in mourning, for the space of thirty days.

Resolved, That a committee of three be appointed to transmit a copy of the proceedings of this meeting, and of the foregoing resolutions to the family of the deceased, and that the Secretary cause the same to be published in the papers of Pittsburgh and Philadelphia.

Resolved, That the foregoing resolutions be spread, at large, upon the minute book of this Company.

O. H. Rippey, Capt. John Herron and Mr. Frost were appointed the committee provided for in the 6th resolution. Whereupon the meeting adjourned *sine die*.

DAVID CAMPBELL, Pres't.
W. G. Miller, Sec'y.

THE HABEAS CORPUS.—At ten o'clock yesterday the arguments on the writ of habeas corpus, Com. vs. William L. Gould, charged with the murder of Hamilton R. DAWSON, were heard.

Messrs. Pollock and Reed appeared for the defendant, C. Hasbrouck, Esq, for the Commonwealth.

The evidence before the Coroner's Jury was read on behalf of defense.

Mr. Morrow, of the firm of Haigh, Hartspee & Co., testified that the defendant had been employed by him for three years, and during that time had sustained an excellent character.

Judge McClure stated that no matter how innocent a man may be, in a case of homicide, he should never ask for a full discharge on a habeas corpus, as a verdict of a jury would dissolve the calumnies of enemies. The prisoner for his own sake should not ask for a full discharge. Besides His Honor was of opinion that it was contrary to the nature of a writ of habeas corpus.

The ball of Gould was fixed at $1000, which was given by Mr. Morrow, one of his employers.

The prisoner was discharged.

ANOTHER HABEAS CORPUS.—A writ of habeas corpus was sued out before Judge McClure by C. G. O. Loomis, Esq., in the case of Com. vs. Jos. Myers, lately committed by Mayor Riddle, on Tuesday evening, on the charge of murdering James Bishop, on Monday evening.

C. Hasbrouck, Esq., appeared for the Commonwealth.

On the part of defence it was in evidence that Bishop was acting in a disorderly manner in Cairn's tavern, on Monday evening, and was ordered out of the house, but he would not go. The defendant then picked him up and carried him to the door, and pushed him on the pavement—Bishop fell, his head striking the bricks and fracturing his skull.

Judge McClure decided that it was a very plain case of bail. The prisoner was ordered to enter into recognizance of $5000 to appear at the next Court of Quarter Sessions.

THE "OMNIBUS" CASE.—The Omnibus case came up for hearing yesterday afternoon before Alderman Backmaster. The suit was instituted by the "Sabbath Observance Association." An information by J. S. Normine, was read by A. M. Brown, Esq., counsel for the plaintiffs, charging that on every Sunday lines of omnibuses were running on worldly business, and not on works of charity or necessity.

Judge Shaler, for the defense, put in the plea, that owing to the distance of Lawrenceville from the city, a large number of the citizens of that place would be unable to attend the churches to which they belong; that a large number of families moved to Lawrenceville because the omnibuses ran in connection with that place, and that stopping the running of omnibuses would be considered a great calamity, and would cause the removal of a large number of families to the city, from that place.

A number of witnesses were called, among whom were Major Butler, Mr. Magee, Mr. Fohlansbee, and others, residents of that place, who fully sustained the plea of the counsel for defence. Some of the witnesses stated that if the omnibuses were discontinued they would be obliged to move to the city.

The case was laid over for further hearing until to-day, by Alderman Backmaster.

REMITTED.—Governor Bigler forwarded a requisition which was received by the Sheriff yesterday afternoon, remitting the forfeited recognizances of Ross Hughes and her sureties. Mrs. Hughes was indicted for keeping a tippling house, and failed to make her appearance at the time appointed for trial.

LEYDEN.—Leyden, the man so badly hurt on Monday night, is still in a very critical condition. He was removed to his home, yesterday, a distance of about three miles from the city.

