bill, and we shall doubtless learn in due season from the democratic press that the veto message is a miracle of patrictism and knowledge of fun supporter of the Constitution.

commanding its approval are void of any other good quality than their assumed constitutional-

ple. The bill for the benefit of the Indigent Insane was one prompted by the holiest feelings of our nature and was intended to promote the highest and Harbor bill was a measure called for by the wants of all sections of the country; the propreted does not authorize it. The Homestead comes the Cathoric to challenge such comparisons and I shall retire from the scene of wordy strife.

Some the Cathoric to challenge such comparisons and I shall retire from the scene of wordy strife. At this stage members, are generally sober: and lence and true statesmanship, and one calculated to confer lasting and incalculable benefits upon the landless men of the nation: but the President, so we are told, is of opinion that the Constitution does not confer the power necessary to

The Constitution, then, as interpreted by this common schools do. Democratic administration, gives no power to do boneficent actions. Its preamble, announting its purpose to be to promote the general welfare and secure the blessings of liberty is a more flourish of rhetoric; its provisions are potent only for the commission of evil. The general welfare, the interests of liberty and the cause of good government generally, must look to other sources for protection and promotion.

It is a serious inquiry for the people whether mit the government to do good but to prevent permit the government to ao good nue to product it from doing harm, if not, then it is their duty to take the government out of unworthy hands and confer it on those who have a better appre

A NEW SCHEME. -The New Orleans Bulletin adoption of some scheme of retaliation against arow its intention of withdrawing from the culti- badly that it endeavors unduly to magnify the vation of the staple altogether. The Bulletin fects that would ensue from this extraordinary act of section al patriotism. It argues that England would sooner wage war with all the world than do without cotton. The hundred millions of dollars invested in cotton manufactures in Massuchusetts would be ruined! Boston would ree! under the infliction worse than a drunken man, and would find herself worse off. when she came of employment. New York, deprived of her best mers, would cover herself with sackcloth and ashes; and Ohio beef, pork, flour, etc., would and asher; and Ohio beef, pork, flour, etc., would considerable number of Americans have gone all terribly in price, and would be without a St. Petersburg within the last few months, a market most of the time at that: And the ten market most of the time at that. And the ten

to try it. Do. As to ruining the North, we are used to that. We have been ruined several times by the policy forced on the government by th, Louisiana always consenting, and we sympathies run legitimately in favor of op can stand it again. We are rather used to it would not be a pleasant variation of the routine to see the South cut its throat for the sake spiting us. We think we would like it, and if aragement is needed to help on the desperate step we will throw in what words of chee we can. Do not wait to alarm us, but go on with

your dying. THAT LETTER. -The facts about Gov. Bigler's private letter to the Temperance men are coming out. The Democrat, published at Uniontown, the residence of Dr. Patrick, to whom the letter was

addressed says: addressed, says: ...
"We understand that the same letter, no doubt, mentioned by the Philadelphia News, was exhibited in this place by Dr. Patrick to Temperance Democrats while here on a visit to his family a short time since."

that its contents have been properly characterired. The policy seems to be to win the antiTemperance men with the published letter, and
yet retain Temperance Democrats through the
State by means of the private letter. This is the
mission of the Rev. John Chambers and Dr.
Patrick.

The promenade was effected, and at the end of it,
the young man had his 5000 frances in his pocket,
and had refused offers of 50,000 more.

Benzyotzke.—It is stated of General Putnam
that he planted, in his native town in Windhomcounty, Conn., a mile of apple trees in the highway, so that "the poor might have apples as well
as the rick."

PITTSBURGH GAZETTE. The Washington Ecaminer is severely excreised tudents of Canonsburgh Thelogical Seminary have thought fit to condemn the Ne-braska bill. It says that "one of the worst signs of the times, is the disposition manifested In position of the elergy to take an active part in position; "that "the duties of the minister lier! him away from, and above, the turnois and conflicts a loss of the Ten Million project on the position of the political arean;" and "that it is highly derogatory to the character of a minister to engage actively in the secular purenits of life, or to allow himself to become absorbed in any subject which has not a direct reference to his high calling and its sacred duties. For this reason, pursuits which are proper for other men, are forbidden to him. Though the government ough to be administered by righteous men, yet, he is, by no means, to suffer himself to be a candidate for political offices and honors." Presuning the Examiner to hold these sentiments in cardidate for political offices and honors." The House immediately passed a bill repealing the law so fraudulently eltered, and the Senate are now wrangling

supporter of the Constitution.

