cargo 11, boxes copper orc-mboat 180 tons. Some of the Tennessee ore has been sold in New York at \$100 per ton, and if this is equally val-nable, the single cargo is worth the sung sum of, \$18,000. It is said that since the last of Janra-ry about 6,000 hoxes of this ore have been ship-ped, principally to this port. Lieut J. G. Strain denies that a challenge to a duel has passed between him and Lieut Faunt-leroy. Mic says there is not a word of truth in the report.

A FATAL REGOV OF INTFLITT. A manipamed Leroy, in Paris, who had intrented a steam car-riage for, travelling on ordinary reads, wai re-cently going in it towards the English champel, to ship it for exhibition, when in descending a hill the carriage struck some obstruction, topped over, and poared the hot water from the bolies over Leroy, scalding him so badly that he can hot recover. He had whent ten years and all his means in perfecting his invention, and had received flattering testimonials from various Eu-ropean cowmed hasds.

Spanish Government manifests in the settlement of the Cuban difficulty is to be attributed to two cuses. First, they are confidentiat the support of France and England in case of emergency. ope to defend the colonies very successfully?---ite would advise, not the noble Duke opposite; rho to his great satisfaction had heen released rom the duties of the colonial office, but the Rt. 10n Baronet who had successful him, to read as hispatch received from Lord Metcalfe in 1846.--Duke opposite, idly, they do ent is in carnest. No treaty has yet been concluded between France,

Iton Baronet who had succeeded him, to read w dispatch received from Lord Metcalfe in 1846.— We were then, it was supposed, on the eve of a war with the United States—a war connected with matters in which Canada had no concern— a war for an object the value of which was not to either party equal to the expense of one week's hostilities. Let the Colonial Servetary read Lord Metcalfe's dispatch, and see the amount of military aid that would be required to caable us estimate was craragant, and did not attach any great weight to that noble Lord's unsupported joninon; but, having consulted, persons who from their position, were inset competent to de-cide upon the queuclion, he found they confirmed Lord Metcalfe's entities at to the amount of force necessary to defend Canada successfully, and it was utterly byond the means of this con-try to provide it. It might be said that we did successfully defend Canada in 1814, and that we ind made great progress in military strength.— If, however, we had advanced in the career for prosperity, consider the consub progress which the united States had made in their innumera-ble railroads, their well appointed in weich due wich the United States had made in their innumera-ble railroads, their well appointed in weich due wich the work of the and and and anatage which the ydid not formerly possess, for they conduced the war in 1814 with a more rable. Considering the increased strength and appli-No treaty has yet been concluded between France, England and Spain on this subject: but the pre-liminary steps for such a treaty were made some time ago, and only failed. of consummation be-cause England gave notice that she should insist upon the insertion of a clause in regard to slavery in Cuba, which was so obsozious to the Spanish Government that the negativity was suppended. Since then Spain has offered France ten thou-sand men to supply the place of the ten thousand ropean crowned heads. In Cleveland, the other day, a little girl only two years old, was missed by her parents, about three o'clock in the afternoon. At eight aho was returned to them, stripped of her elegant dryss and men to supply the place of the ten thousand French soldiers in Rome, to permit the latter to oin the army in Turkey, on condition that she and ornaments, and wrapped in a blanke woman who brought the child back will pledge her supportagainst the United States in case of a war. Louis Napoléon refused the proposition, because, alone, he could not enter into a war with the United States. woman who brought the child back claime that she was entitled to the dress and ornamen for finding her. The child had eridently been stolen for the sake of its clothes.

FUNERAL OF MADANE SUSANNA MESZLENTL-he youngest sister of Louis Kossath was buried a New York on Saturday afternoon at 6.0°clock.

church, and between them the cofin was carried by the pall-bearers, six in number, into the church, where the rolligious ceremonies were per-formed. The Rev. Dr. Philips read the prayers, after which the Rev. Dr. Meander delivered a sermon in the German language, followed by a sermon by the Bev. Dr. Cheever in English. The corpse was, then placed in the family walk of Mr. Douglass, voluntarily offered to the friends of the deceased, after which the funeral cortege dispersed. Our orevariation in the other state of in Atlantic are very ambituous, and extremely sensitive on the point of honor. So were we; and we were extremely sensitive on the point of justice. Not only would we not endure injustice to curselves, but we could not tolerate the perpetration of in-ustice to another. These considerations should
