As soon, therefore, as any affection of the liver is perceived, we may be sure that the digestive organs are cut of order. The first thing to be done, is to administer a specific which will and directly upon the stomach—the mainspring of the antisk machinery. For this put pose we can recommend IGOPLAND'S GREMAN BITTERS, prepared by Dr. C. 38; Mackons, Philadelphia. Acting as an alternities and a fonic, it strongthens the digestion, changes the condition of the blood and thereby gives regularity to the-bowels. As Bee advertisement.