So far the President has been able to find constitutional warrant only for measures of questionable propriety. He found, or professed to do so, authority to pay millions for a strip of worthless territory belonging to another nation, but no one clesc has been so fortunate. He has also found abundant parmission in its provisions, as he construct them, to allow the extension of alarery over all our national territory; and he asks for a conditional grant of ten millions to enable him to buy or steal Cuba during the recess of Congress, with an assurance which seems to leave no doubt that ho thinks that constitution al, likewise. Now, if all these things "are constitutional, there is not one of them justifiable on any fair basis of reasoning, and it is unfortunate for the administration that the measures commanding its approval are void of any other.

The attempt to chargo crime, and riot, and or the great present in the provision of the pure morality increase their ranks commanding its approval are void of any other.

The attempt to chargo crime, and riot, and or the great present infamous outrages as that lately committed at Salura proposition to the law, prositions of questions feats, and practised as immendiarism, and opposition to the law, prositions, at and his confidential agents, his confiderate containing and intendiary prompting at any and practised as immendiarism, and opposition to the law, prositions of the pure moral in the pure intribute of the law, prositions of the part of the law, prositions of the present dubus prompting as the construction of the standard prositions of the present dubus prompting at p The attempt to charge crime, and riot, and tration managers were first convinced of the ut-murder and Mormonism as genuine results of the murder and Mormonism as genuine results of the Protestant common school system is more ingen-

This game will be played out

to-day. The Senate confirmed the Reciprocity treaty by the vote of 37 to 11. The two Pennsylvania senators, the two from Maryland and Mr. Foot of Vermont, were among its opponents on the final

This is an important international arrangement and I am glad that it is confirmed. But I cann deny that it interferes in an unwarrantable man ner with the just power of Congress over the subject of fevenue and taxation, and but for the unquestionable tendency of unrestricted trade with the provinces to annexation, its confirmation would be a matter of regret. But the Enropean war will probably divest Great Britain of these dependencies, and we must be prepared to receive them into our Union. To the Northern states this is a subject of paramount importance All projects for the extension of the session have been dropped, and on Friday at noon the accounts of the members with the people for this political year will be closed. Upon our side we

may await the verdict of the latter with confidence.

In the county of Marion, in Virginia, which had in 1850 a population of 10,552, and is now rapidly increasing, there are at the present time, only 21 slaves. The number in 1850 was 94.—
In a few years, at this rate, there will not be a In a few years, at this rate there will not be a slave in the county. Many other parts of Virginia are in a like condition. There are about twenty counties in the State that cannot muster 100 slaves eath, and one county (Hancock) land in 1850 only three. The "peculiar institution," therefore may be regarded as almost extinct in this and several other counties of Virginia.

this and reveral other counties of Virginia.

Sickness at the Northampton County Poon
House.—Sickness and death have visited the
poor-house of Northampton county, Pa., in a
fearful manner. The wife of the steward and
about a dozen remain sick in the hospital of the
institution. Those who had not been attacked
with disease have left the place. Mr. Whitesell,
the steward, was also attacked by cholera, but
precovered.

Temperance Democrats through the Sixts by means of the private letter. This is the county, Conn., a mile of apple trees in the high-mission of the Rev. John Chambers and Dr. Patrick.

How a minister of the gospel can reconcile his sacred calling with this low scheme of trickery and docuit we cannot understand. It is for him to arplain his course, and a Christian with the pursuit of arplain his course, and a Christian with the game of deception and fraud to which he is a game of deception and fraud to which he i

Or. Morse's Invigorating Elixir or Or. Morse's Invigorating Elixir of CORDIAL—If it is inquired how this great restorative is accomplishing such extraordinary cure, we can only reply that in the Arabian herb that forms its cardinal ingredient have been blended by the Omnipotent Physician. I array amount and greater varieties of curative properties than he herbotrop been supposed to exist in a hundred-different as teles of the pharmacopoila. A whole medicine chest of remedies, so to speak, some to have been combined in the herbotrop seen supposed to exist in the cardinary of the herbotrop is a contractive for the pharmacopoila. A whole medicine chest of remedies, so to speak, some to have been combined in the herbotrop in the herbotrop in the herbotrop is the same than the confidence seence. It is the effect, however, not the cause with which we have to deal in the practical application of the medicide. The victims of dyspepsia are cured, the nervous are relieved, the half paralyzed resume their activity, the sufferest from head-sche are tormented a more the weak become vigorous, the this of jaundies leaves the complexion of the billions, the depressand in splitts become buoyant, the sick in almost in every condition of diseased derive immediate benefit from the use of Dr. Morre's in full processing the proof are presented to the attention of invasida, who can verify them by a single bottle of the medicine. The Cordial is put up highly concentrated, in pint bot the transition of all processing the proof are presented to for iffe dediater, in the feet to the deliver in the feet of the set of the feet of the set of the feet of the deliver in the feet of the feet of the set of the set of the feet of the set of the

