The Spanish Cound at Mew Orleans, on being informed of the fast, because quite alarmed, and immediately chartered and despatched a schoorer for Harana, informing the authorities concerning the matter. It is surmised by some that the recent arrival of the Russian ambassador at New York may have had something to do with the mystachous departure of the vessel. W. C. Highams, civil engineer, balonging to New York, was shot at New Orleans a fire day since by Dr. Chandler, formerly of Boston. The wound proved htal. Rethtic parties are and to have beed respect-ably connected. Chandler has been arrested and was awaiting an examination at the date of our last advices.
