The Post and the Union, of this city, have said ing on the subject, as yet, that we have seen, the President, if he chooses to maintain the policy marked out by the Louisiana Senator. Mr. Slidell's plan for the rel e of Cuba is condemned by the Richmond Examiner, a leading Democratic journal. That paper also expresses its desire that the President would change his cabinet. But it is too late for the present executive to redeem himself. The examiner believes that with a better cabinet he could rally the Democracy again to his support. This will sound like an absurdity to all who are aware of the extraordinary deficiency in Gen.