cins. The Cordial is put up highly concentrated, in pint loc ties. Price three dollars per bottle, two for fife dollars, six for trelve dollars. C. H. RING, Proprider, 102 Broadway, N. Y. Bold by Druggists throughout the United States, Canadas and West Indies.

General Acouts in Pittsburgh-Fleming Bross, corner Wood and Fourth-streets; and Geo. H. Keyser, corner Mode and Fourth-streets; and Geo. H. Keyser, corner Alleghuny Co. Myer's Extract of Rock Rose, an invaluable Remedy for all

able Remedy for all
Scrofulous Diseases, Indigestion, Chronic and
Acute Distribes, Bowel Complaint or Dysentery, Billous Diseases, Gutaneous Eruptions, Liver Complaint, Chronic and Acute Rhomandigm, Salt
Rheum, Sick Headlache, Canker, Nursing

And as a Purifier of the Blood, it unequaled.
Pront Worter Rock Hoss.—A medicine under the ti
tie of "Rock Rose," made from a plant of that iname, is haring agreat run in this vicinity for its curative properties
The cyp of "quack," so truly applicable to at leady one half
of the medicines of the day, cannot be justify applied to
the Bock Rose, for it has "made its mark" in this city in
avereal cases, to the relief and cure of afforers, when other
remedies have failed—and what is quite remarkable, some
of our best physicians do not heristate to speak very favora.

ledium.
Wecherfully endorse the above, having witnessed its
good effect ourselves on pulmonary and scrofulous comblaints. We believe it is the best compound for coids and
coughs, extant. The Rock Rosehas long been known as a
plant of rare medical virtue, and its preparation is superintended by a gentleman of ability and character, in this

Mrs. Hannen, No. 600 Fourth street,

Mrs. Hennen, No. 600 Fourth street, esys of Dr. McLANE'S CREERBRATED VERNIEUR.

NEW York, May 15, 1882.

29. A child of mine shorped expressions of sorme, I may it a bottle of Dr. McLane's Uteleasted Vermilings, which brought away 8 tuned of sorme, on unperfoint. I should judge, about thether. The child was very sick during the operation, but is now well and hearty.

Aire, Frien, So. 18 Avenue B. writes under date of August 15 1802, said says such and been troubled with worms for more than a year, and that she to-ik one bettle of Dr. McLane's Collected Vermilitzy, which brought away from her over three hundred sayms, lidg and little. For one better there hundred sayms, lidg and little. For one per over three hundred sayms, lidg and little, for one better hereaft to be entirely from from diesase.

Mrs. Bungding, a German woman, residing at 29 - Rutingston street, says, that after ming one vial of McLane's Collected, the Armilitze, she passed two large tage worms.

The above certificates are all free purities well knopn in this city. If there are any who do Jit, they have the manus and addresses, and can ratify themselves by personal inquiry.

39. Unrehaser's will be careful to sak for DR. MLANE'S.

We see by the Court Records, that the two counterfelters, White, of Buffalo, and Lawrence, of Epping. N. II., have been placed under ten thousand dollar bunds, each, for making and selling imitations of Ayer's Cherry i cotoral. This is right. If the Law should protect men from imposition at all, it should certainly protect them from being imposed upon gy a worthless counterfelt of such a medicine as Ayer's Cherry, Forieral. We can only complain that the punishment is not half swoogh. The villain, who would for pairry gain, deliberately triffs with the health of his fellow mish, by taking from their lips the cup of hope, when they are sinking, and substituting a Albshood—an interdedunton, should be punished at least as severely as he who counterfelts the cin of the country.—Green Ob. Bramer, Carrollion, 18. Citizen's Insurance Comp'y of Pittsburgh.
