than any similar calamity for a great number of years, in any part of the world. The cholors, whose supervision sho was built were thought to be entirely inconsistent with anything like unity such triumph upon the human race. After having the contract of the world and the contract of the world on the Canada aide of the river, such has spread all over Louislans and Texas, and the larger part of Miss. Consinghame's gailt (1) also the contract work upon her was superintened towns of the interior, and has spread all over Louislans and Texas, and the larger part of Miss. Louislans and Texas, and the larger part of Miss. Consinghame's gailt (1) also the contract work upon her was superintened have an accepted by them. She never performed has a superior. Hardly a plantation has secaped. Many towns have lost one-fourth or one-third of the row should be shown that the bear of the many yard, and will perhaps go when turned sentence and that it is more that in the resulting first in the passage of the fill destroyer. Late accounts say that it now attacks old rections have lost one-fourth or one-third of the strain of the rave of the contract work upon her was built were hore to the rave of the fill destroyer.

In the part of the rave of the fill destroyer and destruction is still than when it first appeared. At Point Coupee, 35 persons have died out of 5 peptalation of 300, and the cases are becoming still more numerous. The designation of the cases are becoming still more numerous. The designation of the contract was received at the Transfer for the ravege of the full destroyers.

As a probability of the series of the means of executing the rave appeared to the rave, and that it is more is all desironly the part of Miss Cansinghame's make the rave raging in the rave raging in the rave raging in the rave raging in the world and the rave raging in the means of executing the rave performed the part of Miss Cansinghame's make have raging in the rave raging in the rave raging in the rave raging in the interior, and has all de

paralised energies. They are in danger of a reose of their protectors, thousands of children ave fatherlass or motheriess. There is scarcely a family where there is not one or more dead .-It is not in the power of time to heal the breach-ee made by this terrible visitation.

The country of the co

Lewis had neen received. It is supposed that the had fied to Canada.—Cin. Gast to have deeper him: The more deeper to the position of the Navy, and the general reformation of the Mayaville, under the second of many of the Mayaville, under the second of the Navy, and the general reformation of the Navy, and the general reformation. The more deeper the world general reformation of the second of the Navy, and the general reformation. The more deeper the world general reformation of the Navy, and the general reformation of the Navy, and the general reformation. The more deeper the world general reformation of the Navy, and the general reformation. The more deeper the world general reformation of the Navy, and the general reformation. The more deeper the world general reformation of the Navy, and the general reformation. The more deeper the world general reformation of the personal formation of the Navy, and the general reformation. The more deeper the world general reformation of the personal reformation of the personal reformation of the personal reformation of the second of the limit the creation of the second of the limit of the creation of the second of the limit of the creation of the second of the limit of the creation of the second of the limit of the creation of the second of the limit of the creation of the second of the limit of the creation of the second of the limit of the creation of the second of the limit of the creation of the second of the limit of the creation of the second of the limit of the creation of the second of the limit of the creation of the second of the limit of the creation of the creation of the second of the limit of the creation of the second of the limit of the creation of the creation

PITTSBURGH GAZETTE.

| The first is the words is spreading fast, and is in progress described the first with the first playmage from first playmage from first state that the first playmage from fi

drads of those who take the disease and recover, to conduct themselves as they please, in or out and themselves with broken constitutions, and of office. This is flat burgiary, and if the adparalised energies. They are in danger of a re-lapse or a endden decline which finishes the pinch of snuff, they would both be turned out; lapse or a success accurate water immanes pinon or snan, and, which will be done with but it is probable that nothing will be done with ing the credit of it. Many widows mourn the them for the present. They will help the Whigs carry the State election against the administration, and then they will be turned out, as a reward for the service.

Mr. Dix has proved his subserviency to the

South and slavery, to no purpose at all. He could not get the French Mission, and now to

Start in the power of time to hind the breached.

What as Invaluable bleeding do we spipe it to without an invariant to the sense in a stellar microred window is violation of some law of health.
