to provide against its casualities, and of having abown indifference and negligence; but whatev-ere be the cause, the symptoms of popular indig-mation were not to be mistaken. It is probable that the inhabitants of St. Petersburg have al-roady begun to feel more soverely than the peasants of the interior the ovills which war brings with it. They are nearer to these parts which are most exposed to hostilities; and they must be among the first to suffer. But it is car-tial of the Russian Empire. Greece-The Army of Occupation. PITTSBURGHGAZETTE.

ital of the Russian Empire. Greece-The Army of Occupation. The Moniteur of this (Saturday) morning an-nounces that Gen'l Forcy, commanding the 4th division of the army of the East, has proceeded to the Pirmus, with a view of taking possession of that port. A body of English marines, which have been placed under the command of General have been placed under the commany Forey, form part of the expedition.

Forey, form part of the orpedition. Wallachia. The Prussian Correspondence by sthat Prinse Paskiewitsch has issued orders to General Dan-neberg to suspend the eracution of the, western portion of Great Wallschia, and that the latter has been reinforced, so as to caable him to de-fered the line from the. Aluta to the Jaloumitra. It is also said that General Livrandi is ordered to recross the Aluta; (ordently for the purpose of drawing off some of Omer Pacha's troops from the centre.) General, Luders, it is added, has advanced with 32,000 men within two cannon ahot of Silistria. The free corps are to be reorhot of Silistria. The free corps are to be reor anized.

ganized. A tolegraphic despatch from Bucharost, of the 20th inst., states that an encounter took place on the 18th, on the road from Ressova to Sillis-tria, and that the Ottomans retreated to Sillistria. Didam mer therem a terms for burger on the folidges were thrown over the river on the following day, and three Russian divisions crossed; so that Silistria is now enclosed on all sides by the Russians.

The Protocol of the Four Powers. A private letter from Berlin states that it was A private letter from Berlin states that it was on the receipt of an angry letter from the Empo-iror of Russis, in reply to one recommending moderation, that the King of Prussis ordered the last protocol to be signed. It is further stated that despatches have been received from the French Minister at Vienna, nanouncing that the orplanations given by the Austrian Cabinet rol-stire to the treaty concluded between it and Prussis were highly satisfactory, and that these given by Prussis were, though not unsatisfacto-ry, less maresered.

sm, Biglerism, Bachananism and Nebraskaism indicated, in their speecket, but privately they indicated, in their speecket, but privately they urged to the result as to City Solicitor, the Sulletin says:

THE FROME NISE --- A correspondent over the signature of Ledger, souids a Cincinnati editor the following :---

idence. I have just read in your paper what has often before been published, respecting the curious properties of the figure 1. One of these pro-perties is of importance will book keepers and accountants to know, and which I have never seen published. I accidentally found it out, and the discovery to mo, (though it may have been well known to others' before,) has often been of ential service in settling complicated accounts.

the difference between any transposed num-ber is always a multiple of 9; for instance, sup-pose an accountant or look-keeper cannot prove or ballance his accounts—there is a difference or ballance his accounts. pose an accounts of the series a difference for ballance his accounts—there is a difference between his debts and credits, which he cannot account for, after careful and repeated addings Let him see if this difference can be divided by 9 without any remainder. If it can, he may be assured that his error most probably lies in hi-having somewhere transposed figures, that is to say, he has put down 92 for 20.83 for 38, &o. with any other transposition. The difference o any such transposition is always a multiple of 9 The knowledge of this will at once direct atten than to the true source of error, and sare the la ber of adding up often long columns of figures The difference between 92 and 20 is 09, or 7 times 95 between 83 and 38 is 45, or 5 times 9, and so 0 between any transposed numbers.

ts superiority.

public meeting was called, which denounced him

"We see it stated that an adherence to this bill is to be made a test of Democratic orthodoxy by those in power, at Washington. We can scarcely credit such a rumor, for nothing would more surcely put the party into a hopeless minor-ity in all the free States than this. We speak what m here when a say their in the sure dias a betrayer of his constituents, unfit to represent them, and requesting him to resign. are glad of it. Let every one of the traitors be received with hissing and scorn, and perhaps een will learn, after a while, that it is no light ity in all the free States than this. We speak what we know when we say that in the rural dis-tricts, where the corrupting influences of official power and favor do not come, the people will not submit to such a test." thing to outrage public sentiment and defy the people's will.

The Honriculturist, for June, is truly wel-How the Ledger, after this, can apport Big-ler, we cannot understand. Ho if one of the come. How we delight to turn from the excitements of politics to the peaceful and fascinating, and we may say humanizing walks of rural art main supports of the Pierco administration, and every vote given for him is a vote for the Ne and rural taste. This number is atvery fair ka bill. That he tries to play a double part, one. The article entitled "A few hints to beginners" is very valuable. We are but a beand pass as both its friend and enemy, is only ginner ourself in rural pursuits and recreations and can feel the force and value of such hints. an additional reason for his condemnation. A two-faced hypocrite is unworthy of public con This number closes the first half volume of 1854,

and the publisher advertises that he will take The Cincinnati Gazette publishes a letter from subscribers, for those whe prefer it, for the half year from July to Jan., for \$1. We would ad-Wheeling, which, speaking of the fall of the wheeling, which, speaking of the fall of the Licking and Wheeling Bridges, says: "Another remarkable fact is, that the anchor-ing iron of the Licking bridge was made at Pitts-burgh, and that of the Wheeling bridge, at this place. Neither of them were of Clucinnati iron, which is unquestionably superior to any other "made in the Union". viso all lovers of rural life, however, to order the whole volume, for it is exceedingly valuable .-Price \$2 per annum. James Vick, Jr., publish-

er, Rochester, N. Y. Bor-Stark County, Ohlo,-"Old Molly Stark," At the time the Licking bridge fell it was sta-

ted in a Cincinnati paper that the irce, the bad quality of which caused its fall, was made in Cincinnati, and not in Pittsburgh. The unexdenounce the outrage, in which prominent Demmats took part. Some of the Pierce men subsoampled and unabated demand for Pittsburgh quently called a meeting to ratify the passage of on which is now existing is the best proof the bill, and to glorify Pierce and Douglass .-

THE MOB PARTY .--- The Post thinks the Boswire-pullers, and passed resolutions denouncing on mob that led Garrison through the streets. sith a halter round his neck, did right. It says Pierce, Douglass, Slavery, Slave-breeders, and approving of the call of the Anti-Nebraska Conthere ought to be a halter round his nock, and vention at Columbus, on the 18th of July. trawn tight." But, of course, the Post is op-Molly Stark" is revolutionized ! posed to mobs !

derive immediate benefit from the use of Dr. Morav's in vigorating Elistic or Cordial. These facts are supported by interfargable proof are presented to the attention of Iar ids, who can verify them by a single bottle of the med-elme. The Cordial is put up highly concentrated, in pink to these. Prime three dollars per bottle, two for first dollars, at these. Prime three dollars per bottle, two for first dollars, at