BAIL REDUCED.—Henry Rea, who was arrested and held to bail in $3,000 for defamation of character, appealed to Court, through his counsel, yesterday, for reduction of bail. The Court reduced the sum to common bail.

INDEFINITE RESPITE.—An indefinite respite for Jewell was received by Sheriff Magill yesterday morning from Governor Bigler. It was brought to this city by the Hon. George Darsie.

NEW ENGINE HOUSE.—A lot on Seventh street, above the Rev. Mr. Passavant's Church, has been purchased, on which the new house for the Neptune Engine Company will be built. Workmen are at present engaged in digging the foundation for the new building.

A RUN OFF.—Two horses attached to a wagon ran off from the Allegheny Depot, on Federal street, on Tuesday evening. The driver, a man named Hamilton, was thrown under the horses feet, and very much injured. He was taken to his residence and medical assistance called in.

CAMP-MEETING.—A Camp-Meeting will be commenced to-day, on the farm of Charles Barrett, Esq., three miles east of New Brighton. We understand a large number of our citizens intend being present. Ample arrangements have been made by the Ohio & Pa. R.R. Co. to carry visitors to the ground.

MAHONING VALLEY RAILROAD.—Since Monday, $17,000 have been subscribed by the citizens of New Brighton to the Mahoning Valley Railroad. It is thought that $30,000 can be raised by private subscription without difficulty.

DEATH OF A PITTSBURGHER.—Capt. Thompson, (brother of Horatio Thompson, Esq., of the Post Office,) died of Yellow Fever in New Orleans, on Tuesday. Captain Thompson is a well known citizen of this place, and his untimely death will be lamented by a large circle of friends.

MAYHEM.—Jno. Barclay was committed to jail, yesterday, by Alderman Heisley, charged with this offence. It appears he struck a man named John Heffman in the eye with a red-hot poker, destroying his eye.

ACCIDENTALLY SHOT.—Mr. Samuel Shore was shot accidentally in the ankle by a pistol, which he was firing off on Tuesday evening. One of the barrels of the pistol "hung fire," and he unthinkingly dropped it to the level with his foot, when it went off.

INDEFINITE RESPITE.—An indefinite respite for Jewell was received by Sheriff Magill yesterday morning from Governor Bigler. It was brought to this city by the Hon. George Darsie.

FINGER SHOT OFF.—A boy named James Keenan, engaged at Jackman's Livery Stable, accidentally discharged a pistol with which he was playing, the load striking one of his fingers. It was injured so badly, that Dr. Walters, who was called in, was obliged to amputate it.

ASSAULT AND BATTERY.—Alderman Daft committed Goalist Sharp for assault and battery, last night on complaint of the defendant's wife.

POCKET PICKED.—A man had his pocket picked at the Liberty street depot, on Tuesday night. The thief has not been detected.

ASSAULT AND BATTERY.—Thomas Hamilton was committed by Mayor Riddle, yesterday, for assault and battery, on oath of George Till.

LATER FROM CALIFORNIA.

ARRIVAL OF THE NORTHERN LIGHT.

NEW YORK, Aug. 24.

The Northern Light arrived from San Juan, with California mails, and $1,100,000 in specie brought down by the steamer Cortez.

The store ship Manco was burnt in San Francisco harbor on the 24th of July, together with her cargo, valued at $40,000. The store ship's cannonier, Herbert, was saved with great difficulty. Both the store ships with their cargoes, were owned by Crosby & Dibble.

The steamer Golden Gate arrived up on the 18th.

All the arrivals at San Francisco report experiencing very heavy weather off the Cape, receiving more or less damage.

The Sierra Nevada arrived on the 31st.

Joaquin, the bandit, has been captured and beheaded. His gang were either taken or dispersed of.

The rust is injuring the Wheat. The crops of barley, corn and potatoes promise a heavy yield.

Accounts from the mining region are cheering.

Oregon dates to July 25th, state that the mines in that territory are doing well. There was great scarcity of water, and the weather was very warm, but the crops promised well.

