13. TO ADVERTISERS-Neither the Editorial R

## FERDINAND E. VOLZ.

Notice to Advantisans .-- We are now engagad in re-setting our advertisements in new their cards, as they wish to have them word ed; and any others of our advertigers who wish any change made can be accommodated without ditional expense, if attended to soon.

The Erry Marks.—We never witnessed more nonsense, and unfairness, and injustice, than the advices will prove the disaster of the Turks to the only again to

of Pennsylvanial Guess the company will do it.

The American edition of Household is to be united among ourselves and present but six to be united among ourselves and present but six to be united among ourselves and present but six by being the control of the bull to the Logislature. A few weeks ago were at least three billes at the control of the Base control of the Base Control Ombohalf of the State Control Committee. Phys., at . \$2 per annum. A most excellent On behalf of the State Central Comm.

Orse or size Cardinates day, we not dess. Larinery,

Warning Orse, 20, 1853.

It is said that Secretary Gathrie has share a
position with reference to the condingent found
of the Senate, which is likeny to aggravate the
siliences of felling size-size, cardinates for the General Secretary of the
Senate, which is likeny to aggravate the
bit senate and draw no money out of the Treehim and that powerful body. He decides that
under the sub-treasury least the Secretary of
the Senate and draw no money out of the Treesilience for the Senate, which is like the ware the Genet and assemting
sequely, by gring boad and security; and that
sequely the gring boad and security as a
district that the surface of the Senate of the S

cortain that those who did cross were unable of Fenny will do it. What this ten million is to do when it gets together, to the Mills of the College, in the College of the College, in the College of the

desire this any more than New York and Ohio, and is as much interested as New York Buffals and Clevelaud, in the settlement of the quastion. No doubt some mode will need be found to come to terms.

The Philadelphis North American and Baltimore American have each put on new drosses, and present a very handsome appearance. Both these papers are well deserving the presparity which attends them.

Turkey.

To the Nditor of the Pittaburgh Daily Gazette:

Daan Sir:—Having Just returned from attendance with the State Central Committee, but with retined in being able to inform you that After protracted an ishorious of forte, not only among the members of the Central Committee, but with various other organisations, when we at last completed the draft of a Probibliory Law, to be presented to the Legislature; and what we consider of great importance, we have eccured the co-operation of the friends of the cause in the eastern part of the State, so

And the proposed of the control of t

member and east of the \$20,000,000 annual value of herizon production? That does not meet the caseit is sixtled that bankers in New York are warting to their correspondents abroad not to look of Pemoryivanials securities. That does not answer.

Note any one, nor all these measures combined mately fig. 200,000.

The remedy the writer recomments is to hold are conventions—one in the West, representing 6,000,000. The other in the Basi, representing 6,000,000 the other in the Basi, representing 6,000,000 the other in the Basi, representing 6,000,000. The other in the Basi, representing 6,000,000 the other in the Basi, representing 6,000,000. Let the people then by these Conventions the them is set to immediate in the other own hands and demand a highway as anobstructed and as untrammeled as the light of heaven—as free from all betts correctly and the second of the same wither, to the New York and the same and the s

certain that those who did cross were unable cortain that those who did cross were usable

The London Shipping and Mercantile Gazette
of the 10th inst, in its weekly review of the Grain

The Times says, that two gentlemen connecte The Times says, that we gentemes connected with the law, in this city, are engaged in writing a play founded on the incidents of the riot. The play is to ombrace some in Fromen Half, the watch house, the police court, the Bishop's residence, and the locality where the riot occur-

F. Brown's Essence of Jamaica Gin-F. Brown's Essence of Jamaics, time-per—This Essence is a preparation of unimpal accellence, n critisary diarrhoss, incipione cholers, in short, in all-ness of protestation of the dispettive functions, it is of nestimable value. Darling the prevalence of the spidemic holers and suminer complaints of children, it is peculiarly discatons; no family or individual chould be without its
