O'CONNOR, BROTHER & CO.,

The Romanizars.—The Democratic papers of this sity do not like the Whig nominations. We take the charge, at this tits, seven information that we are gratified to find that they do not. Romanizar interest the property of the surface of the property of the prop

orthe Sun or a Lamp, as well as ever. I shall call on you and got another pair, in case I should have any misfortune with them, as I would not be without them under any consideration. Yours, Respectfully,
JUHN MAGES, corner High and Webster streets.
Privategis, July 11, 1863.
MR. SOLOMONE—Being compelled to wear Specificles, I have never been able to get a pair but what made my open acide.—I have tried a great number of glasses, but always failed, until I obtained a pair from you. I can see by day or candle-light, for any length of time, with the greatest ease and comfort.
Mrs. Waterman is very much pleased with her glasses.
I remain, Yours, Truly,

Harkies of vision. D. B. SUTTON,

THE NEW YORK TRIBUNE.

A CO

WEEKLY ENLARGED. ON the 11th of last April, THE DALLY TRIBUME, having completed the twelfth year, was calarged more than one-fourth, or to the size of The London Thues, making it considerably larger than any other Crean Bailt until the considerably larger than any other creat Bailt until the constant of the constant o

checitally send copies we this purpose upon direct or jectivally application. "THE NEW YORK WREELY TERBUNE suters on its thirteenth year on the old of September, when it will in like manner be enlarged in the size of the Semi-Westly and Daily, adding more than ope fourth to its capacity—and Daily, adding more than ope fourth to its capacity—and Wilhout increase of price. This Enlargement adds at least \$20,000 per amount to our superness, in addition to the praying sent of our bally enlargement already effected. All our selfdons will, from the lat of September cost, sought in estimate one and beautiful type, now in rt, appear in splirely new and beautiful type, now in arse of preparation expressly for this paper. Out next, appear in sufferly new and beautiful type, flow in course of preparation expressly for, this puper. Our steam Cylinder Presses are not surpassed by any in the world. Even, though our Weekly Eddition should be racidly run up to 100,000 copies, we are prepared to print uni mail every/copy on the day (Thursday) that the form is put to Piess, without interrupting; or retarding the regular issue of Cony three Daily editions, amounting to Twenty-odd. Thingsand copies. We stand ready to adopt any improvements, however expensive, which will reable us to dissenting to intelligence more frightly and

to proclaim. It has not been and never can be a mer barty organ. It has supported the Whig party because the distinctive principles of that party separed to favo the great ends which it has aboved to subserve; it never the distinctive principles of this party appeared to layor the great ends which it has aborded to subserve; it were advected a measure because it was proposed or surfained by the Wile party. It holds then a fail times as free to condamn unwound principles, unwide measured or corrupt acts should that two former by propounded or the latter perpentived by White as though they had managed from the hostile camp. In so far as feed, Morry, Education, Temperance, Internal improvement, and Industrial Provident—Authories W. Thompson. White Manager and the provident may be subserved by adding with the Whig party, it must continue to be, as it has been, whig.

Though niver acting with any Abolition we other carries party, THE THEMENE is and must be the relenties of of Human, Slavery, as of whatever alse thands to degrade Labor and obstruct the inclinetual and social development of any portion of mankind. Were, it able to perceive that a vote in New York could abolish Sissery in the Carolina, it might attach thesif to come one of the expression and the substance for the shadow of political endough the substance for the shadow of political action assists Elsever in the States. climes to abandon the substance for the shadow, or political good. Mut, while it does not see its way clear to shy affective Political action, against Slavery in the States which now chorieh it, it regards the defect of whatever effort to extend the shall wrong under the fing of our Union, or to obtimet by its rower the progress of about the tent value, as among the most urgent and sacred of public duties, not to be subordinated to any party consideration whatever. And while it does not propose to make Ant-Slavery the basis of Political action, to the thind a defensive, it will, ingired no opportunity.
