The search desired and Selectards. The search desired and selected and the line follows Clark's Branch of the Columbia, on which the line is represented as very favorable. Should a good pass be found across the Casado mountain, north of the Columbia, then the road will leave that river, and continue due greef, through that pass to Paget's Sound. But.

Should a good pass be found across the intreest she created continued to the close of ber course. This shows remarkable powers, on their customers, but have deposited an option of the course of the road will leave that river, and continue due could not have sustained the expect through that pass to Paget's Sound. But.

Should a good pass be found across the intreest she created continued to the close of their customers, but have deposited an our leafur of the course. This shows remarkable powers, opinion to the role, and the intreest she created continued to the close of their customers, but have deposited an our leafur of the course. This shows remarkable powers, opinion to the role, and the close of their customers, but have deposited an our leafur of the course. This shows remarkable powers, opinion to the role, and the close of their customers, but have deposited an our leafur of the course. This shows remarkable powers, opinion to the role, and the close of their customers, but have decided to the course. This shows remarkable powers, opinion to the role, and the close of the course weet, through that pass to Paget's Bound. But should not such pass be found, then the road will continue down the river until that mountain is porth west to Puget's Sound.

This is certainly a favorable route, and one

## Common Common

Joseph Abel & Co., is the style of the assed, when it will probably reach tide water firm on the corner of Smithfield and Fourth sta. by two branches -one down the river, the other lutely L Wilcox, & Co. This popular Drug and Prescription store will less none of its good ase will better accommodate the business of proprietors.

in the parent of Marsellies have decided to bake none of their usual supply of oakes offered to their patrons, during the holidays,—and have promised the municipality 20,000 pounds of bread last; ad, for, the poor.

The bakers of the little town of Boulogus, in the outskirts of Paris, have decided upon a similar measure, to the amount of 4,000 pounds of wread, to be distributed during the Christmas (sek.)

it resemblance.
