PITTSBURGH GAZETTE. PUBMENED BY WHITE & CO. PITTSBURGH.

TUESDAY MOBNING, NOVEMBER 22, 1858. READING MATTER WILL BE FOUND ON HACH PAGE OF THIS PAPER.

182. Firstands Winit Gairtis.

istion of our Weekly Gazette offers to our business a most desirable medium of making their business k Our circulation is between four and are thousand, no slanest-every village and ounty in Western Fe ania and Eastern Ohio.

83.70 ADVERTARES—Neither the Editorial Ecommon Printing Establishment of the Datt Gastrix, an epsage on Sunday. ADVERTISEES who desire their motions to appear in the paper on Monday morning will please hand them in before 6 o'cleck, on Saturda

INFIDELITY.

ple. The judgment of the author, and of the recognition and in all that can be desired in that relessed in this, that they have been a beginning the spect. which, sithough not of the first scientific cast, is yet of such a character as to meet the wants of the great mass of the reading, thinking, inelligent people, who are only partially informed se to the state of religious controversy at have neither the time, opportunities, nor facilities for investigating as they would like the still more brilliant principles and dootrines of infidelity, in the Taesday evening. form they have most recently assumed, Here, the work is valuable. It names the various chief

tions, of Socialism and Communism, of the re-ligious and civil bearings of error. It adorns ts pages with quotations from the brightest authors of Europe, se well as the darkest, it warns us of infidel tendencies where we least suspect them, it uncovers the coy serpent lurking be neath the verdure and the flowers.

on the subject of Roman Catholic toleration in on the subject of Roman Catholic toleration in Maryland, which has been the theme of main declamation and misrepresentation. The facts of history disperse the mists of error on this subject; and exhibits the Romish Church in its subject; and exhibits the Romish Church in its rore, unwaying character in all ages, as the bitter ensmy of religious toleration. The truth is, the Romish Church cannot be tolerant, without the Romish Church cannot be tolerant, without hairs false to its doctrines, character; and true spirit. She subdase error, not with the gentle lamb-like patience of the prince of peace, but with the sword, with persecution, fines, imprisonment, confiscation, the inquisition, cruel tortures and death. Her victims are counted by Mr. Talbot, which has at length demonstrative that the sword, with persecution, fines, imprisonment, confiscation, the inquisition, cruel tortures and death. Her victims are counted by Mr. Talbot, which has at length demonstrative that the same interpretation of the feasibility of excavating rock and tunnelling through mountains, by means of reaching interpretation of the Moloch of her idolatrous superstition, cries day and night, "How long, oh Lord! We are not surprised therefore to find that the claims which have been set up by Arch-Bisbop Hughes, and Bishop O'Connor, of Catholic toleration in Marying the prince of the cutters advances forward in the direction of the axis of the tunnel, in order to keep the cutters advances forward in the direction of the axis of the tunnel, in order to keep the cutters to their work, as the face of the cook is out away by the operation of the marging the cutters advances forward in the direction of the axis of the tunnel, in order to keep the cutters to their work, as the face of the cook is out away by the operation of the marginal process.

FLEMING BROTHERS, WHOLESALE DRUGGISTS.

concress The number blessed with the Liu. It is fifty-oue. President Pierce, 600. Clifford, of ly question." He could speak in his peculiar way for any given length of time, in a clear, loud and sonorous voice that alone would have elevated some men to the top of the political ladder. Some years since he commerced a harangus from the steps of the broaker's Johair in the Hall of Representatives at Weshington, and produced a sensation of which he never ceased to be proud. It is said that many years ago he was really a capital of \$100,000 propose to send a first class river eteamer, 190 feet long, now nearly ready first read and made him a monomaniac upon the subject of politics. He was a harmless and in the shead and made him a monomaniac upon the subject of politics. He was a harmless and in the shead and made him a monomaniac upon the offensive creature, and his presence at our street corners during election times, will be eadly missed therefore preserved in the court of Magistra Presence at our street corners during election times, will be eadly missed therefore by the rising generation."

**Continue Proposition of Clifford, of Massa. And Judge Campbell, of the Supreme Court, being three blessed.

**Experitions to true Amazon.—An enterprise that being three blessed.

**Experitions to true Amazon.—An enterprise that the open and the open and the promises and the open and the presence of the Amazon. Of the capital, it is said, \$60, obtained the promises of the Amazon. Of the capital promises and any open and the presence of the Amazon. Of the capital promises and the promises and the promises and the promises of the Amazon. Of the capital promises and the promises of the Amazon. Of the capital promises and the promises

When death is at the door, the remedy which would have saved life, it administered in timecomes too lake. Do not triffe with disease. Rely upon it
when the streamen will not digest food—when faintness
and lastitude pervade the system—when the sleep is disturbed, the appetite feeble, the mind letherarie, the new
unnaturally sensitive, and the brad confused—rely upon
the confused—rely upon unnaturally sensitive, and the used continuously upon tit, that when these symptom occur, the powers of vitall-ity are failing, and that, upless the mischief is promptly shocked, life could be shortened, as well as reedered misers ble. New we know from a mass of testimony, greater than wasever before a neumolated in favor of one remedy, the HOOPLAND'S GERMAY BITTERS, propared by Dr. C. M. Jankson, Philadelpida, will immediately abute, and, is the end, swittedy recurve all of these disorders as surely as an attemmatical process will solve a problem. Who
