Reese's Patent Coupling and Foreplate,

FOR RAIL-PLATE AND SHEET-ROLLS,

CAN NOW BE SEEN IN OPERATION

at Morris Bailly, Brown & Co.'s Rolling Mill, Pittsburgh, or the "Sharon Works," Mercer county, Pa. The advantages of my improvement are—that it obviates the ... of turning the engine or throwing off the crab to ... or shut off the steam. Scouring, as the top roll is ... horizontal and disconnected in an instant without respect to the engine, crab or anything else. The FOREPLATE is also ... placed, or displaced in half a minute, without removing ... guide, screw, bolt, or nut. The last, though not least ... advantage of my improvement, is that by it you are enabled to scour Rolls between heats, thus making a blazing ... Rolls on Rail-plate and Sheet-iron that has never been got ... before. Further information, or a right to use the ... Reese, can be obtained on the premises.

JOHN REESE.

Manager of "Clinton Mills," Pittsburgh. n1
