On this point the Louisville Courier says:

"We learn from a gentleman who arrived from Memphis yesterday, that one fatalcase of yellow fever had occurred at Vickburg, and seven at Natchez up to the time the Unole Sam passed ithat point She reached Memphis last Wednes. day, and was the latest arrival from New Orleans, and the Captain and others had the discusse, but were getting well. A peculiar feature in the disease was that most of the persons who were attacked, would get nearly well in a day or two; but would invariably have a relapse, which, in most cases, termi nates fatally."

The "Usole Sam" arrived at St. Louis on

ALLEGHERY COURCILS—At their late mocing the following business was transacted in Alleghery Councils.

The Committee on streats reported resolutions authorizing the paving of Montgomery Avenue from Lest Common to Water street; the East and Second concurred in, and the third referred to the Committee on City property.

The motion to appropriate \$1,000 to the American Engine House, was laid on the table in both Councils.

The Committee on Markets were authorized to except the coast of paying the seat and successful teachers of the age is again at the head of the Writing Classes in Daff's College.

LARGENY.—Marshall Swartzwelder was com-

The Committee on Markets were authorized to exquire into the cost of paving the east and north ride of the fill market.

The Breet Commissioners were directed to inquire into the cost of building a bridge over the Canal on Chestnat street.

The Breetal Committee relative to obstructions in the Allegheny river, reported in S. C., with a resolution to employ Thos. Williams as additional connect. The report was accepted, but the resolution was lost. In C. C concurred in provided Mr. Williams name was retained, and the expense did not exceed \$100. In S. C. amendment concurred in.

oxpense did not exceed \$100. In S. C. amendment concurred in.

The Committee engaged in compiling the city ordinances were, on motion, requested by the Councils to report progress.

The Manchester Plank Road Co. were ordered in both Councils, to be notified to repair their road from Webster street to the City-line, and raised to the grade at the intersection of Charles street, and the Treasurer was ordered not popy money due them, until the resolution was compiled with. In S. C. concurred in, with an amendment prohibiting the Mayor from drawing warrants in advance.

An ordinance was adopted in both Councils repaining an addinance resolution and dieregating an addinance prohibition and councils repaining an addinance prohibition and councils repaining an addinance prohibition and councils repaining an addinance prohibition to the city were present besides the Bishops.

Mr. Copeland claims, in his invention, the dispension with rack wheel, gig wheel, and log or timber wheels of the old mills, by sentripets or timber wheels of the old mills, by sentripets or central spindle, in connection with a rectangle triangle relacting shaft, containing an endless screw and pinion wheel, playing on two endless screws on the main shaft, nod rack of the saw carriage. In obtaining eight distinct reverse medions applicable to all kinds of machinery, where reverse motions are required and a specific improvement claimed. Also, an improved Saw the second outs per minute with four saws. Also, in improvement in setting and confiaing logs or imbrovement in setting and confiaing control of the former way of imbrovement in setting and confiain got the former way of imbrovement in setting and confiaing and confiaing control of the former way of imbrovement in setting and confiaing control of the former way of imbrovement in setting and confiaing and confiaing control of the former way of imbrovement in setting and confiaing and confiaing control of the former way of imbrovement in setting and confiaing and confiaing control of the former way of imbrovement in setting and confiaing and confiaing control of the former way of imbrovement in setting and confiaing control of the former way of imbrovement in setting and confiaing control of the former way of imbrovement in setting and confiaing control of the former way of imbrovement in setting and confiaing control of the former way of imbrovement in setting and confiaing control of the former way of imbrovement in

Mr. Copeland filed a caveat some time since of a patent.

BWINDLING.—A warrant was issued for the arset of a man named George Wright, charged the appropriating to his own use, the aum of 11 78, the proceeds of the sale of two hundred deventy dozen of eggs, sixty pounds of builer, wen gallons of apple butter, and six bushels fruit, belonging to the prosecutor. Andrew are: The man had been engaged by Lanix to I the articles, receiving half the profits for trouble. He, however, thought the whole a would recompense him much better than the aparatively small amount named, and consecutly refused to deliver say of the money, srigalled cn.

