of men and guns, and the weight of metal. It must also be remembered that the Turkish fleet had with it at least two, if not more, British naval officers of experience and reputation, whose removal had been demanded by the Casr—we never knew why demanded.

The destruction of the Turkish navy at Navarine was accomplished by the fleets of France, England and Russia combined. A more stupid blunder was never committed than that was on the part of England and France. Nor was a more miserable act of refinaism ever perpetrated by soy power, under any circumstances. It was a great triumph for Bussia, over Turkey and the rest of Europe, a triumph of arms over the one, and of cunning over the other.

But a greater blander has been committed in suffering the Russians to destroy the Turkish or moral disqualification, he has the right to the suffering the Russians to destroy the Turkish of moral disqualification, he has the right to the suffering the Russians to destroy the Turkish of moral disqualification, he has the right to the comment of the properties of people, who bowed as they marning.
