There will be the leading questions before the next Congress. But besides these, our Foreign Relations, the Korta case, the Turkish war, the Bronson case, the Pishery question, the Homestead bill, and other incidental questions, will come up, and engross a portion of time.

Congress, therefore, will be the bewind the multiplicate of topics for talk, it is hardly reasonable to expect that there will be much time found for accomplishing the real work of the session.

Month after month will be spent in idle wramgling and disputing, and at the heal of the session.

Month after month will be spent in idle wramgling and disputing, and at the heal of the session.

Such is the programme before us:

We presume the public measures will be called up and passed on, in the furry and confident to sundification. The party ergaged in making the location from Meyers Mills that the report had the lejunction dissolved, and with the aid of a posse secured something over \$10,000 from its blank the pignetic nate to be a posse secured something over \$10,000 from its blank the pignet and consequently we can be made a posse secured something over \$10,000 from its blank the pignet and consequently we can be made to the the continuous to the beard of directors, we believe, to the theorem of the beard of directors, we believe, to the the heavy section, as soons at the necessary to the office were failed by the holders of its paper. The annexation of Cuba and the Sandwich Islands will come up, either directly or incidentally. We look for any amount of blatant oratory upon these topics. All the young Democratic applicants for fame, in the House, will mount these allies Bank and failed. The section, it is easily the babbies, expecting to ride into greatness thereon. Young America will, on these topics, have full opportunity to display itself.
