sincerity; to aggravate each other's supposed errors; to searibe to each other's opinions con-sequences which the holders of those opinions Table, and better liked by each of them than either of the others, that they are yet a vigor. Own sand many poople, capable of holding their sown sgainst any equal odds; that their condition is now in every respect far superior to what it was at the tumo of the last war with Russia; indentify, to aggravate each others supposed errors; to ascribe to each other's opinions con-sequences which the holders of those opinions would utterly disavow; and thus, instead of ze-garding them merely as illogical reasoners, they have learned to brand them as corrupt in

and the ground that he was a revolutionist, and an associate of Marrini in the recent revolution-ary movement in the peniesula. We have rea-son to believe that the Spanish government will reject, for congenial reasons, the appointment of Mr. Soule, as American Minister to Madrid; and a about a statut that their army is not only large, well disciplin-ed, well provided and effective, but is backed up that their army is not only large, well disciplin-ed, well provided and effective, but is backed up on to government can command; that they have no dobt and are not exhausted by taxailor, and that be shad there is no Power in Europe which can enter up-on a defensive war with such chances of success. In abort, Mr. Henningten brings forward sub-stantisly the views with which the readers of m. Urquhart's writings on Turkey are acquaint do be hoped, that in the struggle which now seems imminent, the Turke may justify these opinions. Every generous heart in Christendom would exult to see them al.ne driving the Back protechard to such faith in the views of most probaby lies midmay between these who protain it to be in the last stage of decay, and the write who. His Mr. Henningwen, hold it up as twery rich in the Mark tage of decay, and twery rich in the Mark tage of decay, and twe write who. Mike Mr. Henningwen, hold it up as twery rich in the interning the wer. mr. Soule, is American Minister to Madrid, and so should not at all be surprised if the Nespoli-tin grevroment were to reject Robert Dale Owen, on secount of his socialistic and extreme opin-ions, se developed during his career in this coun-try. A curious question and discussion may spring up from these rejections, which will lead to some etrange and remarkable developments hereafter.

KRWREDT'S BARE NOTE REVIEW for Noven ber is upon our table. Besides its usual full information noon money affairs it contains a facsimile of the "Unadilla" counterfeit, large num bers of which are in circulation.

According to a statement in the New York Times, compiled from the records at Washing-ton, the total home valuation of the Cotton exported from the various ports of the United States up to June 80th, 1858, was \$109,646,-857, against \$87,965,782 up to the same pericd