POLIOH ARRAMGEMENTS FOR THE FAIR.—Exive anangements have been made as regards for regulations during the Fair Week. Mayor offee will put on fifteen extra policemen, eight whom will be stationed at the two entrances, r at the Treasurer's Office, and the remaining se in and outside of the enclosure.

The Blate Society have engaged twenty-five sous in addition to act as constables and them within the enclosure. Mr. H. S. Evag. of Allegheny, has been appointed trea Superintendent of the Police.

Rapass .- Jacob Snyder, Jno. Snubb, Geo. sepans.—Jacob Snyder, Jno. Snubb, dec.

1, Jno. Beyer and John Spindler were arrestin capias, yesterday, issued by Prothonotampbell, and were committed in default of
on a charge of treapase. The defendants
can in the habit of gathering boulders on
operty of the prosecutor, Archibald Hambut the Seven Mille Island, though they had
humber of times ordered to desist. The
had been placed in the position from
they were taken, in order to preserve the
ly from the eneroschments of the river.

JEWELL'S EXECUTION —Yesterday, the 2d of September, was the day appointed for the execution of David Jewell.

tiers street, and the Treasurer was ordered not to pay money due them, until the resolution was compiled with. In S. O. concurred in, with an amendment prohibiting the Mayor from drawing warrants in advance.

An ordinance was adopted in both Councils repeating an ordinance prohibiting the erection of wooden buildings.

At a meeting of the Pitisburgh Bar, held at the Court House, on Friday morning, the following resolutions, drafted by a committee, consisting of Messra. Dunlevy, Hopkins, and McClowry, were, after appropriate remarks by the President and John M. Kirkpatrick, Esq., unanimously adopted:

Whereas, it has pleased an All Wiso Providence friend and fellow member of the Bar, Samuel Fleming, therefore,
Resolved, That while we bow in reverent schemistion to the will of our Almighty Father, we would express our deep and polgnant sorrow at this melancholy berearement.

Resolved, That in our deceased brother we have lost a faithful friend, society one of its brightest ornaments, and the profession a mism. he whose matured abilities would have shed additional instrue upon its reputation.

Resolved, That we hereby tender our heartifelt sympathy to the family and relatives of the departed in this their sad affiction.

Resolved, That sa a token of respect for the memory of our brother, we will, as a body, attend his faneral this afternoon, and wear the usual badge of mourning.

O. H. BIPPEY, President.

Jahr H. Bailer, Seerclary.

JAME H. BAILET, Seerstary.

IMPROVED SAW MILL.—We noticed briefly some time ago, the invention of a patent Saw Mill, by Mr. A. S. T. Copeland, Liberty street. The model has been completed, and fully answers the expectations of the inventor. The machinery is very simple, can be erected at less than helf the expense of the common kind, and is capable of doing more than four times the amount of work.

A meeting of citizens was held last night at doing more than four times the amount of work.

Mesonic Hall, late Postmaster of this city, and now President of the Ohio and Mississippi Railroad Company, was attacked in the streets that he streets the seening, by Dr. Ames, a returned Californian, and abot, the ball entering the abdomen and lodging in the back. The wound is danger out.

A meeting of citizens was held last night at Mesonic Hall, to take measures to have Judge Jacob Film impeached. A resolution to that

TROY, N. Y., Sept. 2.

The Democrats of the 22d district elected delegates to the State Convention to-day. The party had a split, the Barnburners elected Samuel Duglas. The Hunkers organized a separate Convention and elected Charles J. Wilbur. The Barnburners endorsed the State and National administrations. The Hunkers adopted the Astor House resolutions. There is great excitement.

Naw York, Sept. 1:

Gerritt Smith has given \$1,000 to the Howard Association of New Orleans for the relief of the sufferers.

The Courier of this morning states positively that Mr. Walker will not go to China.

The receipts of the Crystal Palace which were amounced to be for the relief of the New Crienas sufferers, were not so large as the usual re-

Naw Orleans, Aug. 31.