SAN FRANCISCO, July 31.—Trade has been active since the last steamer. Superior flour is scarce; advanced to $20@$21, for Hazall & Gallego. Other descriptions of good $15@16 50. The stock of inferior is large and much of it unsalable. Rice, better, 6@7¼. Butter active at 30. Lard active at 16@19. Provisions inactive. Eastern grains dull.

THE PESTILENCE AT NEW ORLEANS.

NEW ORLEANS, Aug. 21.

The Yellow Fever is increasing here every hour, and the alarm is becoming universal.

No one appears to be exempt from its attacks, and many of our most respectable citizens are now suffering.

Among those most recently attacked, are R. M. Holbrook, of the Picayune, and Thos. Adams, Esq., the well known President of the Crescent Insurance Company.

Mr. Holbrook arrived here only a few days since from New York, by the Black Warrior.—He had previously had the fever, and has been in the midst of nearly all the fearful epidemics that have ravaged the city.

Yet it seems he was not proof against another attack. We state this to show with what fearful malignity the fever rages, and how it is almost impossible for any one to feel safe from its attacks.

Among the deaths yesterday were John G. Browers and Mr. Robson, of the firm of Robson & Allen, merchants of this city.

Many clerks have likewise been attacked. At the present moment at least one hundred are suffering from the fever.

The rain is pouring down now in a perfect flood.

THE VERY LATEST.

NEW ORLEANS, Aug. 23.

The whole number of deaths for the forty-eight hours ending at 6 o'clock this morning, was five hundred and fifty-two, of which four hundred and sixty-nine were of yellow fever.

Besides the above fearful mortality, there were thirty deaths of disease not stated, which will swell the entire deaths during the two days to *nearly six hundred*

CINCINNATI, Aug. 24.

The Ohio Democratic State Convention to-day nominated Mr. James B. Myers, of Toledo, for Lieutenant Governor, Mr. Bliss having resigned, and also H. H. Barrey, the Principal of the Hughes High School, of this city, for School Commissioner.

THE SUBSCRIPTIONS TO THE NEW ORLEANS SUFFERERS now amount to nine thousand dollars.

The city is unusually healthy.

HAGERSTOWN, Md., Aug. 21.

At Williamsport, I learn the Cholera again made its appearance on Friday last; two ladies died. Funkstown, two miles from here, has been visited by the Cholera to disease. In the last two weeks, some five or six have died.

LOUISVILLE, Aug. 24.

A despatch from Jackson says that the Yellow Fever is awful at Vicksburg. At Natchez every body is leaving, who is able to get away.

NASHVILLE, Aug. 24.

The amount collected here for the New Orleans sufferers is $3,200.

MONETARY AND COMMERCIAL.

The foreign imports of the week including the Dry Goods falls in our last paper amounted to $3,061,785, the general merchandize list being $1,722,062.

The Sub-Treasury, notwithstanding the recent large impartements, still shows enormous balances which seem difficult to reduce. The imports at this port from foreign ports on the other hand exhibit a decrease for the month and the exports a corresponding increase as compared with the corresponding period of last year, as is shown by the annexed tables:

FOR SALE—The undersigned will sell his SOAP, CANDLE, LARD OIL, AND STARCH MANUFACTORY, on the bank, between Ninth and Seventh streets, ZANESVILLE.
The premises are extensive, embracing the entire square between Cypress alley and Marietta, Seventh and Water streets, extending to the Ohio River. The buildings are large and well built, and the fixtures and conveniences for the manufacture of Soap, Candles, Lard Oil, and Starch are not surpassed by any factory of a similar character in the West. The building is three stories high, including a spacious well ventilated basement, and could be advantageously converted into almost any other kind of a manufacturing establishment.
The business of the concern is large and could be much increased, and is now well and permanently established, so much so that a rare opportunity is now offered any one desirous of a capital investment of money in a lucrative business. Terms moderate and payments easy.
