PITTSBURGH GAZETTE.

A NOTAWORTHY CIRCUMSTANCE in relation to the present condition of the dry goods markets of the United States, is that, while foreign fabrics are abundant, and prices low, those of domestic manufacture are in demand at high prices. The first is to be attributed mainly to the immense importations which have flooded the country. The custom-house statistics of the port of New York for the present year, show a most extraordinary amount of importation of foreign dry goods, to such an extent, indeed, as even to astonish the ultra free trade journals of that city. But to what can we attribute the simultaneous demand for domestic goods, and the increased prices they bring? We pause to indulge in conjectures, but the dry goods men themselves do not know how to account for the fact.—*Phil. N. American.*

A man sometime ago assaulted in Berwick, Me., was removed over the line to his residence, in New Hampshire, where he has since died. Judge Howard, of Maine, has charged the Grand Jury of York county that the murderer cannot be indicted, at common or statute law, where the deadly wound was inflicted in one State and the man dies in another—so the murderer will escape all punishment by this new difficulty.

SALTSPRING, Vermillion County, Ill., May 2, '53.

MR. SELLERS:—Having used your Liver Pills, Cough Syrup and Vermifuge in my family for more than 6 years, I believe I am justified in saying to the public that they are now receiving a better medicine now in use. I will never be without them, unless they cannot be had. I think in this section of the country they have saved hundreds of dollars in doctor bills. I would recommend the Liver Pills in preference to anything else, in derangement of the diseases.

Yours, respectively, JAMES ASHMORE.

Triumphs for the World's Safe Company.

THE following letter was received from Mr. Hawley D. Clapp, proprietor of the Fort Hamilton House, and needs no explanation—it speaks for itself:

FORT HAMILTON, Oct. 25, 1853.

World's Safe Company, No. 119, Fourth st., N. Y.:

GENTLEMEN—Your agent called on me to-day, to learn the result of a safe (Jillie's Patent), which passed through the burning of the Fort Hamilton House. I am too much engaged in full public business, but will say that the safe had a very severe test. The building took fire about 11 o'clock on Sunday night, and was entirely consumed. No engines were present to smother the flames, and no house was there but that the safe was red hot for several hours. When the safe was dug out of the ruins, and opened, contrary to my expectations and all who witnessed this destructive fire, its contents were found in a most admirable state of preservation. I have the fullest confidence in your valuable safes, as proof against fire and burglars, and wish you to forward one, one size larger, to Everett Place, Union Square, New York, which I shall order about the 15th of next month.

Respectfully, HAWLEY D. CLAPP.

The above company have just been awarded the highest premium by the American Institute, Castle Garden, New York, for Jillie's Patent Fire and Burglar Safes, and Sutton's Bank Lock, which, with the many other premiums they have received, and tests they have gone through, places them deservedly at the head of all other securities for the preservation of valuables against fire and burglary.

A large stock of these superior articles for sale, at reasonable rates, at our store.

Important to Travelers Going East.

THE early hour, three o'clock in the morning, at which the EXPRESS TRAIN starts for the East, from Pittsburgh, had made it very inconvenient for travelers going by that train, compelling them to be aroused at a most uncomfortable time (say o'clock A.M.) or else to remain up all night. This inconvenience is now obviated by a late arrangement. That Express Train now breakfasts regularly at LATROBE, instead of Blairsburg—so that travelers East can leave Pittsburgh at 5 o'clock P. M., by the Accommodation, which arrives at Latrobe at 7½ o'clock P. M., have pleasant quarters there over night at the large and elegant Hotel of Mr. Keagle, breakfast comfortably with the other passengers in the morning, and pass on East by the Express, reaching DAYTON, 1 P. M., ALTOONA, 4 P. M., THE WAY from Pittsburgh to Philadelphia or Baltimore. Every provision is made at the Hotel, for the accommodation of guests and visiters by these trains. jy11tf
